

# Johanna Rebecca Falk

University of Geneva  
Faculty of Psychology and Educational Sciences (FPSE)  
Boulevard du Pont d'Arve 40, 1205 Geneva, Switzerland  
Email: johanna.falk@unige.ch  
Languages: German, English, French

## Research Interests

---

Psychophysiology | Effort | Motivation | Affect | Agency | Decision-Making | Health Psychology

## Education

---

01.11.2019 – 27.11.2023	<b>Ph.D. in Psychology</b> , University of Geneva, <b>Switzerland</b> Swiss Doctoral School in Affective Sciences Certificate, Thesis under supervision of Prof. Gendolla: <i>Affective influences on effort and the crucial role of personal choice</i>
09.10.2017 – 12.08.2019	<b>M.Sc. in Psychology</b> , Heinrich Heine University Düsseldorf, <b>Germany</b> Focus: Neuroscience & Clinical Psychology, Grade: 1.3/1.0, Thesis: 1.0/1.0
15.09.2014 – 14.07.2017	<b>B.Sc. in Psychology</b> , University of Luxembourg, <b>Luxembourg</b> Focus: Psychophysiology & Clinical Psychology, Grade: 17.8/20.0, Thesis: 20.0/20.0
28.06.2014	<b>German-French Double Degree AbiBac</b> , Abitur and Baccalauréat, Hildegardis Gymnasium, European School in North Rhine-Westphalia, Bochum, <b>Germany</b>

## Academic Visiting Stays

---

21.09.2023 – 12.11.2023	<b>Visiting Stay</b> , Motivation Lab, Supervision: Prof. Peter Gollwitzer, Prof. Gabriele Oettingen, Department of Psychology, New York University, <b>USA</b>
16.04.2023 – 23.04.2023	<b>Visiting Stay</b> , Radboud Center for Decision Science, Supervision: Prof. Erik Bijleveld, Behavioral Science Institute, Faculty of Social Sciences, Radboud University Nijmegen, <b>Netherlands</b>
04.01.2016 – 30.06.2016	<b>Erasmus Mobility Semester</b> , University Paris Descartes, Paris, <b>France</b>

## Academic Research Positions

---

01.12.2023 – 31.12.2023	<b>Post-Doctoral Researcher</b> , research group “Geneva Motivation Lab”, Swiss Center for Affective Sciences, University of Geneva, <b>Switzerland</b>
01.11.2019 – 30.11.2023	<b>Research Assistant</b> , research group “Geneva Motivation Lab”, Department of Psychology, Faculty of Psychology and Educational Sciences, University of Geneva, <b>Switzerland</b>
01.09.2018 – 31.08.2019	<b>Research Assistant</b> , research group “Comparative Psychology”, Department of Experimental Psychology, Faculty of Mathematics and Natural Sciences, Heinrich Heine University Düsseldorf, <b>Germany</b>
01.10.2016 – 31.08.2017	<b>Research Assistant</b> , research group “Self-Regulation and Health”, Clinical Psychophysiology Laboratory, Department of Behavioral and Cognitive Sciences, Faculty of Humanities, Education, and Social Sciences, University of Luxembourg, <b>Luxembourg</b>

## Academic Teaching Assistant Positions

---

01.02.2023 - 30.11.2023	<b>Teaching Assistant</b> for Prof. Guido Gendolla's Bachelor course "Motivation et Apprentissage: Introduction" [Introduction to Motivation and Learning], Faculty of Psychology and Educational Sciences, University of Geneva, <b>Switzerland</b>
01.03.2021 – 30.09.2023	<b>Teaching Assistant</b> for Prof. Tobias Brosch's Bachelor course "Introduction à la Psychologie de l'environnement" [Introduction to Environmental Psychology], Faculty of Psychology and Educational Sciences, University of Geneva, <b>Switzerland</b>
01.09.2020 – 31.12.2020 & 01.10.2021 – 31.12.2021	<b>Teaching Assistant</b> for Prof. Olivier Desrichard's Bachelor course "Psychologie de la santé" [Health Psychology], Faculty of Psychology and Educational Sciences, University of Geneva, <b>Switzerland</b>

