

Martin Beniston : Conference Lists / Listes des conférences (in English only / en anglais uniquement)

Invited speaker at international meetings Orateur-invité à des colloques internationaux	Speaker at international meetings Orateur à des colloques internationaux	Invited speaker at Swiss meetings Orateur-invité à des colloques suisses	Speaker at Swiss meetings Orateur à des colloques suisses	Public events, policy advice Conférences grand-public, conseils pour décideurs
<p>259> 30 Years of Climate COPs, Geneva, Switzerland, September 24, 2025</p> <p>258> Climate Change as a psychological stress factor. Annual assembly of the French Association of Neurosciences and Psychiatry, Paris, France, June 13, 2024</p> <p>257> Using the example of the IPCC for developing a global One Health program. Geneva International Health Forum, Geneva, Switzerland, May 3, 2022</p> <p>256> Video link from Geneva to the COP-26 meeting in Glasgow, UK, to present a video and reply to questions regarding Mountain Water Resources in a Changing Climate. Geneva, Switzerland, November 2, 2021</p> <p>255> Climate change, mountain water resources, and impacts on socio-economic sectors. On-line guest contribution to the International Conference HIGH SUMMIT COP26 in advance of the COP26 meeting in Glasgow (November, 2021). Organized by the EvK2CNR consortium at the Minoprio Foundation, Como, Italy, September 24, 2021</p>	<p>39 > Assessing water resources in vulnerable mountain regions: the objectives of the EU/FP7 "ACQWA" Project. Copenhagen Climate Conference, Copenhagen, March 10, 2009</p> <p>38 > The August-2005 flood event in Switzerland. Poster at the European Geosciences Union General Assembly, Vienna, Austria, April 6, 2006 (Convenor of Session CL-13 on "Extreme Climatic Events and their Impacts")</p> <p>37 > Winter heat waves in the Alps. European Geosciences Union General Assembly, Vienna, Austria, April 27, 2005 (Convenor of Session CL-12 on "Extreme Climatic Events and their Impacts")</p> <p>36 > The 2003 Heat Wave in the perspective of 20th and 21st century climates. WCRP-sponsored workshop on Regional Climate Modeling, University of Lund, Sweden, March 29-31, 2004</p> <p>35 > Extremes of the North Atlantic Oscillation and their influence on Alpine climate. Canadian Meteorological and Oceanographic Society General</p>	<p>105> Round-table seminar on the possibility of a carbon-neutral aviation sector. Seminar in the context of the 100th Anniversary of Geneva Airport, Geneva, Switzerland, December 17, 2020</p> <p>104> Climate models, their functioning, successes, and limitations. Guest Lecture at the Swiss Federal Institute of Technology (EPFL), Lausanne, Switzerland, March 13, 2018</p> <p>103>Data and statistical methods in climate research. Guest Lecture at the Canton of Vaud Statistics Office, Lausanne, Switzerland, November 15, 2016</p> <p>102>Overview of climatic change issues. Guest Lecture at the Geneva Center for Security Policy (GCSP), Geneva, Switzerland, October 24, 2016</p> <p>101>Potential impacts of climate change on Human Health. Vaud Society of Medicine meeting, Lausanne, Switzerland, September 15, 2016</p> <p>100>An overview of climatic change and climate impacts. Short Course on Climate and Economics, The</p>	<p>17 > ProClim Forum on the links between climate change and finance/insurance, Rüschlikon, Switzerland, Jan. 29-30, 1996</p> <p>16 > ProClim Forum on the results of the IPCC Second Assessment Report, Bern, Switzerland, Dec. 8, 1995</p> <p>15 > Société de Physique et d'Histoire Naturelle, Geneva, Switzerland, Nov. 10-11, 1995</p> <p>14 > Colloquium of the Swiss Meteorological Institute, Zürich, Switzerland, Oct. 5, 1995</p> <p>13 > Annual Meeting of the Swiss Academy of Sciences, St. Gallen, Switzerland, Sep 8, 1995</p> <p>12 > Workshop on Climate Impacts Assessment for Switzerland, Joint BUWAL/ProClim organization, Bern, Switzerland, Jun 22, 1995</p> <p>11 > Public seminar organized by SIA, Sion, Switzerland, Mar. 31, 1993</p>	<p>218> Current knowledge on climatic change and climate impacts. Public conference, Institut National Genevois, Geneva, Switzerland, April 04, 2023</p> <p>217> Round-table discussion on whether a solution to the climate crisis is to migrate to other planets. With Michel Mayor (2019 Physics Nobel Prize), Claude Nicollier (Swiss astronaut), and Sylvia Ekström, astrophysicist. Salon du Livre (International Book Fair), Geneva, Switzerland, March 26, 2023.</p> <p>216> Public conference on climate impacts, Carouge/Geneva, Switzerland, September 29, 2022</p> <p>215> Climate change and climate impacts. High school lecture, Pully, Switzerland, May 24, 2022</p> <p>214> Latest scientific update on climatic change and climate impacts. Guest lecture at the Geneva Rotary Club, Geneva, Switzerland, April 28, 2022</p> <p>213> Discussions with the public following the screening of the film “Animal” in the context of the</p>

254> Changing hydro-electricity supply and demand in the Alpine Region in a warming climate, on-line guest seminar with Hong Kong University, Hong Kong, February 5, 2021	Assembly, Rimouski (Quebec), Canada, May 22-25, 2002	University of Geneva, Switzerland, September 5, 2016.	10 > ERCOFTAC meeting, EPFL, Lausanne, Switzerland, Feb. 4, 1993	Green Film Festival 2022. Rolle, Switzerland, March 11, 2022
253> The Alps, Europe's water tower today and in a future climate. Conference on "Europe and Climatic Change", Université Grenoble-Alps, Grenoble, France, November 29, 2019	34 > Shifts in the distributions of pressure, temperature and moisture in the alpine region on response to the behavior of the North Atlantic Oscillation. American Geophysical Union General Assembly Meeting, San Francisco, California, USA, Dec. 15 - 19, 2000	99>Data and climate modeling: A necessary but not sufficient condition for good predictions. SITG 25th anniversary meeting, Geneva, Switzerland, April 19, 2016.	9 > Centro Svizzero di Calcolo Scientifico, Lugano-Manno, Switzerland, Dec. 1, 1992	212> Is climate change more dangerous than the COVID_19 pandemic? Guest talk at the association "Stelliens Vaudois", Lausanne, Switzerland, December 11, 2021
252> Climate research: Where can Artificial Intelligence help? Guest speaker at the University of Hong-Kong, January 8, 2019	33 > American Geophysical Union General Assembly Meeting: Climatic Change at High Elevation Sites; An Overview, San Francisco, California, USA, Dec. 6 - 10, 1998 (Initiator and Chairman of Special Session "Atmospheres-14" at this Conference)	98 > Changing water availability in Alpine rivers in a changing climate. Guest lecture at the edition of the "Premières Rencontres du Léman", Geneva, Switzerland, October 2, 2015	8 > NFP-31 Workshop on Climate Scenarios for the Alpine Regions, Bern, Switzerland, Oct. 22, 1992	211> Towards a CO2-neutral aviation? Round-table discussions in the context of the 100 th anniversary of Geneva Airport. Geneva, Switzerland, December 17,2020
251> Mountain Water Resources in a Changing Climate. Guest Speaker at the Conference "Université des Alpes", Annecy, France, October 19, 2018	32 > American Geophysical Union General Assembly Meeting: Altitudinal dependency of the correlation between sunshine duration and daily temperature range, San Francisco, California, USA, Dec. 6 - 10, 1998	97 > Bifurcations in the climate system. Laser Weather Control Conference, Geneva, Switzerland, September 22, 2015	7 > European Science Foundation meeting on EuroClimHist, Bern, Switzerland, Sep. 4, 1992	210> Storms under current and future climate. Guest lecture at the Cruising Club Switzerland (CCS), Lausanne, Switzerland, March 4, 2020
250> Changing water resources in glaciated mountains. Conference on "Globalizing Polar Issues: High Altitudes Meet High Latitudes". Crans-Montana, Switzerland, September 11, 2017.	31 > American Geophysical Union General Assembly Meeting: Alpine Snow Cover and Links to the North Atlantic Oscillation Index, San Francisco, California, USA, Dec. 8 - 12, 1997	96 > Climate extremes and their impacts on human health. Swiss Public Health Conference, Geneva, Switzerland, September 17, 2015	6 > SPEEDUP Meeting, CSCS Supercomputing Center, Lugano, Switzerland, Mar.19 - 20, 1992	209> Climate change and its consequences for Society. Guest lecture for the Masters in European & International Governance (MEIG), Geneva, Switzerland, February 18, 2020
249> Climatic change and impacts on Socio-Economic Systems. Guest lecture and round-table discussant, Annual Meeting of the "Family Business Network International, the NEXTGEN", chaired by, and in the presence of, former US Vice-President Al Gore. Geneva, Switzerland, July 7, 2017.	30 > American Geophysical Union General Assembly Meeting: Regional Climate Modeling in Switzerland, San Francisco, California, USA, Dec. 8 - 12, 1997	95 > Climate implications of the switch from nuclear electricity generation to non-nuclear as decided by the Swiss Government following the Fukushima accident in 2011. CleanTech Conference, Valais Engineering School, Sion, Switzerland, September 4, 2015	5 > POLLUMET Colloquium, ETHZ, Zürich, Switzerland, Apr. 19 1991	208> An overview of current knowledge on climatic change and climate impacts. Guest lecture for the British-Swiss Chamber of Commerce (BSCC), Geneva, Switzerland, February 4, 2020
248> Climatic change and impacts on natural vegetation: Implications for Botanical Gardens.		94 > The need to act on climate. Conference on Ethics and Climate,The University of Geneva, Switzerland, November 28, 2014	4 > Journée de présentation du CRAY-2, EPFL, Lausanne, Switzerland, Nov. 23, 1988.	207> Lecture on climate change and impacts. Grain de Sel, Lausanne, Switzerland, December 9, 2019
			3 > 4th Meeting on Climatology and Meteorology, Bern, Switzerland, Nov. 4 - 6, 1988.	206> Lecture on climate change and impacts. Cité Seniors, Geneva, Switzerland, December 7, 2019
			2 > NFP-14 Colloquium, Zürich, Switzerland, Mar. 17, 1988.	
			1 > 3rd ALPEX-CH Colloquium, Zürich, Switzerland, Mar. 16, 1988.	

