

Curriculum Vitae

Prof. Guido H.E. Gendolla, Ph.D.

Mailing Address (work): Geneva Motivation Lab
University of Geneva
FPSE, Section of Psychology
40 Bvd. du Pont d'Arve
CH-1211 Geneva 4, Switzerland

Orcid: <https://orcid.org/0000-0002-8066-0951>

Mailing Address (private): 12, Rue du Nord
CH-1248 Hermance, Switzerland

Email (work): guido.gendolla@unige.ch

Internet Homepage: <http://www.unige.ch/fapse/motivation/>

Personal Data:

Date of birth	7 April, 1967
Birth place	Hamm (Germany, Westphalia)
Nationalities	Swiss, German
Marital status	Married
Children	Two daughters

Education:

August 1973 - June 1977	Schillerschule Hamm (elementary school)
August 1977 - June 1986	Märkisches Gymnasium Hamm (grammar school)
June 1986	Abitur (A-level)

Course of Studies:

October 1987 - March 1993	Studies of psychology (University of Bielefeld, Germany)
March 1993	Diploma (Master) in Psychology (University of Bielefeld) Diploma thesis: "Aufgabenbewältigung und Stereotypisierungstendenz" (Task coping and stereotyping tendency) Advisor Prof. Robert A. Wicklund, Ph.D.
April 1993 - May 1995	Doctoral course of studies in psychology (University of Bielefeld)
October 1995	Ph.D. (University of Bielefeld) Title of dissertation: "Motivationale Erregung und statisches Denken" (Motivational arousal and static thinking) Advisor Prof. Robert A. Wicklund, Ph.D.
May 2002	Habilitation in psychology (Friedrich-Alexander-University Erlangen-Nürnberg, Germany)

Additional Qualification:	Basic competencies in behavioral therapy
Linguistic Proficiency:	German, English, French, Latin
Career:	
April 1993 - May 1995	Primary assistant/cand doc in a grant project on perspective-taking Section of Psychology, University of Bielefeld. Chair Prof. Robert A. Wicklund, Ph.D.
June 1995 - May 1997	Post doc Institute of Psychology I, Friedrich-Alexander-University Erlangen- Nürnberg. Chair Prof. Dr. Andrea Abele-Brehm
June 1997 - November 2002	Lecturer (Hochschulassistent, C1) Institute of Psychology I, Friedrich-Alexander-University Erlangen- Nürnberg, Chair Prof. Dr. Andrea Abele-Brehm
November 2002 – August 2003	Senior Lecturer (Oberassistent, C2) Institute of Psychology I, Friedrich-Alexander-University Erlangen- Nürnberg, Chair Prof. Dr. Andrea Abele-Brehm
September 2003 – August 2007	Associate professor (professeur adjoint), FPSE, Section of Psychology, University of Geneva
October 2003 – February 2005	Lecturing professor Department of Psychology, University of Fribourg
Since September 2007	Full professor (professeur ordinaire), FPSE, Section of Psychology, University of Geneva
September – December 2016	Visiting professor Department of Psychology, New York University (USA)
Main Research Interests:	Psychology of motivation and emotion, especially: - The psychophysiology of motivation and emotion - Mental effort - Affective influences in self-regulation - Volition - Action Shielding - Self-involvement and motivation - Affect regulation (International peer-reviewed publications in all of these areas)
External Funding:	
1997 - 1999	Research grant from the Deutsche Forschungsgemeinschaft: "Stimmung und Energetisierung - Indirekte und direkte Stimmungseffekte auf Verhalten [Mood and energization – indirect and direct mood effects on behavior]", (DFG, Ge 987/1-1, DM 132,000)
1998	International travel grant from the Deutscher Akademischer Austauschdienst for a three-month post-doctoral fellowship at the University of Kansas, USA, (DAAD, D/98/14607, DM 7,500)

