- **144** ambulance

Respect : a fundamental value

CODE OF ETHICS AND PROFESSIONAL CONDUCT (2019)

4. Respect for the individual

a) The Institutions of Higher Education promote the principle of equal opportunity. They prohibit any discrimination based on, among other things, sex, ethnic or social origin, genetic characteristics, religious beliefs, political opinions, membership in a national minority, disability, age, sexual orientation or gender identity, both in fulfilling the tasks of teaching and research and in the relationships within the academic community. Particular consideration and safeguarding shall be granted to individuals in a position of vulnerability.

b) All sexist behaviour or psychological or sexual harassment is prohibited.

All ressources on the site unige.ch/help

Are you experiencing or witnessing sexist or sexual harassment?

Are you experiencing other forms of discrimination, a conflict situation, bullying, or violence at the University?

Are you the target, the person responsible, or a witness to situations involving threats, physical and/or psychological violence?

Together for a safer Uni !

Student Health Service

Our mission is to promote student health by providing high-quality, accessible support resources and services.

Medical Consultation
