

The **INNOGAP** proof-of-principle fund

What is INNOGAP?

Unitec has created the INNOGAP proof-of-principle fund to help you move your research toward practical implementation.

Unitec and HUG will distribute up to 5 INNOGAP grants of up to CHF 30'000 each per year to UNIGE and HUG innovators.

Which projects are eligible for INNOGAP grants?

- The building prototypes or demonstrators
- Proof-of-principle studies

Project pre-requisites

- The project is linked to an active Unitec technology commercialization case.
- The technology has future commercial potential.
- The technology is not sufficiently developed for commercialization.
- The grant would, in principle, allow substantial progress towards commercialization.
- Related IP must not bear potentially conflicting third party interest.
- Innovator's management line must support innovator's work related to the technology.
- The project has not previously been financed through a INNOGAP grant.