<p>Closing lecture, Global Botanic Gardens Congress, Geneva, Switzerland, June 30, 2017.</p> <p>247> Mountain water resources and climatic change. Guest lecture, United Nations Economic Commission for Europe (UNECE), Geneva, Switzerland June 29, 2017.</p> <p>246> Mountain water resources and climatic change. Guest lecture, United Nations seminar, Geneva, Switzerland, April 12, 2017.</p> <p>245> Water resources in a changing climate: adaptation of socio-economic sectors. Guest lecture, City University, Hong Kong, May 10, 2017.</p> <p>244> Addressing the COP-21 Paris Climate Accord. Guest lecture, United Nations seminar, Geneva, Switzerland, April 12, 2017.</p> <p>243> Rain-on-snow events, floods and climate change in an Alpine Catchment. Riederalp-2017 Workshop on Risks and Hazards under Multiple Stress Factors, including Climate Change. Riederalp, Switzerland, March 21-25, 2017.</p> <p>242> Rain-on-snow episodes in the Alps and implications for floods. Current situation and future outlook. Guest Lecture, University of Quebec at Montreal and Ouranos Consortium, Montreal, Québec, Canada. January 25, 2017.</p>	<p>29 > Extreme climatic events and variability, GCOS Meeting, Asheville, North Carolina, USA, Jun 3-6, 1997</p> <p>28 > IBFRA (International Boreal Forest Research Association) Conference on Climate Change, Biodiversity, and Boreal Forest Ecosystems, Joensuu, Finland, Jul 31 - Aug 3, 1995</p> <p>27 > Workshop on Downscaling Techniques in the Alpine Region, Bad Tölz, Germany, Jun 28, 1995</p> <p>26 > First Open Conference on Human Dimensions of Global Environmental Change, Duke University, Durham, North Carolina, USA, Jun 1 - 3, 1995</p> <p>25 > AGU Fall General Assembly Meeting, San Francisco, California, Dec. 5 - 10, 1994</p> <p>24 > International Specialty Conference on Global Climate Change: Science, Policy, and Mitigation Strategies, Phoenix, Arizona, Apr. 8 - 11, 1994</p> <p>23 > AGU Fall General Assembly Meeting, San Francisco, California, Dec. 6 - 10, 1993</p> <p>22 > Global Change Coordinators Workshop on Climate Impact Models, Bedford, UK, Mar. 10-12, 1992 (ProClim organization)</p>	<p>93 > Climatic change and impacts on health. Swiss Society of Nephrology, Geneva, Switzerland, October 4, 2012</p> <p>92 > Current and future extreme events: Examples from the Swiss Alps. University of Berne, Switzerland, May 4, 2011</p> <p>91 > Fundamentals of Climate Modeling. MeteoSwiss Seminar, WMO, Geneva, Switzerland, March 18, 2009</p> <p>90 > Climatic change impacts on snow and hydrology. Master of Advanced Studies lecture at ETH-Zurich, Switzerland, November 14, 2008</p> <p>89 > Extreme events in a warmer climate: Examples from Europe and the Alps. Guest seminar, Department of Geography, University of Bern, Switzerland, October 29, 2008</p> <p>88 > Climatic change and its links to humanitarian problems. Guest seminar, Conference on Climate Change and Humanitarian Action, Geneva, Switzerland, June 5, 2008</p> <p>87 > Climatic change and impacts on Alpine water resources. Guest seminar, Department of Hydro-geology, University of Neuchâtel, Switzerland, March 31, 2008</p>	<p>205 > Lecture on climate change and climate impacts. Information and brain-storming session with the Canton of Fribourg government. Seedorf, Switzerland, November 13, 2019.</p> <p>204 > Lecture on climate change and climate impacts. Information session prior to the second round of the Swiss Federal Elections. Rolle, Switzerland, November 6, 2019.</p> <p>203 > A short summary on climate change. Special Seminar in honor of Henry Jacoby (MIT) on the eve of the <i>Doctor Honoris Causa</i> title awarded to him by the University of Geneva. Geneva, Switzerland, October 10, 2019.</p> <p>202 > Lecture on climate change and climate impacts. Evening organized by the Association of PhD students of the University of Lausanne. Lausanne, Switzerland, October 10, 2019.</p> <p>201 > Lecture on climate change and climate impacts. Information session prior to the Swiss Federal Elections. Fribourg, Switzerland, September 26, 2019.</p> <p>200 > Lecture on climate change and climate impacts. Information session prior to the Swiss Federal Elections. Grandson, Switzerland, September 12, 2019</p> <p>199 > School lecture on climate change and impacts. Collège Calvin, Geneva, Switzerland, September 7, 2019</p>
--	---	---	--