## Internships and Student Assistant Positions

---

12.06.2019 – 12.07.2019	<b>Student Assistant</b> (part-time, 50 hours), Institute for Psychosocial Prevention, University Hospital Heidelberg, <b>Germany</b>
11.02.2019 – 05.04.2019	<b>Research Internship</b> (part-time, 200 hours), Clinical Institute for Psychosomatic Medicine and Psychotherapy, University Hospital Düsseldorf, <b>Germany</b>
01.10.2018 – 31.01.2019	<b>Internship</b> (part-time, 240 hours), Mental Health Research and Treatment Center, at Ruhr University Bochum, <b>Germany</b>
01.12.2017 – 30.06.2018	<b>Student Assistant</b> for Neuropsychological Diagnostic and Cognitive Training (20%), Rehabilitation Clinic Rhein/Ruhr, Department Neuropsychology, <b>Germany</b>
01.08.2016 – 09.09.2016	<b>Research Internship</b> (full-time, 240 hours), research group "Health Psychology", Katholieke University Leuven, <b>Belgium</b>

## Academic Awards and Grants

---

10.08.2023	<b>Travel Award</b> , awarded by the Society for Psychophysiological Research to cover participation costs for the 2023 Annual Meeting in New Orleans, amount: <b>1'200 \$</b>
08.06.2023	<b>Research Stay Grant</b> , awarded by the Fondation Ernst et Lucie Schmidheiny for a research stay at New York University, USA, amount: <b>5'500 CHF</b>
20.02.2023	<b>Research Exchange Grant for Young Motivation Scientists</b> , awarded by the Society for the Science of Motivation for a visiting stay at Radboud University Nijmegen, Netherlands, amount: <b>1'200 \$</b>
25.11.2022	<b>2<sup>nd</sup> Place of the Poster Award Competition</b> for "Noise Annoys- But How We Engage in Action Matters", Annual Research Forum, Swiss Center for Affective Sciences
13.05.2021	<b>Young Scientist Award</b> for "Choice, Affect, and Effort: Task Choice Shields Against Incidental Affective Influences in a Difficult Task", obtained at the 13 <sup>th</sup> Annual Meeting of the Society for the Science of Motivation
21.06.2019	<b>Best Poster Award</b> for "The Influence of Steroid Hormones on Social Discounting", obtained at the "Master Thesis Presentation Day", Comparative Psychology, Institute of Experimental Psychology, Heinrich Heine University Düsseldorf

## Academic Support and External Travel Funding

---

2023	<b>Travel Grant</b> , awarded by the Swiss Academy of Humanities and Social Sciences to cover participation costs for the 15 <sup>th</sup> Annual Meeting of the Society for the Science of Motivation and the 35 <sup>th</sup> Annual Convention of the Association for Psychological Science, amount: <b>1'000 CHF</b>
2021 - 2023	<b>2 Travel Grants</b> , awarded by the University of Geneva, Department of Psychology, to cover participation costs for the 35 <sup>th</sup> Annual Convention of the Association for Psychological Science, 53 <sup>rd</sup> Annual Meeting of the Society for Psychophysiological Research and the 8 <sup>th</sup> Consortium of European Research on Emotions, total amount: <b>2'920 CHF</b>
2020 - 2023	<b>5 Travel Grants</b> , awarded by the Swiss Doctoral School in Affective Sciences to cover participation costs for the 50 <sup>th</sup> Motivational Psychology Colloquium, the 34 <sup>th</sup> Annual Convention of the Association for Psychological Science, the International Convention of Psychological Science, the International Summer School in Affective Sciences, and the Workshop General Psychology, total amount: <b>4'318 CHF</b>
2022 - 2023	<b>Mentee Position in the Mentoring Program "Mentorat relève"</b> , Equality & Diversity Service, University of Geneva, Switzerland
2020 - 2023	<b>3 Travel Grants</b> , awarded by the Doctoral Program in Western Switzerland to cover participation costs for the 9 <sup>th</sup> Winter School in Experimental Research and Behavioral Economics and the Workshop "Effective Grant Development and Writing for Young Researchers", total amount: <b>1'750 CHF</b>
2019 - 2023	<b>Gender Equality Grant</b> , awarded by the Swiss National Science Foundation, amount: <b>4'000 CHF</b>

