

MARCH 27th – APRIL 12th, 2017

SCIENCES II
30, Quai Ernest-Ansermet

my Science Career Days

THE SCIENCE CAREERS FAIR

workshops | one-to-one sessions | panel discussions | professional encounters

For its 4th edition, the **Science Careers Fair** of the University of Geneva is evolving!

Join us to benefit from an extensive professional training programme and participate in **3 panel discussions** addressing strategic themes critical to the scientific world.

It's a great opportunity to learn about diverse career prospects, to develop your network with employers and recruiters, and to prepare for future applications and job interviews by joining interactive workshops or individual consultations.

The Uni-emploi team together with the Faculty of Science are looking forward to welcoming many of you at my Science Career Days 2017!

MY PRESENTATION

60 SECONDS TO PRESENT MYSELF

WORKSHOP IN FRENCH

Approaching professionals with a view to network or gain useful insights is unavoidable in today's job market context. In this workshop, you will learn how to present yourself with clarity in 60 seconds so as to create a lasting positive impact on your interlocutor.

📅 **TUE, MARCH 28TH**
🕒 **6:15 – 8:00 PM**
📍 **SCIENCES III – 0009/0013**

SUCCEEDING IN MY JOB INTERVIEWS

WORKSHOP

Job interviews are a delicate yet compulsory step towards getting employed. All the advice needed to prepare for and succeed in your future interviews.

IN FRENCH: 📅 **MON, MARCH 27TH**
🕒 **12:15 – 2:00 PM**
📍 **SCIENCES III – 1S059**

IN ENGLISH: 📅 **TUE, MARCH 28TH**
🕒 **12:15 – 2:00 PM**
📍 **SCIENCES II – A300**

MOCK JOB INTERVIEW

ONE-TO-ONE SESSION

As a complement to the workshop, you can practice this essential skill through a mock interview and receive comprehensive and transparent feedback. It is strongly recommended to have attended the workshop first. You will need to bring printed copies of your CV and of the job ad you wish to practice to the consultation.

📅 **THU, APRIL 6TH and FRI, APRIL 7TH**
🕒 **10:00 AM – 5:15 PM**
📍 **SCIENCES III – HALL**

MY APPLICATION

OPTIMISING MY JOB APPLICATION

WORKSHOP IN FRENCH

A tailored CV and covering letter are vital for landing a job. Learn what sections to include and how to write them, the pitfalls and how to avoid them.

📅 **MON, MARCH 27TH**
🕒 **6:15 – 8:00 PM**
📍 **SCIENCES III – 1S059**

CRAFTING AN EFFECTIVE INDUSTRY APPLICATION FOR PHDS

WORKSHOP IN ENGLISH

Writing a top quality covering letter and CV are crucial to getting an interview. This presentation is designed for PhD students looking to forge a career in business or industry. Through exercises and examples, it aims to help students develop a more critical approach towards their own CV, enabling them to refine it throughout their career.

📅 **WED, MARCH 29TH**
🕒 **12:15 – 2:45 PM**
📍 **SCIENCES II – A100**

CV REVIEW

ONE-TO-ONE SESSION

You can benefit from an individual consultation to get feedback on your curriculum vitae. It is strongly recommended to have attended one of the workshops and to have thoroughly prepared in advance for this one-to-one session. You will need to bring a printed copy of your CV to the consultation.

📅 **from MON, APRIL 3RD to WED, APRIL 5TH**
🕒 **10:00 AM – 5:15 PM**
📍 **SCIENCES III – HALL**

MY E-PROFILE

CREATING MY LINKEDIN PROFILE

TUTORIAL

LinkedIn is your new business card. With the help of our online tutorial, build and optimise your profile to ensure you make the best possible first impression to potential employers.

After that, join the workshop « Job-hunting on LinkedIn » to learn how to use this platform to find a job.

JOB-HUNTING ON LINKEDIN

WORKSHOP IN FRENCH

LinkedIn is unavoidable in today's job market. Designing your job-hunt strategy via LinkedIn: build your network, communicate effectively and identify potential jobs and companies you want to be part of. Creating a LinkedIn profile is covered in a separate tutorial.

📅 **THU, MARCH 30TH**
🕒 **12:15 – 2:00 PM**
📍 **SCIENCES II – A150**

LINKEDIN PROFILE REVIEW

ONE-TO-ONE SESSION

Once you have completed your LinkedIn profile with the help of our online tutorial, you can benefit from further advice by signing up to a one-to-one session with a LinkedIn expert. You will need to have completed your LinkedIn profile before the consultation. Please bring along your login data. A computer will be provided onsite.

📅 **WED, APRIL 5TH and THU APRIL 6TH**
🕒 **10:00 AM – 5:15 PM**
📍 **SCIENCES III – HALL**

PANEL DISCUSSIONS

YOUR ACADEMIC STUDIES OPEN UP MULTIPLE PROFESSIONAL PERSPECTIVES!

Check it out by joining the three panel discussions dedicated to career prospects in the field of science. Meet professionals sharing your academic background, and learn from their experience and advice. Discuss and network during the drinks that follow each panel discussion. Testimonies from the various speakers will help you grasp a better picture of key functions across those fields, understand what "their daily life at work" entails and identify future employment opportunities.