<p>241> Implementation of COP-21 and examples of climate impacts that are likely despite the Paris Accord on climate. Guest Lecture, University of Quebec at Rimouski, Québec, Canada. January 19, 2017.</p> <p>240> Overview of principles of climate modeling. Guest Lectures, Ecole Centrale, Lyon, France, November 17, 2016.</p> <p>239> Climatic change and impacts on French regions. Guest Lecture in the context of the future Natural Regional Park of the Aubrac, Nasbinals, France, November 2, 2016.</p> <p>238> Projections of future changes in mid-latitude and tropical storms. EUCC Conference on Coastal Zones, Biarritz, France, October 26-28, 2016.</p> <p>237 > Emerging results from the EU/FP7 "ACQWA" Project. Water Forum at the Singapore International Water Week (SIWW), Singapore, July 10-14, 2016.</p> <p>236 > Mountain water resources in a changing climate. Guest seminar in the context of the Summer School on Alpine Ecology. Schaan, Liechtenstein, July 1, 2016.</p> <p>235 > Upstream-downstream links for water availability and use. Foresight Exploratory Workshop on the "Future of Water", Pisa, Italy, April 11-13, 2016.</p>	<p>21 > Second Meeting of Global Change Coordinators, Zermatt, Switzerland, Sep. 18-20, 1991 (ProClim organization)</p> <p>20 > Second World Climate Conference, Geneva, Switzerland, Oct. 29 - Nov. 3, 1990 (Member Working Group 5)</p> <p>19 > EUROMECH-266 Conference on Flow over Complex Terrain, Bologna, Italy, Aug. 29 - 30, 1990</p> <p>18 > First Meeting of Global Change Coordinators, Bildhoven, Netherlands, Aug. 21 - 23, 1990</p> <p>17 > Conference on Sustainable Development, Science and Policy, Bergen , Norway , May 7 - 12, 1990</p> <p>16 > 5th International Symp. on Numerical Methods in Engineering, EPFL, Lausanne, Switzerland, Sep. 11 - 15, 1989.</p> <p>15 > EURASAP Meeting on modeling of transport and dispersion of Tchernobyl release. Vienna, Austria, Nov. 14 - 16 1988. (Chairman Session 4).</p> <p>14 > 3rd Conference on Mesoscale Processes, Vancouver, Canada, Aug. 22 - 26, 1987</p> <p>13 > IUGG/IAMAP, Vancouver, Canada, Aug. 12 - 21, 1987.</p>	<p>86 > Alpine climate change and impacts. Guest seminar, Culture et Rencontre Conference Series, Geneva, Switzerland, February 6, 2008</p> <p>85 > Climatic impacts on the Swiss environment. Guest seminar, Swiss Bird Monitoring Station (“Vogelwarte”), Sempach, Switzerland, December 5, 2007</p> <p>84 > Climatic change: key issues and impacts on the Alps. Seminar on Sustainable Development Issues, University of Lausanne, May 24, 2007</p> <p>83 > The physics of climate and climatic change. Guest seminar, Physics Department, University of Geneva, Switzerland, May 8, 2007</p> <p>82 > Interactions between climate and cities. FIFEL-07 Conference, Swiss Federal Institute of Technology (EPFL), Lausanne, Switzerland, March 28, 2007</p> <p>81 > Modeling of climate extremes and outlook to 2100. Guest seminar, Physics Department, University of Geneva, Switzerland, January 15, 2007</p> <p>80 > The usefulness of a new Swiss weather observation network for climate studies. Guest seminar, MeteoSwiss, Payerne, Switzerland, November 15, 2006</p>	<p>198 > Short conference on issues of climatic change and conflicts, at the start of the first Peace Dinner Event led by Genève en Fête, Geneva, Switzerland, August 20, 2019</p> <p>197 > Climatic change and its impacts on the Alps. Presentation for the professional training school ETML, Lausanne, Switzerland, June 28, 2019</p> <p>196 > Climate change: current knowledge and solutions. Rotary Club, Nyon, Switzerland, April 5, 2019</p> <p>195 > Round table discussion on hurricanes. Festival Science & Cité, Geneva, Switzerland, March 30, 2019</p> <p>194 > Round-table discussion on climate impacts. Festival Science & Cité, Geneva, Switzerland, March 29, 2019</p> <p>193 > Public discussion with the film “1818” on the Giétroz Catastrophe. Carouge, Switzerland, March 25, 2019</p> <p>192 > Round table debate on climate change and energy strategies in Switzerland. Cercle du Marché, Vevey, Switzerland, March 12, 2019</p> <p>191 > Round table debate on climate change and sustainability in the tourism and hotel industry. Ecole Hôtelière de Lausanne, Lausanne, Switzerland, February 6, 2019</p>
---	--	---	---

<p>234 > Mountain hydropower supply in a changing climate. 4th Harvard Academic Forum, Harvard University, Boston, United States, March 20-22, 2016.</p> <p>233 > Changing mountain water resources in a warming climate. International Cryosphere Workshop, Riederalp, Switzerland, March 15-19, 2016.</p> <p>232 > What expectations of COP-21 in Paris. Guest seminar, UNITAR Workshop on Climate Diplomacy, Geneva, Switzerland, November 4, 2015.</p> <p>231 > Climate change: what does a change of 1 or 2°C/century really mean?. Green Cross International conference on a Green and Inclusive Economy, Geneva, Switzerland, September 6-7, 2015.</p> <p>230 > Data issues in the climate change context. UN-ECE Meeting on data issues for climate-related statistics, Geneva, Switzerland, September 2, 2015.</p> <p>229 > An overview of issues pertaining to mountain vulnerability and resilience to global change. Session Convener for "Mountain Water Resources", International Conference "Our Common Future under Climate Change", Paris, France, July 7-10, 2015.</p>	<p>12 > Eurotrac/Alptrac Technical Seminar, Rauris, Austria, Sep. 16 - 17, 1986</p> <p>11 > International Conference of the Society for Optical Engineering, Tucson, USA, Mar. 3 - 6, 1986</p> <p>10 > European Geophysical Society Meeting. Louvain-la-Neuve, Belgium, Jul. 30 - Aug. 4, 1984.</p> <p>9 > International Conference on Mesoscale Meteorology. Melbourne, Australia, Febr. 6 - 10, 1984.</p> <p>8 > 18th General Assembly of the International Union of Geodesy and Geophysics. Hamburg, West Germany, Aug. 15 - 26, 1983.</p> <p>7 > Journées de la Recherche Atmosphérique. Toulouse, France, Jun. 21 - 24, 1983.</p> <p>6 > 13th Technical Conference on Hurricanes and Tropical Meteorology. Miami, USA, Dec. 1 - 5, 1980.</p> <p>5 > Research seminars, University of Québec in Montreal, Montreal, Canada, Nov. 27, 1980.</p> <p>4 > Journées de la Couche Limite Atmosphérique. Marseille, France, Mar. 19 - 21, 1979.</p> <p>3 > Conference on Meteorology over Tropical Oceans. London, England, Aug. 21 - 25, 1978.</p>	<p>79 > Basic issues of climatic change. Guest seminar, Graduate Institute for International Studies, Geneva, Switzerland, November 7, 2006</p> <p>78 > Energy and climatic change. Guest seminar, University of Geneva, Switzerland, November 2, 2006</p> <p>77 > Environmental refugees. Guest Seminar, AGEPOLY Student Association, EPF-Lausanne and University of Lausanne, Switzerland, June 12, 2006</p> <p>76 > Regional climate modeling: techniques and projections. Masters course at EPF-Lausanne, Switzerland, May 23, 2006</p> <p>75 > Impacts of climatic change on Switzerland. FEDRE Forum for local city authorities, Geneva, Switzerland, May 20, 2006</p> <p>74 > Interactions between climatic change and snow. Masters course at ETH-Zürich, Switzerland, May 19, 2006</p> <p>73 > Interactions between cities and climate. Guest seminar at EMPA (Swiss Federal Materials Testing Agency), Dübendorf, Switzerland, May 9, 2006</p> <p>72 > Climatic change and health impacts. Swiss Society of Allergology, Montreux, May 4, 2006</p> <p>71 > Climate models: how they work and what they predict for the 21st century. Guest lecture in the</p>	<p>190 > Round table debate on climate change and solutions. High school debate series, Nyon, Switzerland, January 29, 2019</p> <p>189 > Difficulties in establishing cause-to-effect relationships between climate change and conflicts. Public Lecture, Centre Inter-régional de Perfectionnement (Adult Further Education Center), Tramelan, Switzerland, October 17, 2018.</p> <p>188> Climate change and Alpine Water Resources. Guest lecture at the Geneva Astronomical Society, Geneva, Switzerland, May 23, 2018</p> <p>187> Panel discussions on climate change following the screening of an environmental movie entitled “This Changes Everything”. Ferney-Voltaire, France, March 10, 2018</p> <p>186> Impacts of climate change on the hydropower sector in the Alps. Guest lecture for the 10th Anniversary of VITEOS, the Canton of Neuchâtel energy utility. Neuchâtel, Switzerland, October 19, 2017.</p> <p>185>Climate Science versus Social Networks. Guest lecture during the Week of Sustainability, Geneva Airport, Switzerland</p> <p>184>Farewell lecture in preparation for my retirement on July 31, 2017. The University of Geneva, Switzerland, June 12, 2017</p>
--	--	--	---

228 > Mountain water resources under climate change. Ninth Symposium for European Freshwater Sciences, Geneva, Switzerland, July 6, 2015.