## Published Articles in Peer-Reviewed Journals

---

1. Falk, J. R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G. H. E. (in press). Noise annoys – but personal choice can attenuate noise effects on cardiac response reflecting effort. *Psychophysiology*.
2. Framorando, D., Falk, J.R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G.H.E. (in press). The power of personal control: Task choice attenuates the effect of implicit sadness on sympathetically mediated cardiac response. *Psychophysiology*.
3. Framorando, D., Falk, J. R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G. H. E. (2023). Can personal task choice shield against fear and anger prime effects on effort? A study on cardiac response. *Biological Psychology*, doi: 10.1016/j.biopsycho.2023.108616
4. Falk, J. R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G. H. E. (2022). Incidental affective influences on effort-related cardiac response: The critical role of choosing task characteristics. *International Journal of Psychophysiology*, 177, 76-82. doi: 10.1016/j.ijpsycho.2022.04.010
5. Falk, J. R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G. H. E. (2022). Task choice shields against incidental affective influences on effort-related cardiovascular response. *Psychophysiology*, 59(7). doi: 10.1111/psyp.14022
6. Bouzidi, Y.\*, Falk, J. R.\*, Chanal, J. & Gendolla, G. H. E., (2022). Choosing task characteristics oneself justifies effort: a study on cardiac response and the critical role of task difficulty. *Motivation Science*, 8(3), 230-238. doi: 10.1037/mot0000269 (\*shared first authorship)

## Published Conference Proceedings

---

1. Gendolla, G. H. E., Framorando, D., **Falk, J. R.**, Gollwitzer, P. M. & Oettingen, G. (2023). Task choice shields against implicit affective influences on effort-related cardiac response. *Psychophysiology [Supplement]*, 60, S22.
2. **Falk, J. R.\***, Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2023). Dysphoria effects on effort-related cardiovascular responses and the shielding power of personal choice. *Psychophysiology [Supplement]*, 60, S170.
3. **Falk, J. R.**, Gendolla, G. H. E., Gollwitzer, P. M. & Oettingen, G. (2023). Choice, noise, and effort: Personal choice shields against noise effects on effort-related cardiovascular response. *International Journal of Psychophysiology*, 188, S21-22. doi: 10.1016/j.ijpsycho.2023.05.052
4. Gendolla, G. H. E., **Falk, J. R.**, Framorando, D., Gollwitzer, P. M. & Oettingen, G. (2023). Action choice shields against explicit and implicit affective influences on effort-related cardiac response. *International Journal of Psychophysiology*, 188, S24. doi: 10.1016/j.ijpsycho.2023.05.059
5. **Falk, J. R.**, Gendolla, G. H. E., Gollwitzer, P. M. & Oettingen, G. (2022). Personal choice shields against noise effects on effort-related cardiovascular response. *Psychophysiology [Supplement]*, 59, S41.

## Conference Talks (\*Presenting Author)

---

1. **Falk, J.R.\***, Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2023). *Choice, noise, and effort: Personal choice shields against noise effects on effort-related cardiovascular response*. Symposium talk in Johanna Falk (Chair), *Recent advances in the psychophysiology of effort I: compensatory processes and self-control* at the 21<sup>st</sup> World Congress of Psychophysiology. June 26 – 30, Geneva, Switzerland.
2. Gendolla, G.H.E.\* , **Falk, J.R.**, Framorando, D., Gollwitzer, P. M. & Oettingen, G. (2023). *Action choice shields against explicit and implicit affective influences on effort-related cardiac response*. Symposium talk in Guido G.H.E Gendolla (Co-Chair) & Michael Richter (Co-Chair), *The psychophysiology of effort: cardiovascular and pupillary correlates of effortful processes* at the 21<sup>st</sup> World Congress of Psychophysiology. June 26 – 30, Geneva, Switzerland.
3. Gendolla, G.H.E.\* , Bouzidi, Y.S., Framorando, D., & **Falk, J.R.**, Framorando, D. (2023). *Task choice shields against implicit affective impact on effort*. Symposium talk in Guido G.H.E Gendolla (Co-Chair) & Alexandra Freund (Co-Chair), *Effort and exhaustion: new insights from a multi-method perspective* at the 35<sup>th</sup> Annual Convention of the Association for Psychological Science (APS). Washington, DC, USA, 25 - 28 May.
4. **Falk, J. R.\***, Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2023). *Noise in volition: The immunizing effect of personal choice against noise effects on effort*. Symposium talk in Erik Bijleveld (Chair), *Cognitive effort in lab and life* at the Dutch Social Psychology Conference (ASPO). Utrecht, Netherlands, 21 April.
5. **Falk, J. R.\***, Gollwitzer, P. M., Oettingen, G., & Gendolla, G. H. E. (2022). *Personal action choice shields against incidental affective influences on effort*. Symposium talk in Kerstin Brinkmann (Co-Chair) & Katharina Bernecker (Co-Chair), *Advances in Motivation Science I: Basic Processes*. Symposium talk at the 17<sup>th</sup> Meeting of the Swiss Psychological Society (SPS). Zurich, Switzerland, 4-6 September.
6. **Falk, J. R.\***, Gollwitzer, P. M., Oettingen, G., & Gendolla, G. H. E. (2022). *Personal action choice shields against incidental affective influences on effort*. Single paper talk at the 8<sup>th</sup> Consortium of European Research on Emotions (CERE). Granada, Spain, 10-11 June.
7. Gendolla, G. H. E.\* , **Falk, J. R.**, Gollwitzer, P. M., & Oettingen, G. (2022). *Task choice: An immunizer against incidental affective influences on effort*. Symposium talk in Kerstin Guido G. H. E. Gendolla (Chair), *Making goal striving more efficient: New perspectives on volition* at the 34<sup>th</sup> Annual Convention of the Association for Psychological Science (APS). Chicago, IL, USA, 26-29 May.

