

# The UNIGAP proof-of-principle fund

## What is UNIGAP?

Unitec created the UNIGAP proof-of-principle fund to help you move your research toward practical implementation.

Unitec distributes up to 3 UNIGAP grants of up to 30'000CHF each per year to UNIGE innovators.

## Which projects are eligible for UNIGAP grants?

- The building of prototypes or demonstrators
- Proof-of-principle studies

## Project pre-requisites

- The project is linked to an active Unitec technology commercialization case.
- The technology has future commercial potential.
- The technology is not sufficiently developed for commercialization.
- The grant would, in principle, allow substantial progress towards commercialization.
- Related IP must not bear potentially conflicting third party interest.
- Innovator's management line must support innovator's work related to the technology.
- The project has not previously been financed through a UNIGAP grant.

## How to apply