227 > Increases in the ratios of the numbers of maximum and minimum temperature records in Europe, despite a slowdown in mean temperature rise. International Union of Geodesy and Geophysics (IUGG) quadriennial meeting, Prague, Czech Republic, June 30, 2015.

226 > An overview of the "PlanetSolar DeepWater" expedition of 2013. World Ocean Day meeting, World Meteorological Organization, Geneva, Switzerland, June 8, 2015.

225 > Climate issues at the eve of COP-21 in Paris. UN-ECE Meeting, Geneva, Switzerland, June 5, 2015.

224 > The behavior of warm and cold record days in Europe since 1950. International Workshop on Climate Extremes, Adaptation, and Policy, Riederalp, Switzerland, March 24-28, 2015.

223 > Climate impacts on cities. UN-ECE and UNIGE joint meeting on „Building resilient communities through urban planning and the integration of the Natural Sciences", Geneva, Switzerland, January 13, 2015.

222 > Ratios of record high to record low temperatures in Europe exhibit sharp increases since 2000 despite a slowdown in the rise of mean

2 > Journées de Recherche Atmosphériques. Palaiseau, France, Mar. 15 - 17, 1978.

1 > 11th Technical Conference on Hurricanes and Tropical Meteorology, Miami , USA, Dec. 11 - 16, 1977.

context of the ECOMONT project, Lausanne, Switzerland, April 11, 2006

70 > The interactions between climate and cities. Guest lecture at the University of Geneva, Switzerland, January 13, 2006

69 > Climatic change and the risks for the global financial sector. Guest seminar at the Annual General Assembly of the Credit Suisse Asset Management, Lausanne-Ouchy, Switzerland, December 6, 2005

68 > Climatic extremes and their links to human health. Guest seminar at the Institute for Social and Preventive Medicine, The University of Basel, Switzerland, November 8, 2005

67 > Global change research: links between Switzerland and developing countries. KPFE Seminar on Synergies between Science and North-South Development Activities, Bern, Switzerland, September 22, 2005

66 > Current and future heat waves in Europe. Workshop on Climate Scenarios for Switzerland, ETH-Zurich, Switzerland, September 30, 2005

65 > Climatic change and possible impacts on health and allergies. Essex Pharmaceuticals seminar, Lausanne, Switzerland, May 19, 2005

183>Climate change and its impacts. Guest lecture during a continuing-education course for political science actors. The University of Geneva, Switzerland, June 7, 2017

182>Climate change and its impacts. Guest lecture at the annual meeting of the Industrial Services of the City of Yverdon. Yverdon, Switzerland, March 30, 2017

181>Climate change and its impacts. Lecture during a continuing-education course for agriculture specialists, Morges, Switzerland, March 26, 2017

180>Climate change and the implementation of COP-21. Lecture for secondary-school teachers continuous education seminar, Geneva, Switzerland, February 21, 2017

179>Climate change and implications for trade and commodities. Swiss Research Institute on Commodities (SRIC), Geneva, Switzerland, February 9, 2017

178>Climate change and implications for small and local communities. Association for Environmental Protection (PUSCH) colloquium, Lausanne, Switzerland, February 2, 2017

177>Mountain water resources by 2100. University of the Third Age, Francophone Section, Bern, Switzerland, April 14, 2016

<p>temperatures. Accepted for oral presentation, Fall General Assembly Meeting of the American Geophysical Union (AGU), San Francisco, United States, December 15-19, 2014.</p> <p>221 > Similarities in mountain-related water resources between Europe and China: the example of the EU "ACQWA" project. China-Europe Forum, Green Cross International, Geneva, Switzerland, December 4, 2014.</p> <p>220 > Development of scenarios for basin-scale water management. UN-ECE 5th Workshop on Adaptation to Climate Change in Transboundary Basins. UN Headquarters, Geneva, Switzerland, October 15, 2014.</p> <p>219 > Shifts in water resources in a changing climate. Some results of the EU “ACQWA” project with a specific focus on the Swiss Alps. 5th International Conference on Climate and Water in Mountains, organized under the Italian Presidency of the Alpine Convention. Trento, Italy, September 25, 2014.</p> <p>218 > Environmental and socio-economic impacts of changing mountain water resources. Guest Lecture at the Academia Europea Annual General Assembly Meeting, Barcelona, Spain, July 16-18, 2014.</p> <p>217 > Modeling strategy used in the EU/FP7 "ACQWA" Project to assess shifts in hydrology in mountain regions where snow and ice is a major component of the hydrological cycle (Poster).</p>		<p>64 > Extreme events and their impacts on water. Guest seminar, CEAZA Arid Zones Research Center, La Serena, Chile, December 1, 2009</p> <p>168 > Climatic extremes and their evolution in a warmer climate. Guest seminar, University of Chile in Santiago, November 30, 2009</p> <p>167 > The scientific issues underlying COP-15 in Copenhagen. Video-Conference with Swissnex Boston, November 20, 2009</p>		<p>5 > Closing Lectures of NFP-14, Swiss National Program on Atmospheric Pollution in Switzerland, Zürich, Switzerland, Jul. 14, 1989.</p> <p>4 > Physikalisches Institut,University of Bern, Bern, Switzerland, Jan 16, 1989.</p> <p>3 > Seminare zur Atmosphärenphysik, ETH-Zentrum, Zürich, Switzerland, Feb. 9, 1987.</p> <p>2 > Ecole Polytechnique Fédérale, Lausanne, Switzerland, Jul. 11, 1983</p> <p>1 > Ecole Polytechnique Fédérale, Lausanne, Switzerland, Jun. 3, 1982.</p>		<p>118 > Climatic change and its impacts on Switzerland. Guest lecture for Connaissances-3, University of the 3rd Age, La-Tour-de-Peilz, Switzerland, November 3, 2008</p> <p>117 > The human factor in the climate change debate. Guest lecture for the "Cercle des Amitiés Internationales", Geneva, Switzerland, October 30, 2008</p> <p>116 > Interactions between climate and forests. Teacher-training course for high-school teachers, Geneva, Switzerland, October 15, 2008</p> <p>115 > Integrating climatic change in the context of Humanitarian Aid. Guest Lecture for the Master of Advanced Studies on Humanitarian Action, Geneva, Switzerland, October 15, 2008</p> <p>114 > Climate and cities. Agenda-21 meeting of the Citys of Geneva, Geneva, Switzerland, October 13, 2008</p> <p>113 > The complexity of the climate system. Guest lecture at the Institut National Genevois (ING), Geneva, Switzerland, October 1, 2008</p> <p>112 > Climate, economics and policy. Guest lecture at the Graduate School for International Studies and Development (HEID), Geneva, Switzerland, September 30, 2008</p>
--	--	--	--	---

166 > Extreme events emerging from the EU-FP6 "ENSEMBLES" Project. Presentation at the Final Conference of the EU-FP6 "ENSEMBLES" Project (www.ensembles-eu.org), Exeter, UK, November 17-18, 2009

165 > Arctic processes and their importance in the climate system. Guest seminar at the Museum for Natural History, Torino, Italy, November 13, 2009

164> Climate and societal change. International Conference on Climatic Change and Impacts on Society. Guest lecture at the Graduate Institute for International Studies and Development HEID), Geneva, Switzerland, October 8, 2009

163> The urgency to act with respect to climatic change. Guest lecture of Green Cross International, in the presence of **Mikhael Gorbatchev** and **UN Secretary-General Ban ki-Moon**, Geneva, Switzerland, October 5, 2009

162 > Understanding processes of water vulnerability and adapting to changing water resources. Side-event organized by the climate group at the University of Geneva in the context of the 3rd World Climate Conference, Geneva, Switzerland, September 2, 2009

161 > Water resources in vulnerable mountain regions. Poster presentation during the 3rd World