8. Gendolla, G. H. E.\*, Bouzidi, Y. S., Falk, J. R., Gollwitzer, P. M., Oettingen, G., & (2022). *Personal task choice immunizes against incidental affective influences on effort*. Symposium talk in David Framorando (Chair), *Fundamental processes and applied aspects of effort* at the 64<sup>th</sup> Conference of Experimental Psychologists (TeaP). University of Cologne (online), Germany, 20-23 March.
9. Falk, J. R.\*, Gollwitzer, P. M., Oettingen, G., & Gendolla, G. H. E. (2022). *Choice of task characteristics shields against music and noise stimulation effects on effort*. Single talk at the 64<sup>th</sup> Conference of Experimental Psychologists (TeaP). University of Cologne (online), Germany, 20-23 March.
10. Gendolla, G. H. E.\*, Bouzidi, Y., & Falk, J. R. (2021). *Task choice immunizes against affective influences on volition*. Single talk by Prof. Gendolla at the 50<sup>th</sup> Motivational Psychology Colloquium (MPK). University of Zurich, Switzerland, 28-30 October.
11. Falk, J. R.\*, Gendolla, G. H. E., Gollwitzer, P. M., & Oettingen, G. (2021). *How we engage in action matters: Task choice immunizes against incidental affective influences on effort-related cardiovascular response*. Talk at the 10<sup>th</sup> Workshop General Psychology – “How to create and convey science”. 16-18 July, University of Würzburg, Germany.