2000	USA travel grant from the Deutsche Forschungsgemeinschaft (DFG, Ge 987/2-1, DM 1,600)
2000 - 2002	Research grant from the Deutsche Forschungsgemeinschaft: "Anstrengungsmobilisierung bei selbstinvolvierenden Anforderungen - Effekte auf kardiovaskuläre Reaktivität" [Effort mobilization in self-involving demands - effects on cardiovascular reactivity], (DFG, Ge 987/3-1, DM 150,000)
2001	USA travel grant from the Deutsche Forschungsgemeinschaft (DFG, Ge 987/4-1, DM 2,050)
2003	Australia travel grant from the Deutsche Forschungsgemeinschaft (DFG, Ge 987/5-1, € 948)
2003 – 2006	Heisenberg fellowship from the Deutsche Forschungsgemeinschaft (DFG, Ge 987/6-1, € 117,828) ¹
2003 – 2006	Research grant from the Deutsche Forschungsgemeinschaft: "Stimmungseffekte" [Mood effects], DFG, Ge 987/7-1, Ge 987/7-2, € 38,428) ²
2004	Congress organisation grant from the Swiss National Science Foundation: "Approaches to Emotion: 9. Kongress der Schweizer Gesellschaft für Psychologie" (SNF, 10CO11-108554 / 1, CHF 10,000)
2005	Congress organisation grant from the Swiss National Science Foundation: "Geneva Affective Science Week: Personality and Emotion" (SNF, 10CO11-108743 / 1, CHF 10,000)
2005	Congress organisation grant from the Schweizer Akademie der Geistes- und Sozialwissenschaften: "Geneva Affective Science Week: Personality and Emotion" (SAGW, CHF 5,000)
2005	Travel grant from the Schweizer Akademie der Geistes- und Sozialwissenschaften for the visit of the "9 th Annual Meeting of the Society for Personality and Social Psychology" (SAGW, CHF 800)
2005 – 2008	Research grant from the Swiss National Science Foundation: "Stimmung und mentale Anstrengung: Effekte auf kardiovaskuläre Reaktivität" [Mood and mental effort: Effects on cardiovascular reactivity] (SNF, 100011-108144 / 1, CHF 316,518)
2005 – 2009	Research grant from the Swiss National Science Foundation in collaboration with Prof. Klaus R. Scherer: "Appraisal and motivational processes in the elicitation of emotion" as part of the National Competence Center for Research on "Affective Sciences: Emotion in Individual Behavior and Social Processes" (SNF, 51A240-104897, CHF 889,012)
2006	Research Grant from the Swiss National Science Foundation to host Prof. Rex A. Wright (University of Alabama at Birmingham, USA) at the University of Geneva (SNF, PIO11-111520 / 1, CHF 12'430)

¹ Not assumed because of the move to the University of Geneva.

2006	Travel grant from the Swiss National Science Foundation for the visit of the "10 th Annual Meeting of the Society for Personality and Social Psychology" (SNF, 100011-108144 / 2, CHF 2'000)
2007	Travel grant from the Swiss National Science Foundation for the visit of the "10 th Congress of the Swiss Society of Psychology (SSP)" (SNF, 100011-108144 / 3, CHF 2'000)
2008	Travel grant from the Swiss National Science Foundation for the visit of the "10 th Annual Meeting of the Society for Personality and Social Psychology" (SNF, 100014-108144 / 4 CHF 3'455)
2008	Travel grant from the Swiss National Science Foundation for the visit of the "20 th Annual Convention of the Association for Psychological Science" (SNF 100014-108144 / 5 CHF 3'016)
2008 - 2010	Research grant from the Swiss National Science Foundation: "Primed affect and effort-related cardiovascular response" (SNF, 100014-122604 / 1, CHF 329'566)
2009	Travel grant from the Swiss National Science Foundation for the visit of the "21 st Annual Convention of the Congress of the Association for Psychological Science" (SNF, 100014-122604 / 2, CHF 2'935)
2009	Travel grant from the Swiss National Science Foundation for the visit of the "2 nd Annual Conference of the Society for the Study of Motivation" (SNF, 100014-122604 / 3, CHF 2'400)
2010	Travel grant from the Swiss National Science Foundation for the visit of the "22 nd Annual Convention of the Congress of the Association for Psychological Science" (SNF, 100014-122604 / 4, CHF 2'400)
2010	Travel grant from the Swiss National Science Foundation for the visit of the "50 th Annual Meeting of the Society for Psychophysiological Research" (SNF, 100014-122604 / 5, CHF 2'500)
2010	Travel grant from the Swiss National Science Foundation for the visit of the "50 th Annual Meeting of the Society for Psychophysiological Research" (SNF, 100014-122604 / 6, CHF 2'400)
2010 – 2012	Research grant from the Swiss National Science Foundation: "Primed affect and effort-related cardiovascular response II (prolongation)" (SNF, 100014-131760 / 1, CHF 273'589)
2011	Travel grant from the Swiss National Science Foundation for the visit of the 16 th General Meeting of the "European Society for Experimental Social Psychology" (SNF, 100014-31760 / 3, CHF 1'900)
2011	Travel grant from the Swiss National Science Foundation for the visit of the "22 nd Annual Convention of the Congress of the Association for Psychological Science" and the Society for the Study of Motivation" (SNF, 100014-131760 / 4, CHF 5'300)
2012 – 2016	Research grant from the Swiss National Science Foundation: "Priming effort in cognitive tasks: Effects on cardiovascular response" (SNF, 100014-140251 / 1, CHF 400'000)