111 > The climate system and the possible consequences of a rapidly changing climate. WWF continuing education course on Environment and Sustainability, University of Lausanne, Switzerland, September 26, 2008

110 > Climate impacts on Swiss UNESCO World Heritage Sites. Guest conference, Commune of Chardonne, Switzerland, September 4, 2008

109 > Uncertainty in climate predictions. Guest seminar, Graduate School for International and Development Studies (HEID), Geneva, Switzerland, September 1, 2008

108> Climatic change, from the global to the local perspective. Guest seminar, Pro Riviera association, Vevey, Switzerland, June 4, 2008

107 > Climatic impacts in the Alps. Guest Seminar, EAWAG (Swiss Federal Research Institute on Water), Dübendorf, Switzerland, May 9, 2008

106 > Climate, oceans, and changing ocean climates. Guest seminar, Swiss Sailing Association CCS, Geneva, Switzerland, April 17, 2008

105 > Impacts of climatic change on the River Rhône and the Lake of Geneva. Guest seminar at the General Assembly Meeting of the Association for the Protection of Lake Geneva (ASL), Geneva, Switzerland, April 16, 2008

<p>Climate Conference, Geneva, Switzerland, September 2, 2009</p> <p>160 > Post-Kyoto requirements. A round-table discussion with MEDIA-21, in the context of the 3rd World Climate Conference, Geneva, Switzerland, August 31, 2009</p> <p>159> Environmental stock-taking: where we are and where we want to go. Green Pioneering Summit, Verbier, Switzerland, August 2, 2009</p> <p>158 > Extreme climate and weather events in Europe and the Alps for current and greenhouse climates. Latsis Foundation Summer School, Athens, Greece, July 13, 2009</p> <p>157 > Potential impacts of climatic change on mountain water resources. Conference Ev-K2-CNR: Mountains: Energy, water and food for life, conclusion of the EU-SHARE Project, Milano, Italy, May 27, 2009</p> <p>156 > Climatic change - beyond the IPCC Fourth Assessment Report. Meeting on Climatic Change, the Defining Challenge of our Time. HEC (Hautes Etudes Commerciales), Paris, May 5, 2009</p> <p>155 > Climatic change and impacts in the Black Sea Basin. Guest lecture in the context of the first meeting of the new EU-FP7 EnviroGRIDS project</p>				<p>104 > Societal changes in Switzerland in a changing climate. Guest lecture at the Spring General Assembly of HOTELA, the pensions association of the Swiss hotel industry, Montreux, Switzerland, April 10, 2008.</p> <p>103 > Complexity, chaos, and non-linear systems. Guest seminar, University Hospital, Lausanne, Switzerland, April 9, 2008</p> <p>102 > Impacts of climatic change on natural reserves and Heritage Sites. Guest seminar, IUCN, Gland, Switzerland, April 8, 2008</p> <p>101 > Climatic change and the human factor in the system. High school seminar organized by GLOBE (Global Learning and Observation to Benefit the Environment) and the Science&Cité Foundation, Lausanne, Switzerland</p> <p>100 > Climatic change and its impacts on Europe. Guest seminar for the European Forum, Coppet, Switzerland, April 2, 2008</p> <p>99 > Climatic change and its impacts on cities and landscape. ETH-Zurich Seminar in Architecture, ETH-Zurich, March 6, 2008</p> <p>98 > Climate information for environmental impacts in natural reserves in the Alps. ASTER (Association of Natural Reserves of Savoie, France), Museum of Natural History, Geneva, Switzerland, January 25, 2008</p>

Conference on Mountains as Early Indicators of Climatic Change, Padua, Italy, April 18, 2008				82 > Climatic impacts in the Alps. Public and local policy information seminar, Boège, France, October 5, 2007
142 > Entering into the “greenhouse century”: recent Swiss record temperatures comparable to upper quantiles in a greenhouse climate. European Geosciences Union General Assembly Meeting, Vienna, Austria, April 14, 2008 (also convenor of Session CL19 dedicated to "Extreme Climatic Events and Impacts").				81 > Climate as a driver of human evolution. Historical Society of Neuchatel, Neuchatel, Switzerland, October 3, 2007
141 > Climatic change and mountain environments. Guest seminar in the context of the exhibition on climatic change at the Natural History Museum, Turin, Italy, April 4, 2008				80 > A summary of the IPCC 4th Assessment Report, focus on mountain regions. ProClim Information Day on the IPCC AR4, Berne, Switzerland, September 5, 2007
140 > Shifts in extreme climates by 2100. QUEST (Quantifying and Understanding the Earth System) Conference, Winchester, UK, March 18, 2008				79 > Planning for climatic change in the emergency medical community. Guest seminar at Médecins Sans Frontières (MSF), Geneva, Switzerland, June 29, 2007
139 > Potential of remote sensing for assessing climate impacts in the Alps. EURAC Conference on Applied Remote Sensing in Mountain Regions, Bolzano, Italy, March 13, 2008				78 > The IPCC-2007 Report and Implications for Switzerland. Guest seminar at the General Assembly of the "Green Party", Geneva, Switzerland, June 27, 2007
138 > The Physics of the Climate System. Guest lectures at the University Claude-Bernard, Lyon, France, March 4, 2008				77 > An overview of the social and economic consequences of climatic change in Switzerland. Festival for Sustainable Development, Geneva, Switzerland, June 9, 2007
137 > Two lectures at the European Short Course on Atmospheres(ERCA-2008) on Extreme Climatic				76 > Two round-table discussions on climate issues in the context of the International Conference on Disaster Reduction, Geneva, Switzerland, June 6, 2007 and June 8, 2007
				75 > A summary of the key findings of the IPCC WGI and WGII Report. International Environment Day,

Events and on Water Resources in a Changing Climate. Grenoble, France, January 28, 2008				Environment House, UNEP, Geneva, Switzerland, June 5, 2007
136 > How close are the recent record seasons observed in Switzerland to those projected by 2100? EU-ENSEMBLES General Assembly, Prague, Czech Republic, November 14, 2007				74 > Alpine climatic change. High School Seminar, Bulle, Switzerland, May 29, 2007
135 > Causes of climatic change and regional modeling of future climate and environmental impacts. Research seminar at the Ecole Nationale des Eaux et Forêts / ENGREF, Nancy, France, October 25, 2007				73 > Climatic change and society. Guest seminar at the Institute for Social Worker Training (HETS-GE), Geneva, Switzerland, May 14, 2007
134 > Natural and anthropogenic forcing of climate: current knowledge and uncertainties. FORCE Seminar (Forest Resources in a Changing Environment), Freiburg-im-Breisgau, Germany, October 8, 2007				72 > The climate system and its impacts. College for Social Work (Haute Ecole de Travail Social), Geneva, Switzerland, May 14, 2007
133 > Modeling of extreme events in a warming climate. Guest lecture at the WCRP Scientific Steering Committee Meeting, WMO, Geneva, Switzerland, September 13, 2007				71 > Impacts of climatic change in the Alps. High school presentation, Neuchâtel, May 4, 2007
132 > Regional climate modelling: Applications to desertification issues. Wengen-2007 Workshop on Climate and Desertification, Wengen, Switzerland, September 10-13, 2007				70 > Technological solutions to limit the risks of climatic change. Guest seminar for the Alumni of EPFL (Swiss Federal Institute of Technology, Lausanne), Lausanne, April 24, 2007
				69 > An overview of climatic change and its impacts. WWF Continuing Education Certificate on Environment and Development, Lausanne, Switzerland, March 31, 2007
				68 > Energy and climatic change. Guest lecture at the Geneva Cantonal Energy Authority, Geneva, Switzerland, December 15, 2006
				67 > Shifts in extreme climates in a warmer global climate. Guest lecture at the Fribourg Society for