## Conference Poster Presentations (\*Presenting Author)

---

1. Falk, J. R.\*, Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2023). *Dysphoria effects on effort-related cardiovascular responses and the shielding power of personal choice*. Poster at the 54<sup>rd</sup> Annual Meeting of the Society for Psychophysiological Research (SPR). New Orleans, LA, 27 September - 1 October.
2. Falk, J. R.\*, Framorando, D., Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2023). *Affect prime effects on effort and the critical role of personal choice*. Poster at the 15<sup>th</sup> Annual Meeting of the Society for the Science of Motivation (SSM). Washington, DC, USA, 25 May.
3. Falk, J. R.\*, Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2023). *Personal choice attenuates noise effects on effort-related cardiovascular response*. Poster at the 35<sup>th</sup> Annual Convention of the Association for Psychological Science (APS). Washington, DC, USA, 25 - 28 May.
4. Falk, J. R.\*, Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2023). *Personal choice shields against noise effects on effort-related cardiac response*. Poster at the International Convention of Psychological Science (ICPS). Brussels, Belgium, 9 - 11 March.
5. Falk, J. R.\*, Gendolla, G. H. E., Oettingen, G., & Gollwitzer, P. M. (2022). *Noise annoys – but how we engage in action matters*. Poster at the Annual Research Forum (ARF) of the Center for Affective Sciences. Geneva, Switzerland, 24 - 25 November.
  - 2<sup>nd</sup> Place of the Poster Award Competition
6. Falk, J. R.\*, Gendolla, G. H. E., Gollwitzer, P. M. & Oettingen, G. (2022). *Personal action choice shields against noise effects on effort-related cardiovascular response*. Poster at the 53<sup>rd</sup> Annual Meeting of the Society for Psychophysiological Research (SPR). Vancouver, Canada, 28 September - 2 October.
7. Falk, J. R.\*, Gendolla, G. H. E., Gollwitzer, P. M., & Oettingen (2022). *An implemental mindset protects against mood influences on task persistence*. Poster at the 34<sup>th</sup> Annual Convention of the Association for Psychological Science (APS). Chicago (Illinois), USA, 26 - 29 May.
8. Falk, J. R.\*, Gendolla, G. H. E., Gollwitzer, P. M., & Oettingen (2022). *Task choice shields against incidental affective influences in an easy task*. Poster at the 14<sup>th</sup> Annual Meeting of the Society for the Science of Motivation (SSM). Chicago (Illinois), USA, 26<sup>th</sup> May. (available under <https://archive-ouverte.unige.ch/unige:162391>)
9. Falk, J. R.\*, Gollwitzer, P. M., Oettingen, G., & Gendolla, G. H. E. (2022). *The way we engage in action matters: Task choice shields against incidental affective influences on volition*. Poster at the Society for Personality and Social Psychology Annual Convention (SPSP). San Francisco (California), USA, online participation, 16 - 19 February.

10. Falk, J. R.\* & Gendolla, G. H. E., (2021). *Task choice protects against incidental affective influences on effort-related cardiovascular response*. Poster at the 50<sup>th</sup> Motivational Psychology Colloquium (MPK). Zurich, Switzerland, 28-30 October. (available under <https://archive-ouverte.unige.ch/unige:162395>)
11. Falk, J. R.\* & Gendolla, G. H. E., (2021). *Choice, affect, and effort: Task choice shields against incidental affective influences in a difficult task*. Poster at the 13<sup>th</sup> Annual Meeting of the Society for the Science of Motivation (SSM). Online, 13 - 14 May. (available under <https://archive-ouverte.unige.ch/unige:162397>)
  - Young Scientist Award
12. Falk, J. R.\* & Gendolla, G. H. E., (2021). *Affect in volition: The immunizing effect of task choice against incidental affective influences in a highly-demanding task*. Poster at the 33<sup>rd</sup> Annual Convention of the Association for Psychological Science (APS). Online, 26 - 27 May. (available under <https://archive-ouverte.unige.ch/unige:162394>)

## Seminar Talks and Lectures

---

1. Falk, J. R. (2023). *Les Intentions et la Volition* [Intentions and Volition]. Guest lecturer for the Psychology Bachelor level course "Motivation et Apprentissage : Introduction" [Motivation and Learning: Introduction]. 25 April, Geneva, Switzerland.
2. Falk, J. R. (2023). *Motivation and volition: The power of personal control*. Speaker for the PhD Level Seminar "Societal Challenges". 15 March, Geneva, Switzerland.
3. Falk, J. R. (2022). *How we engage in action matters: Personal choice shields against incidental affective influences on effort*. Invited speaker for the Psychology Master level seminar "Motivation, affect, et personnalité: recherches actuelles" [Motivation, affect, and personality: Current research]. 11 October, Geneva, Switzerland.

## Invited Scientific Presentations

---

1. Falk, J. R. (2023). *Affect in volition and the shielding power of personal choice*. Invited speaker for the New York Motivation Lab meeting. 24 October, Motivation Lab, Department of Psychology, New York, USA.
2. Falk, J. R. (2023). *Personal Choice, Affect, and Effort*. Invited speaker for the "Work, Health, and Performance" research meeting. 17 April, Radboud Center for Decision Science, Nijmegen, Netherlands.
3. Falk, J.R. & Heiser, N. (2023). *Why are most published research findings under-theorized?* Co-discussant for the ReproducibiliTea Journal Club. 3 March, Geneva, Switzerland.
4. Falk, J. R. & Gendolla, G. H. E. (2021). *Choice, affect, and effort: The shielding effect of personal choice*. Talk at the 1<sup>st</sup> CISA Researchers Retreat. 18-19 November, Geneva, Switzerland.

