

**UNIVERSITÉ
DE GENÈVE**

FACULTÉ DES SCIENCES

Friday, October 7, 2022

Prix Schläfli Laureates' Symposium

Lecture Hall: A100, Science II

Time: 12:15-14:00

12:10-12:15 Welcome/Introduction

12:15-12:50 London Dispersion in Molecular Systems

Prof. Dr. Robert Pollice (Prix Schläfli 2020)

Stratingh Institute for Chemistry, University of Groningen, Groningen, The Netherlands

12:50-13:25 Site-specific detection of mutagenic DNA damage with an artificial nucleotide

Dr. Claudia Aloisi (Prix Schläfli 2021)

Institut de Biologie de l'École Normale Supérieure, Paris, France

13:25-14:00 Accelerating Organic Synthesis using Chemical Language Models

Prof. Dr. Philippe Schwaller (Prix Schläfli 2022)

Institute of Chemical Sciences and Engineering, EPFL, Lausanne, Switzerland