<p>131 > Understanding extreme climatic conditions. Guest lecturer at the Summer School of the "Coimbra Group of Universities", Bergen, Norway, July 2, 2007</p> <p>130 > Humanitarian action in the face of climatic change. Annual Assembly of the UN Office for the Coordination of Humanitarian Action (OCHA), Montreux, Switzerland, June 26, 2007</p> <p>129 > Climatic change, droughts and desertification. International Forum on Drought, Sevilla, Spain, June 17-20, 2007</p> <p>128 > Environmental security of large urban areas. UCLA seminar on Security in Europe and Eurasia, Los Angeles, USA, June 1, 2007</p> <p>127 > Extreme events, where do they come from and how will they evolve by 2100. WMO-WCRP Side Event in the context of SBSTA-26, Bonn, Germany, May 7, 2007</p> <p>126 > Hydrology in the Alps under changing climatic conditions. French Hydrological Society General Assembly, Lyon, France, March 27, 2007</p> <p>125 > Climatic change and its impacts on ski tourism in the Alps. 103 > Climatic extremes in a changing climate: examples from the Swiss Alps. Sino-Swiss Workshop on Environment and Sustainable Development, Beijing, China, November 20-21, 2005				37 > Climatic change and its impacts on health. Guest lecture for medical staff at the Fribourg Cantonal Hospital. Fribourg, Switzerland, October 8, 2003
102 > Education in the climate sciences: the example of Research Theme RT8 of the EU-ENSEMBLES Project. European Meteorological Society, Utrecht, The Netherlands, September 15, 2005				36 > Future water resources in the Alps in a changing climate. Guest lecture for the Advanced Course on Biodiversity organized by the University of Geneva. Gletsch, Switzerland, September 5, 2003
101 > Extreme Events and their impacts on Human Health. Wengen-2005 "10th Anniversary Edition" Workshop on Climate, Climatic Change, and Human Health. Wengen, Switzerland, September 12-14, 2005 (Principal organisor in collaboration with IRI-New York, WHO-Roma, and the EU-ENSEMBLES Project)				35 > Water resources in the Alpine environment. A tribute to the work by Prince Sadruddin Aga Khan and the Bellerive Foundation. Gstaad-Lauenen, Switzerland, August 15, 2003
100 > Climatic extremes and their impacts: a view from the European Alps. Guest seminar at the UK Met Office and Hadley Center, Exeter, United Kingdom, July 28, 2005				34 > The consequences of climatic change for Switzerland. Guest seminar organized by the Swiss Foreign Affairs Department for young diplomats. Bern, Switzerland, June 26, 2003
99 > Extreme events in the Alpine region. Guest seminar at the Romanian Academy of Sciences, Bucharest, Romania, June 30, 2005				33 > Climatic change and it impacts on human health. Guest seminar organized by the Fribourg Medical Association "Respirer". Fribourg, Switzerland, June 17, 2003
98 > Heat extremes in Europe in current and greenhouse climates. 1st Meeting on Improving				32 > Climatic change and water resources. Guest conference in the context of "2003: International Year of the Mountains", organized by the District of the Veveyse, Canton of Fribourg. Châtel St Denis, Switzerland, June 11, 2003

Public Health Responses to Extreme Weather, World Health Organization, Rome, Italy, June 20, 2005

97 > Water resources in the Alps in a changing climate. Guest seminar, University of Erlangen, Germany, June 8, 2005

96 > Issues related to the economic costs of extreme events. EU-ENSEMBLES Workshop on Impacts Studies and Climate Model Outputs: Synergies and Challenges, Evora, Portugal, May 9-11, 2005

95 > Extreme events and consequences for environmental systems. Guest seminar at the National University of Singapore, March 21, 2005

94 > Implications of climatic change for the hydrological cycle and for water resources. Lecture at the European Research Course on Atmospheres (ERCA-2005), Grenoble, France, February 1, 2005

93 > Weather extremes in a changing climate. Lecture at the European Research Course on Atmospheres (ERCA-2005), Grenoble, France, January 31, 2005

92 > The physics of climate. Series of Masters-level lectures for the "Physics and Environment" course at the University Claude Bernard (Lyon-1), Lyon, France, January 17-18, 2005

31 > Climatic change and its influence on parasites. Advanced course for PhD students, University of Neuchâtel, Neuchâtel, Switzerland, May 19, 2003

30 > Knowledge and uncertainty in addressing climatic change issues. Guest seminar, Swiss Engineers and Architects Association (SIA), Fribourg, Switzerland, March 19, 2003

29 > Public debate on the science and policy related to climatic change. Association des Jeunes Dirigeants d'Entreprise (Young Commercial Directors' Association), Fribourg, Switzerland, January 16, 2003

28 > Café Scientifique, meeting with the public on issues related to climate, climatic change, impacts and policy, with Prof. A. Guisan (University of Lausanne) and Dr. J. Romero (Swiss Negotiator for the Climate Convention, Swiss Agency for Environment, Forests and Landscape, Bern), Fribourg, Switzerland, Dec. 12, 2002

27 > Population migrations in response to environmental change, from the past to the future. Seminar on Environmental Risks, "Swiss Solidarity" (Chaîne du Bonheur), Bern, Switzerland, November 27, 2002

26 > The impacts of climatic change in the Alpine regions. Guest seminar, Association of Alumni of Professional Schools and Colleges, Geneva, Switzerland, November 25, 2002

91 > Extreme events in a chaging climate. Guest seminar at the Ecole Normale Supérieure, Paris, France, January 10, 2005

90 > Climatic change and its impacts on the hydrological cycle and water management. Guest seminar for the German Student's Association, Bad Leibenzell, Germany, January 6, 2005

89 > Climatic change and its impacts in the Himalayan Region. Conference of the Ramsar Convention on water and wetlands, Evian, France, November 3, 2004

88 > Contributor to the final Workshop of the EU FP5 "MICE" Workshop. MICE: Modeling the Impacts of Climate Extremes, final Workshop, Florence, Italy, October 28-29, 2004

87 > Climatic change and its implications for local planning. Guest seminar at the Commune of Lyon-Caluire, France, September 28, 2004

86 > Agricultural risks related to climatic change. General Assembly of CICA (Confédération Internationale du Crédit Agricole), Nicosia, Cyprus, September 27, 2004

85 > A view of alpine environments in the 21st century. AlpForum Conference, Kranjska Gora, Slovenia, September 22, 2004

25 > The Kyoto Protocol and its impacts on the reduction of global warming. Research seminar, Graduate School for International Studies, Geneva, Switzerland, November 14, 2002

24 > Climatic change: a view from Switzerland. Public and ministerial briefing conference on the occasion of the launching of the Austrian climate program, AustroClim. Vienna, Austria, November 7, 2002

23 > The Sciences and understanding of risk. Annual meeting of the Academia Europaea, Lisbon, Portugal, October 10-12, 2002

22 > Energy and climate in a warming world. Annual General Assembly of CLIMA-SUISSE (Swiss Association of Engineers for Ventilation Systems in Buildings), Yverdon, Switzerland, June 14, 2002

21 > The Kyoto Protocol: Can it really work? Forum on Rio, 10 years after, and the Kyoto Protocol, Fribourg, Switzerland, May 16, 2002

20 > Press forum on population migrations in response to environmental change. International Book Fair (Foire Internationale du Livre et de la Presse), Geneva, Switzerland, May 4, 2002

19 > High School Seminar on the Issues of Climatic Change, Gymnase de Nyon, Nyon, Switzerland, May 3, 2002

