Scholarships
SEMP Scholarship

• All students from an European university partners of UNIGE are granted a scholarship if coming through a SEMP agreement.
• Your scholarship will only be given on a Swiss bank/postal account, one payment (per semester) at the beginning of the semester.
• We will request your IBAN and the Declaration of Honour signed using an Online Survey (see “Declaration of Honour” in your welcome pack).

Only for UK universities students: in some case, the Turing Scheme does not allow you to receive the SEMP scholarship if you receive the TS grant. Please ask your university to send an email to Arnaud Waeber stating if you will receive the Turing Scheme scholarship or not.
SEMP Scholarship: Declaration of Honour

Declaration of Honour

between

Université de Genève
24 rue de la Géode
1211 Genève 4
and

NAME

Both parties agree that the following documents:

– Learning Agreement for Studies or Study Plan
– Final Report
– Certificate of Attendance (presented at the end of the exchange)
are an integral part of this declaration.

Details of student (“Beneficiary”)

E-mail:

Date of birth (dd/mm/yyyy):

Home institution:

City, country:

Student number:

Bank details (to be completed by the student):

Bank (or state “postal account”):

Branch address:

IBAN:

Account number (bank or postal):

In the name of student only:

Details of study period

Host institution: Université de Genève

City, country: GENEVA, Switzerland

Prospective start of study courses – without introductory events (dates): 26/05/2021

Prospective end of study courses – without exam session (dates): 24/12/2021

I accept the grant as the total amount of CHF 4000.--

which will be provided to me by the Swiss Confederation represented by the State Secretariat for Education, Research and Innovation (SERI) and the agency Movetia via the Swiss institution in charge of the mobility and undertake:

– only use the funding to cover the travel, living expenses and language preparation costs I incur in connection with the planned study stay abroad;
– sign the enrolment programme of study, Learning Agreement for Studies (or Study Plan for exchange mobility with my home and host universities before the start of the mobility, I am aware that any changes made to the programme after signing will require the written agreement of all parties);
– comply with the enrolment programme and, if applicable, the Final Report (United Nations Convention on Academic Mobility - UNCM);
– provide my home institution with a Certificate of Attendance confirming completion of the study programme and the results attained during the stay. This certificate shall be issued at the end of the stay abroad;
– write a report about working at the host institution / Final Report following the instruction provided by my host institution;
– repay part of all grant if I do not start the stay abroad or return early, or if I breach the stipulations stated above.

A pre-financing payment shall be made by the Swiss institution to the student representing 10% (between 7% and 10%) of the grant stated above:

– within 30 calendar days of signing this agreement
– at latest before the start of the mobility period (or upon receipt of confirmation of arrival at the host institution by the Beneficiary).

Should the Beneficiary fail to provide the supporting documents in time, according to the home institution’s discretion, a later payment of the pre-financing can be accepted in exceptional cases.

If the payment is lower than 100% of the maximum grant amount, the Swiss institution shall make the remaining payment

[described] following the submission of the student’s Final Report which can be considered as the beneficiary’s request for payment.

Green Travel Top-Up for more environmentally-friendly travel

I meet the conditions mentioned below and I would like to obtain the corresponding funding:

If the box is ticked, I accept the financial incentive of CHF 100 and undertake to:

– use the sum to subsidise a mode of transport having lower CO2 emissions than the alternative for my trip to travel to my host country and return to my country of origin, and all my trips during my exchange;
– present proof of purchase of the travel ticket;
– return all or part of the aid if I do not carry out my stay abroad, I will interrupt it or if I breach the obligations indicated here.

The flat rate of CHF 100 is paid in accordance with the rules set out by the Swiss institution responsible for the mobility. By ticking the box, I will be contacted by Amalya Waeber to provide the proof.

The Beneficiary notes that the institution will process its personal data and the data generated during the stay abroad for mobility purposes. The Beneficiary gives its express consent for the institutions to exchange these data where necessary. In addition, the Beneficiary acknowledges that the institution is required to disclose personal data as a result of legislation, institutional rules or decisions of the Swiss-European Mobility Programme SEMP. Movetia is mandated by the Swiss government to implement the SEMP.

Place, date: 

Signature of Beneficiary

1 The duration of the study courses determined by grant amount. A grant can be paid, provided that the beneficiary has been able to enrol at the host institution. The grant is adjusted to the duration of stay in the host-country. In case of any discrepancy, the Beneficiary and the host institution are to bear the risk. The Beneficiary is responsible for the implementation of the study programme.

2 The amount may be subject to change and be adjusted in case of any change in exchange mobility, especially in case of extension or shorter stay abroad.

3 The Beneficiary is responsible for the implementation of the study programme. The grant is transferred with the duration of the stay abroad, paid in one lump sum.

4 The Beneficiary is responsible for ensuring that the grant is transferred. The Beneficiary is also responsible for any taxes that may be applicable. The grant is transferred with the duration of the stay abroad, paid in one lump sum.
Green Travel Top-Up for more environmentally-friendly travel

☐ I meet the conditions mentioned below and I would like to obtain the corresponding funding:

If I tick the “Yes” box, I accept the financial incentive of CHF 100 and I undertake to:

• use this sum to subsidise a means of transport causing lower CO₂ emissions than the airplane for my trip (to travel to my host country and return to my country of origin),
• and all my trips during my exchange,
• present proof of purchase of the travel ticket(s) or a letter (car sharing)

Arnaud Waebber will send you a survey to collect the information and Documents/proofs.
