

## IMPORTANT ANNOUNCEMENT ABOUT THE ENGLISH LIBRARY

The English library will be moved from the Philosophes building on 29th November 2010 and will therefore not be directly accessible for some time.

Students who need to borrow and return books must do so via the Linguistics library, which is located in room 0103, in the basement of the *Bâtiment central* at Uni Bastions.

Please note, moreover, that the Linguistics library will be closed between 20th December and 2nd January.

Students needing to borrow books to prepare for their exams, attestations or graded papers during the Christmas break, should take into account these dates.

Please remember that the deadline for submission of attestations and graded papers to teachers for the February exam session is 10 January 2011.