<p>84 > Introducing dissemination of information and training into the EU-ENSEMBLES project. First General Assembly of the ENSEMBLES project, Hamburg, Germany, September 15-17, 2004</p> <p>83 > Regional climatic change and its impacts in the European Alps. First conference of the International Association of Broadcast Meteorologists, Barcelona, Spain, June 5, 2004</p> <p>82 > Mechanisms and impacts of the 2003 heat wave in Europe, General Assembly of the European Geosciences Union (EGU), Nice, France, April 25-30, 2004; Convenor of Session CL13 on "Extreme Climatic Events, their Evolution, and their Impacts"</p> <p>81 > The physics of extreme climatic events. Guest lecture at the Department of Physics, University Claude-Bernard, Lyon, France, March 4, 2004</p> <p>80 > Impacts of climatic change on alpine hydrology and water resources. Guest lecture at the Department of Hydrology, University Joseph-Fourier, Grenoble, France, February 5, 2004</p> <p>79 > Three invited lectures on climate issues (extremes and impacts). European Research Course on Atmospheres (ERCA), Grenoble, France, February 4-5, 2004</p>				<p>18 > The mechanisms of changing climates over time, Fribourg Astronomical Society, Fribourg, Switzerland, April 10, 2002</p> <p>17 > Climatic change impacts in Africa. Seminar series of the Institute for Ethical Studies, University of Fribourg, Fribourg, Switzerland, January 10, 2002</p> <p>16 > The functioning, observation and prediction of weather. Union Vaudoise d'Astronomie, Yverdon, Switzerland, December 7, 2001</p> <p>15 > What insurers need to be wary of in terms of climatic change. PartnerRe Reinsurance Company, Agricultural Risk Seminar, Diessenhofen, Switzerland, August 27, 2001</p> <p>14 > The Lotharwindstorm of december 1999 and its impacts on forests. Perspectives for future storms in a warmer world. AlpAction-Chopard Seminars, Gstaad-Lauenen, Switzerland, July 20, 2001</p> <p>13 > Global warming and energy: an overview. General Assembly of RegioGaz (Gas Utility of the Canton of Jura), Delémont, Switzerland, June 7, 2001</p> <p>12 > Forum and Press Conference on the Third Assessment Report of the Intergovernmental Panel on Climate Change (IPCC), Bern, Switzerland, March 19, 2001</p> <p>11 > Guest Conference on the Social, Political and Environmental Aspects of Climatic Change, WWF</p>
--	--	--	--	---

<p>78 > The 2003 heat wave: A shape of things to come? Invited lecture of the Royal Meteorological Society, London, UK, January 21, 2004</p> <p>77 > The record heat wave of 2003 in Europe. Guest lecture at the EU-MICE 5th Workshop, Poznan, Poland, January 14, 2004</p> <p>76 > Regional Climatic Change in Europe. A joint meeting of the Wengen Workshops on Global Change Research, the EU-PRUDENCE project annual meeting, and the Exploratory Workshop Series of the European Science Wengen, Switzerland, September 29-October 3, 2003. Initiator and principal organisor of the conference</p> <p>75 > The behavior of the alpine snow-pack in a changing climate: a key to future water resources in Europe. International Conference on the Impact of Global Environmental Problems on Continental and Coastal Marine Waters. Geneva, Switzerland, July 17- 18, 2003</p> <p>74 > Climatic change and it impacts on heat waves, wind storms and floods.ONERC conference (Office National sur les Effets du Réchauffement Climatique - French National Office for the Effects of Global Warming). Paris, France, June 23-24, 2003</p> <p>73 > An overview of issues related to climate model outputs and their use in economic impact</p>				<p>General Assembly, La Chaux-de-Fonds, Switzerland, March 14, 2001</p> <p>10 > Graduate Seminar on the Natural and Socio- Economic Influence of Global Change in the Alps, Institut Universitaire Kurt Boesch, Sion, Switzerland, January 22, 2001</p> <p>9 > High School Seminar on the Issues of Climatic Change, Gymnase de Sion, Sion, Switzerland, January 15, 2001</p> <p>8 > Guest seminar on climate change and its impacts, University of Geneva (IUHEI - Graduate Institute of International Studies), Geneva, Switzerland, Nov 8, 2000</p> <p>7 > Parliamentary briefing session on the Impacts of Climate Change in Switzerland, Bern, Switzerland, 20.06.2000</p> <p>6 > Concepts of Time. Academia Europea Meeting, Prague, Czech Republic, 15-17.06.2000</p> <p>5 > Cours Populaire sur l'Environnement, Le réchauffement climatique: Causes et conséquences, Geneva, Switzerland, 21.03.2000</p> <p>4 > General Assembly of the Swiss Society for Large Dams: Klimaveränderungen; Welche Risiken für Wasserressourcen, Bern, Switzerland, 16.03.2000</p>
---	--	--	--	--

assessments. Workshop on Coupling Climate and Economic Dynamics, Montreal, Canada, May 2, 2003

72 > Extreme climates and their impacts. Joint General Assembly of the European Geophysical Society and the American Geophysical Union (EGS-AGU-EUG), Nice, France, April 7-11, 2003. Convenor of Session CL13 on "Extreme Climatic Events, their Evolution, and their Impacts"

71 > Defining climatic extremes in terms of frequency and intensity in a warming climate. Guest seminar, Free University of Berlin, Berlin, Germany, February 3, 2003

70 > Sensitivity of snow cover and duration in the Swiss Alps to climatic variability. 5ème Rencontre de la Météo - Montagne (5th Annual Meeting on Weather in Mountains), L'Alpe D'Huez, France, December 14, 2002

69 > Remote-sensing data and atmospheric modeling: from local air pollution to global climatic change. Heraeus-Foundation Seminar, Bonn/Bad Honnef, Germany, October 14-15, 2002

68 > Climatic extremes and their impacts. Climate Research Seminar, International Center for Theoretical Physics, Trieste, Italy, October 1-5, 2002

67 > Quantifying Terrestrial Carbon Sinks: Science, Technology and Policy, Wengen, Switzerland,

3 > Impacts financiers des changements climatiques. Séminaire professionnel de la Compagnie Suisse de Réassurances, La Chaux-de-Fonds, Switzerland, June 16, 1998

2 > Geography seminar series, University of Fribourg, on Chaos and Applications to Geography, Fribourg, Switzerland, Nov. 5, 1997

1 > Financial impacts of climatic change. Professional seminar of the Swiss Reinsurance Company, La Chaux-de-Fonds, Switzerland, Jun 17, 1997

September 25-28, 2002. Initiator and principal
organisor of the conference

66 > Water resources in Europe by 2100. Planning
Seminar for EU Framework Program 6, Hamburg,
Germany, May 13-14, 2002

65 > Behavior of snow in the Alps: climatic change
and other large-scale forcings, University of Reading,
England, March 25, 2002

64 > Climate and climatic change in the Swiss Alps:
From the 20th to the 21st Century, Climatic Research
Unit, University of East Anglia, England, March 22,
2002

63 > Climate in mountain regions: from the 20th to
the 21st Century. Guest seminar, Universidad
Politecnica de Madrid, Madrid, Spain, March 6, 2002

62 > Risks associated with climatic change. NATO
Advanced Research Workshop, Moscow, Russian
Federation, January 28-31, 2002

61 > Extreme climatic events and their impacts. First
meeting of the EU Project "PRUDENCE", Helsingor,
Denmark, December 3-5, 2001

60 > User consultation meeting. European Space
Agency (ESA) meeting on Earth Explorers, Granada,
Spain, October 30-31, 2001

59 > Extreme climatic events: a consequence of non-compliance with the Kyoto Protocol? Workshop on Monitoring and Modeling of the Carbon Cycle, JRC-Ispra, Italy, October 19, 2001

58 > Environmentally-forced migrations: an overview. International Workshop on Environmental Change and Population Migrations, Wengen, Switzerland, September 19-21, 2001. Initiator and principal organisor of the conference

57 > Global change in mountain regions: Challenges for the 21st Century. International Conference on Climatic Change at High Elevation Sites, Davos, Switzerland, June 25-27, 2001

56 > Non-linearities in climate. IGBP (International Geosphere-Biosphere Program) Workshop on non-linearities in global environmental change, Duke University, Raleigh-Durham, North Carolina, USA, May 27-29, 2001

55 > Co-Convenor of the European Geophysical Society General Assembly Meeting, session on Climatic Extremes, their Simulation, Observations and Impacts, Nice, France, March 29, 2001

54 > Linking socio-economic and physical approaches to water resources in a changing global climate. European Forum for Integrated Environmental Analysis (EFIEA) Policy Workshop, Paris, France, October 25-27, 2000

53 > Water resources in a changing global climate. Wengen-2000 Workshop on Climatic Change: Implications for the Hydrological Cycle and for Water Management, Wengen, Switzerland, September 26-29, 2000. Initiator and principal organisor of the conference

