Applications are invited for:

Two doctoral (PhD) positions (70%, 4 years), with flexible starting date between September and December 2024

The successful applicants will work with Prof. Dr. Evie Vergauwe on a research project funded by the Swiss National Science Foundation (SNSF), and study working memory in young adults and children.

We offer:

- Work in a friendly, open, and supportive international research team
- Mentoring and support for pursuing a research career
- Excellent lab infrastructure
- Training in Open Science and Reproducible Research techniques and procedures
- Opportunity to collaborate with other labs (Switzerland and abroad)
- Opportunity to participate in large-scale international collaborations
- Teaching and supervision opportunities
- Salary according to SNSF regulations

Desired profile:

- Master's degree in Psychology or a related discipline
- Experience with experimental psychology research in young adults and/or children
- Background in cognitive psychology and/or cognitive developmental psychology
- Very good research methods knowledge and skills
- Interest in pursuing an academic career
- Very good command of English (written and oral)
- Basic knowledge of French, or willingness to learn some basic French
- Willingness to travel (for conferences and/or international collaborations)
- Team spirit, and strong interpersonal and collaborative skills
- Programming skills (e.g., R, Psychopy) will be considered an advantage

Offices and Lab location:

Our lab and offices are located in Geneva, Switzerland (Uni-mail, 40 Boulevard Pont d'Arve). One needs to be willing to move to Switzerland for the time of the contract.

Application

Please send your application in English or French, as a single PDF (including your CV, a copy of your highest academic diploma, a cover letter describing your research interests, previous experience, career goals, and motivation to apply for this position, and the contact information of two references) per email to: Lorraine.Dubuis@unige.ch. Please mention "CANDOC position VERGAUWE" in the subject line of the email.

Deadline: May 17, 2024, but applications will continue to be considered until the positions are filled.

Information/Questions

Applications need to be addressed to Lorraine.Dubuis@unige.ch

Questions can be addressed to Evie.Vergauwe@unige.ch

Applications from women and underrepresented groups are highly encouraged
