CONDITIONS OF REGISTRATION

www.unige.ch/conditions/MA

ADMISSION CONDITIONS

A Bachelor's degree in Educational Sciences. Program also open to holders of Licence, Bachelor's, and Master's degrees from other institutions, subject to recommendation from the Program Committee and validation of a Complementary Certificate in adult education defined by a specific curriculum in the framework of the Bachelor's degree in Educational Sciences, as well as to holders of the continuing education diploma Adult Education - Analysis, Management, and Development.

Master's Programme

EDUCATION - ADULT EDUCATION

The Master in Education - Adult Education gives students the skills necessary to meet the needs of professional settings that provide adult education. These skills include: defining an individual's training needs based on his/her professional and life experience, and providing the necessary educational support; analysing professional and educational settings to determine their specificities and the skills they require; understanding an institutional environment and its needs; designing, implementing and evaluating training programmes; completing a project as part of a team; organising and leading a working group.

This Master's programme also prepares students for scientific research in the field of adult education.

STUDY PROGRAMME

4 semesters (max. 6 semesters) | 120 ECTS credits

Thematic courses (36 credits)

- Adults, education and learning trajectories
- Activity assessment, training and education
