# A History of Law and Lawyers in the GATT/WTO

## The Development of the Rule of Law in the Multilateral Trading System

Edited by Gabrielle Marceau

## About this publication

How did a treaty that emerged in the aftermath of the Second World War and which barely survived its early years evolve into one of the most influential organizations in international law? This unique book brings together original contributions from an unprecedented number of eminent current and former GATT and WTO staff members, including many current and former Appellate Body members, to trace the history of law and lawyers in the GATT/WTO and explore how the nature of legal work has evolved over the institution's sixty-year history. In doing so, it paints a fascinating portrait of the development of the rule of law in the multilateral trading system, and allows some of the most important personalities in GATT and WTO history to share their stories and reflect on the WTO's remarkable journey from a 'provisionally applied treaty' to an international organization defined by its commitment to the rule of law.

Contributions from a wide range of current and former GATT and WTO staff, as well as members of the Appellate Body, provide unprecedented insights into legal work in the multilateral trading system, as experienced by a wide range of persons.

*"The establishment of the WTO in 1995 is widely regarded as a major milestone in modern international law. As our Organization marks its twentieth anniversary, this book paints an interesting and sometimes surprising portrait of the evolution of the role that law and lawyers have played throughout the history of the multilateral trading system. [...] I commend this book to anyone with an interest in international law or international trade. It is a fascinating look back at a crucial element of the trading system – and one which should inspire us as we look forward to the challenges ahead."*

*Roberto Azevêdo  
WTO Director-General*

# Contents

---

1 Introduction and overview  
GABRIELLE MARCEAU, AMELIA PORGES AND DANIEL ARI BAKER

2 Moving towards an international rule of law? The role of the GATT and the WTO in its development  
JENNIFER HILLMAN

**PART I The role of law and lawyers in the GATT system: 1948–92**

---

**Infancy: reflections on the origins of legalisation in the GATT**

3 We were young together: at the GATT, 1956–58  
PAUL LUYTEN

4 Law and lawyers in the multilateral trading system: back to the future  
PETER WILLIAMS

5 Legal work in the GATT, 1969–91  
STUART ROBINSON

6 A short history of the Rules Division  
GABRIELLE MARCEAU AND DANIEL ARI BAKER

**Childhood: the Tokyo Round and the establishment and work of the first legal office**

7 Remembrance of things past: my time at the GATT  
HIELKE VAN TUINEN

8 The first years of the GATT legal service  
AKE LINDEN

9 Early dispute settlement in the GATT  
CHRISTINA SCHRÖDER

10 GATT dispute settlement practices: setting the stage for reform  
ROSINE M. PLANK-BRUMBACK

11 The role of law in international trade relations and the establishment of the Legal Affairs Division of the GATT  
FRIEDER ROESSLER

12 From the GATT to the WTO: a personal journey  
RENZO FRANCO

13 The establishment of a GATT Office of Legal Affairs and the limits of 'public reason' in the GATT/WTO dispute settlement system  
ERNST-ULRICH PETERSMANN

14 Evolving dispute settlement practice with respect to anti-dumping in the late 1980s and early 1990s  
MARK KOULEN

**PART II Legal work relating to the entry into force of the WTO: 1993–95**

---

**Adolescence: transition from the GATT to the WTO**

15 The Legal Affairs Division and law in the GATT and Uruguay Round  
AMELIA PORGES

16 Taking care of business: the Legal Affairs Division from the GATT to the WTO  
PETROS C. MAVROIDIS