## Symposium and Conference Organization

---

2023	<b>Symposium Chair</b> for " <i>Recent Advances in Effort Research: Compensatory processes and self-control</i> " at the 21 <sup>st</sup> World Congress of Psychophysiology. June 26 - 30, Geneva, Switzerland.
2022 - 2023	<b>Member of the Program Committee and Local Organizing Committee of the 21<sup>st</sup> World Congress of Psychophysiology</b> (IOP 2023, June 26 - 30, 2023)

## Reviewing and Editorial Experience

---

Since 2023	<b>Ad-hoc Reviewer</b> for the peer-reviewed journals <i>Motivation Science</i> , <i>Motivation and Emotion</i> , and <i>Journal of European Psychology Students</i>
Since 2023	<b>Associate Editor</b> of the peer-reviewed <i>Journal of European Psychology Students</i>
2021 - 2023	<b>Reviewer for Student Grant Applications and Research Awards</b> for the Association for Psychological Science Student Caucus (APSSC)

## Functions in Research Societies

---

Since 2023	<b>Chair of the Young Scientist Poster Award Committee</b> of the Society for the Science of Motivation
Since 2023	<b>Member of the Elections Committee</b> of the Society for the Science of Motivation
2021 - 2023	<b>Campus Representative</b> of the Association for Psychological Science Student Caucus
2022 - 2023	<b>Member of the Young Scientist Poster Award Committee</b> of the Society for the Science of Motivation

## Institutional Responsibilities

---

Since 2019	<b>Member of the Association des Collaborateur.rice.s de l'Enseignement et de la Recherche en Psychologie</b> [Association of the mid-level psychology faculty staff] of the University of Geneva (ACERP)
2022	<b>Member of the Faculty Search Committee</b> for a professor in "Affective processes and dynamic signal analysis", internal jury member, University of Geneva
2022	<b>Member of the Faculty Nomination Committee</b> for a professor in "Clinical Psychology", delegation member representing the research and teaching staff in psychology, University of Geneva

## Academic Supervision

---

2023 – today	<b>Supervision of Bachelor Thesis</b> , Department of Psychology, University of Geneva, Switzerland <ul style="list-style-type: none"><li>▪ Hannah Winter, Project: "L'effet du choix personnel sur la motivation potentielle"</li></ul>
2021 - 2023	<b>Jury Member of Master Thesis Defenses</b> , Department of Psychology, University of Geneva, Switzerland <ul style="list-style-type: none"><li>▪ Chloé Rapin (Jan. 2023), Title: "L'effet de l'action-shielding sur la persistance d'une tâche en présence d'une stimulation sonore aversive"</li><li>▪ Emilie Rozand (Sept. 2022), Title: "Motif d'affiliation et variation de l'intensité de l'effort par des expressions faciales traduisant l'hostilité ou l'approche relationnelle"</li><li>▪ Chloé Caruso (Jun. 2022), Title : "Impact d'un cadrage temporel orienté vers le passé sur le choix de voitures environnementales chez les conservateurs suisses"</li><li>▪ Auriane Blanc (Sept. 2021), Title: "Les conséquences de la satisfaction du besoin d'autonomie sur la mobilisation de l'effort"</li></ul>

2021 - 2023	<p><b>Supervision of Student Research Assistants</b> employed on the FNS project “Affective Influences on Goal Pursuit: The Moderating Role of Deliberation”, University of Geneva, Switzerland</p> <ul style="list-style-type: none"> <li>▪ Léa Ferro (Oct. 2023 – Nov. 2023)</li> <li>▪ Sophie Marendaz (Mar. 2023 – Jun. 2023)</li> <li>▪ Loredana Schifano (Oct. – Jan. 2023)</li> <li>▪ Amira Hammad (Oct. – Jan. 2023)</li> <li>▪ Danilo Cera (Apr. - Jun. 2022)</li> <li>▪ Thrécly Alves Do Rego (Mar. – Jun. 2022)</li> <li>▪ Cheyenne Mauriello (Dec. 2021 – Feb. 2022)</li> <li>▪ Marie Chaliér (Mar. - Nov. 2021)</li> <li>▪ Hadir Elhaniafir (Oct. - Dec. 2021)</li> </ul>
-------------	--