52 > Comment réagir face aux changements climatiques dans les régions de montagne. Conference MIES (Mission Interministérielle de l'Effet de Serre, Office of the French Prime Minister), Chamonix, France, 29-30.06.2000 (President of the Scientific Organizing Committee)

51 > Guest seminar: Le climat des Alpes, du passé au futur. University of Quebec, Montreal, Canada, 19.04.2000

50 > World Meteorological Organization 50th Anniversary Conference: The North Atlantic Oscillation, El Nino's young cousin, WMO-Geneva, Switzerland, 23.03.2000

49 > Workshop on the Social and Economic Impacts of Climatic Extremes: How to adapt to climatic extremes in the natural environment, Amsterdam, The Netherlands, 14-16.10.1999

48 > ACACIA Workshop: Briefing of members of the European Commission on the Impacts of Climate Change on Europe, Brussels, Belgium, 12.10.1999

47 > International Workshop on Remote Sensing and Climate Models: Synergies and Limitations. Les Diablerets, Switzerland, 20-24.09.1999 (Co-initiator of the Workshop with Prof. M. M. Verstraete, Joint Research Center of the European Commission, Ispra, Italy)

46 > International Workshop on Global Change in Protected Areas: Environmental Change in Mountains and Uplands. A review of the 1995 report of the Intergovernmental Panel on Climate Change, L'Aquila, Italy, 08.09.1999-13.09.1999 (Co-organisator of the meeting)

45 > Soirées Scientifiques de Villeurbane, "El Niño: Le Courant de l'Effet de Serre?", Lyon, France, Feb. 9, 1999

44 > International Workshop on Biomass Burning and its Inter-Relationships with the Climate System , Wengen, Switzerland, Sep 28 - October 2, 1998 (Co-initiator of the Workshop with Prof. M. M. Verstraete, Joint Research Center of the European Commission, Ispra, Italy, and Prof. J. L. Innes, Swiss Federal Institute for Forest, Snow and Landscape Research, Birmensdorf, Switzerland)

43 > International Workshop on the Role of Orography in Climate. International Center for Theoretical Physics, Trieste, Italy, June 22 - 25, 1998

42 > A Farewell Seminar for the retirement of Prof. Lucien Tessier, Laboratory for Mediterranean Dendrochronology, Marseille, France, Mar. 13, 1998

41 > An Overview of Environmental Change in Mountains. Conference on Global Threats to the Australian Snow Country, Jindabyne, Australia, Feb. 17 - 19, 1998

40 > Ministerial briefing and conference. Climatic change in the Alps: A review prior to the Kyoto COP-3 meeting, Vienna, Austria, Nov 26, 1997

39 > International Workshop on the Impacts of Climate Variability on Forests , Wengen, Switzerland, Sep 22 - 26, 1997 (Co-initiator of the Workshop with Prof. J. L. Innes, Swiss Federal Institute for Forest, Snow and Landscape Research, Birmensdorf, Switzerland)

38 > Modeling and parameterization of surface processes in climate models. Summer School of the Department of Meteorology of Eötvös Lorand University, Budapest, Balatonalmadi, Hungary, Sep 1 - 3, 1997

37 > Economic and social impacts for mountain communities. Meeting of the International Partnership of Small Communes linked by the Climate Change Agenda, Pfunds, Austria, Aug 21, 1997

36 > Regional modeling of climatic change in the Alpine region. 5th Canadian Regional Climate Modeling Workshop, Montreal, Canada, Feb 26-28, 1997

35 > Guest seminar on ecological changes in mountain regions, University of Marseille, Laboratory for Mediterranean Dendrochronology, Marseille, France, Dec 16, 1996

34 > International Workshop on High Resolution Climate Modeling , Wengen, Switzerland, Sep 23 - 26, 1996 (Co-initiator of the Workshop with Prof. L. Bengtsson, Max-Planck Institute for Meteorology, Hamburg, Germany)

33 > Special Seminar organized by the Austrian Council on Climate Change, "Austria in a Changing Climate", Vienna, Austria, June 13, 1996

32 > International Workshop on Climatic Change at High Elevation Sites, Wengen, Switzerland, Sep. 11 - 15, 1995 (Two presentations; Co-initiator of the Workshop with Prof. R. S. Bradley, University of Massachusetts, and Dr. H. F: Diaz, NOAA; Boulder, Colorado)

31 > Joint NEC-ETHZ Workshop, Tokyo and Tsukuba, Japan, May 11 - 12, 1995

30 > Workshop on Climate Change, Scenarios, and Impacts in Central and Eastern Europe, Budapest, Hungary, Nov. 28 - 30, 1994

29 > Summer School of the Hungarian Meteorological Service, Balatonalmadi, Hungary, Sep. 5 - 7, 1994

28 > International Geographic Union, Prague, Czech Republic, Aug. 22 - 26, 1994 (Chairman of Session on Regional Climate Change and Variability, and presentation of paper on Aug. 24)

27 > Department of Meteorology, Eötvös Lorand University, Budapest, Hungary, Mar. 3, 1994

26 > Research Seminar, INRIA, Sophia-Antipolis, France, Dec. 1, 1993

25 > International Workshop on Climate Change and Variability, San José, Costa Rica, Mar. 1 - 3, 1993

24 > Institut für Experimentalphysik, Freie Universität Berlin, Berlin, Germany, Feb. 22, 1993

23 > International Conference on Mountain Environments in Changing Climates (Principal organiser of th Conference + Chairman Session 7), Davos, Switzerland, Oct. 11 - 16, 1992

22 > International Conference on Alpine Meteorology, Toulouse, France, Sep. 9 - 11, 1992

(Keynote address and Member of the Scientific Organizing Committee)

21 > IPCC Exchange Seminar, South Pacific Regional Environmental Programme Workshop on Sea-Level Rise, Nouméa, New Caledonia, Apr. 6-10, 1992

20 > Institut für Meteorologie, University of Hannover, Hannover, West Germany, Nov. 14, 1991.

19 > Seminarios de Investigacion, University of Gran Canaria, Las Palmas, Spain, Nov. 22 1990

18 > Institut für Experimentalphysik, Freie Universität Berlin, West-Berlin, Germany, Jul. 4, 1990

17 > Seminarios de Investigacion, Technical University of Catalunya, Barcelona, Spain, May 2, 1990

16 > Institut für Meteorologie, University of Hannover, Hannover, West Germany, Nov. 1, 1988.

15 > Special Environmental Health Engineering Seminar, Northwestern University, Chicago-Evanston, USA, May 20, 1988.

14 > ICEA-87, EPFL, Lausanne, Switzerland. (Principal organiser+ Chairman Session 3). Mar. 6 - 10, 1987.

13 > DFLVR, Institut für Atmosphären Physik, Oberpfaffenhofen near München, West Germany, Jun. 18, 1984.

12 > Workshop on cloud organization. University of Utrecht, Utrecht, Netherlands, May 24 - 25, 1984.

11 > Institut für Meteorologie, University of Hannover, Hannover, West Germany, Jan. 17, 1984.

10 > Institut for Theoretical Meteorology. University of Copenhagen, Copenhagen, Denmark, Dec. 20, 1983.

9 > Workshop on convection in large-scale models. European Centre for Medium-Range Weather Forecasrs (ECMWF), Reading, England, Nov. 28 - Dec. 1, 1983.

8 > GKSS Forschungszentrum (Nuclear Research Institute). Geesthacht, West Germany, Nov. 8, 1983.

7 > Symposium on the KonTur Experiment. Hamburg, West Germany, Oct. 30 - Nov. 3, 1983.

6 > Alfred-Wegener-Institut für Polarforschung (Polar Research Institute). Bremerhaven, West Germany, Nov. 30, 1982.

5 > Office National de la Météorologie, Alger, Algeria, Mar. 22, 1982.

4 > Office National de la Météorologie, Oran, Algeria,
Mar. 21, 1982.

3 > Max-Planck-Institut für Meteorologie, Hamburg,
West Germany, May 12, 1981.

2 > Université du Québec, Rimouski, Canada, Jul. 7 -
9, 1980.

1 > Institut für Meteorologie, University of Hannover,
Hannover, West Germany, May 9, 1979.
