METHODOLOGY AND TOOLS FOR INFORMATION RETRIEVAL

Swisscovery

Discover the Library's catalog and the SLSP network

24.3 12:15-13:15 **Online**

Generative AI

Explore useful academic tools for your literature search

4.3 12:15-13:45 **Online**

The basis for boosting your literature search with general purpose tools

26.3 14:15-15:45 **Uni Mail**

Introduction to literature search for the Faculty of Humanities

Methodology and research tools for the Humanities

3.3 12:15-13:45 **Online**

Biomedical Systematic Review

Introduction to the method and tools

2.3 10:15-10:45 **Online**

Systematic or Scoping Review – what type of review should I choose ?

23.3 10:15-10:45 **Online**

Identify databases and adapt your search strategies

30.3 10:15-10:45 **Online**

PRISMA – a standard

4.5 10:15-10:45 **Online**

Endote or Zotero – which steps?

18.5 10:15-10:45 **Online**

Introduction to systematic reviews in Social sciences, Education sciences and Psychology

7.5 10:15-11:45 **Uni Mail**

FOCUS ON...

DATABASES

Consensus, explore scientific literature using AI

2.3 9:00-9:15 **Online**

3.3 9:00-9:15 **Online**

23.3 9:00-9:15 **Online**

30.3 14:00-14:15 **Online**

27.4 9:00-9:15 **Online**

Dynamed vs UpToDate

2.4 14:00-14:15 **Online**

MLA International Bibliography

The bibliographic database for languages and literatures around the world

10.3 12:15-13:15 **Online**

PubMed

Optimize your literature search with advanced search tools

16.2 10:15-11:15 **Online**

11.3 10:15-11:15 **Online**

1.6 10:15-11:15 **Online**

MeSH It Up, in 15 minutes

6.3 9:00-9:15 **Online**

18.5 14:00-14:15 **Online**

OPEN ACCESS AND PUBLICATION

Archive ouverte UNIGE

The basics and beyond

	11.3	10:15-10:45	Online
	31.3	14:15-14:45	Online
	6.5	10:15-10:45	Online
	4.6	14:15-14:45	Online

Stand out and boost your academic visibility with ORCID

	28.4	14:15-15:00	Online
---	-------------	-------------	--------

Predatory publishing

Identify (and avoid) predatory journals and conferences

	21.5	14:15-15:00	Online
---	-------------	-------------	--------

In 15 minutes

3 things to know about Open Access before submitting your article

	5.3	9:00-9:15	Online
	22.4	9:00-9:15	Online

Opening up your scientific contributions thanks to Creative Commons licenses

	19.3	9:00-9:15	Online
	19.5	14:00-14:15	Online

Open Access publishing at no cost thanks to UNIGE agreements

	27.3	14:00-14:15	Online
	27.4	14:00-14:15	Online

Facilitating your article searches with the Unpaywall plugin

	21.4	9:00-9:15	Online
---	-------------	-----------	--------

RESEARCH DATA

Introduction to research data

Managing your Data well

3.3 10:15-11:00 **Online**

SNSF (and CUREG) Data Management Plan (DMP)

How to fill it and what information to include?

5.3 10:15-11:45 **Uni Mail**

23.4 10:15-11:45 **Online**

11.5 14:15-15:45 **Online**

Research data licensing

13.4 14:15-14:45 **Online**

How to archive and share your data

24.4 14:15-14:45 **Online**

12.5 12:15-12:45 **Online**

Depositing your research data in Yareta

Getting started with the institutional tool

4.5 14:15-15:45 **Online**

Data analysis with Pandas & Jupyter notebooks

28.5 14:15-16:00 **Uni Mail**

In 15 minutes

Managing your research data in accordance with the FAIR principles

 **20.2** 9:00-9:15 **Online**

5.5 9:00-9:15 **Online**

Organize and name your files efficiently

4.3 9:00-9:15 **Online**

 **29.4** 14:00-14:15 **Online**

Describing to (Re)Discover Information

16.3 14:00-14:15 **Online**

Where to store your data during your research?

 **24.3** 14:00-14:15 **Online**

26.3 9:00-9:15 **Online**

Anonymizing personal/sensitive data

25.3 9:00-9:15 **Online**

Visibilize the work you've invested in your data thanks to a Data Paper or a Data Statement

22.5 9:00-9:15 **Online**

Find funding for your research with Pivot-RP

 **28.5** 9:00-9:15 **Online**

How to register?

All sessions require registration. To register, go to unige.ch/-/biblio/formation.

Where do the courses take place?

Site Uni Arve : Schmidheiny Library (Sciences II)

Site Uni Mail : Library, room M2220

Site Uni CMU : Library

Online : mainly via Zoom (some sessions via Teams)

What languages are used for the courses?

Sessions marked with the logo  are in English if required; all others are in French. If you would like another session in English, please send us your request and we will respond according to availability.

Another question?

Contact us at biblio-formation@unige.ch.