## Mentoring Activities

---

15.12.2023	<b>Invited Speaker</b> for the Psychology Bachelor level seminar “Perspectives et projets professionnels en psychologie” [Perspectives and professional projects in psychology], talk on personal experiences and professional insights within the field of affective psychology
2021 - 2023	<b>Mentoring Activities for the European Federation of Psychology Students’ Associations (EFPSA)</b> , organizing and presenting workshops and talks (“Good Research Practices in Psychology”, “Techniques for Scientific Writing in English”, “How to Prepare for a PhD”)
2022 - 2023	<b>Mentor for the Swiss Center for Affective Sciences Peer Mentoring Program</b> , accompanying PhD students during their first year at the Swiss Doctoral School in Affective Sciences
02.12.2022	<b>Invited Speaker</b> for the Psychology Bachelor level seminar “Perspectives et projets professionnels en psychologie” [Perspectives and professional projects in psychology], sharing advice with students interested in pursuing a PhD
2018 – 2019	<b>Mentor for the Heinrich Heine University Düsseldorf Peer Mentoring Program</b> , accompanying Bachelor students in Psychology during their first year
2016 – 2017	<b>Mentor for the University of Luxembourg Peer Mentoring Program</b> , accompanying Bachelor students in Psychology during their first year

## Science Communication and Outreach

---

14.11.2022	<b>Science Education Workshop</b> , together with Dr. Laura Riontino, introducing 15-18 years old students to psychophysiological research methods (EEG, EMG, ECG), Institut Le Rosey, Rolle, Switzerland
2022 - 2023	<b>Participation in the Preparatory Workshops and Prefinal of “Ma thèse en 180 secondes”</b> [Three Minute Thesis], organized by the University of Geneva, Switzerland
11.12.2020	<b>Radio Télévision Suisse (RTS)</b> , two published contributions to the health and emotion related Questions & Answers format “Découverte”

## Participation in Academic Summer and Winter Schools, Workshops, & Retreats

---

2023	<b>Winter School</b> , “9 <sup>th</sup> Winter School in Experimental Research and Behavioral Economics”, January 22-27, Champéry, Switzerland
2022	<b>Summer School</b> , “International Summer School in Affective Sciences”, July 7-15, Bossey, Switzerland
2022	<b>Workshop</b> , Write-on-Site Workshop “Espace Thèse+”, March 3, Geneva, Switzerland
2021	<b>Retreat</b> , “1 <sup>st</sup> Researchers’ Retreat”, organized by the Swiss Center for Affective Sciences, November 18 – 19, Geneva, Switzerland
2021	<b>Workshop</b> , “10 <sup>th</sup> Ph.D. Workshop General Psychology”, July 16 – 18, Julius Maximilian University Würzburg, Germany
2020	<b>Workshop</b> , “Ph.D. Students’ Days”, organized by the Doctoral Program in Western Switzerland, September 24 - 26, Vaumarcus, Switzerland

## Professional Development Activities

---

Since 2020	<b>Member of the Swiss Reproducibility Network &amp; ReproducibiliTea Journal Club</b> Selected Participation: “Pre-Registration and Registered Reports”, Journal Club Topics: “Scientific Computing”, “Heterogeneity Revolution”, “Science Communication”, “Good Research Practices”, “Theory and Validity in Research”, “Standardization of Neuroscience Data”
2019 - 2023	<b>Member of the Swiss Doctoral School (SDS) in Affective Sciences</b> Selected Workshop Participation: “Computational Modeling of Decision Making and Affective Learning”, “Introduction to Affective Neuroscience”, “Common Misconceptions in Statistics and Data-Analysis”, “Workshop on Multilevel Regression”, “Emotional Competences and Mindfulness to Manage Stress”, “Leadership, Management, and Empowerment”, “Introduction to Emotion Psychology”, “Introduction to the Non-verbal Expression of Emotion: Face and Body”, “Introduction to the Non-verbal Expression of Emotion: Voice”
2019 - 2023	<b>Member of the Doctoral Program in Psychology (PdrP)</b> Selected Workshop Participation: “Multi-Level Analysis”, “Workshop on Meta-Analysis”, “New Statistics”, “Introduction to Bayesian Statistics & Application in Psychological Research”, “Open Science Practices”, “Advanced R Workshop”, “Cumulative Science: From Transparency to Efficient Theory Development”