2015 – 2017	Research grant from the Swiss National Science Foundation: “Boundary conditions of effort priming: Effects on cardiac response” (SNF, 100014-162399 / 1, CHF 294'769)
2016	International short visit grant from the Swiss National Science Foundation: “Affective influences in volition”. Host and co-requerant Peter M. Gollwitzer, New York University (SNF, IZK0Z1_170361, CHF 10'000)
2017 – 2022	Consortium member of the European Commission research grant (EU program Horizon 2020): “Assessing and enhancing emotional competence for well-being (ECoWeB) in the young: A principled, evidence-based, mobile-health approach to prevent mental disorders and promote well-being” in collaboration with Kerstin Brinkmann. (EU, 754657, € 26'500, total project budget € 4'000'000).
2018 – 2019	Headstart grant for research collaboration from the Section of Psychology of the University of Geneva: “Effects of implicit aging-stereotype activation on cognitive effort and performance in the elderly”. Co-requerant Mathias Kliegel. (CHF 20'000).
2019	International exchange grant from the Swiss National Science Foundation to host Prof. Rex Wright at the University of Geneva: “Fatigue and Effort”. (SNF, IZSEZO_189578 / 1, CHF 6'000).
2019 – 2023	Research grant from the Swiss National Science Foundation: “Affective influences on goal pursuit: The moderating role of deliberation”. (SNF, 100014-185348 / 1, CHF 562'417).
2023	Congress organization grant from the Swiss Academy for Humanities and Social Sciences and the Swiss Society of Psychology for IOP2023: 21 st World Congress of the International Organization of Psychophysiology (CHF 20'000).
2023	Congress organization grant from the “Fonds Général” of the University of Geneva for IOP2023: 21 st World Congress of the International Organization of Psychophysiology (CHF 4'000).
2023	Congress organization grant from the Faculty of Psychology and Education Sciences of the University of Geneva for IOP2023: 21 st World Congress of the International Organization of Psychophysiology (CHF 3'000).
2023	Congress organization grant from the “Société Accadémique de Genève” for IOP2023: 21 st World Congress of the International Organization of Psychophysiology (CHF 4'000).
2023	Congress organization grant from the “State of Geneva” and the “Geneva Convention Bureau” for IOP2023: 21 st World Congress of the International Organization of Psychophysiology (CHF 7'000).
2023	Congress organization grant from the Swiss National Science Foundation for IOP2023: 21 st World Congress of the International Organization of Psychophysiology (SNF, IZSEZO_216877 / 1, CHF 11'200).
2024-2025	Research grant from the “Fondation John Bost”: Investigation de l'effort cognitif objectif dans le cadre de l'évaluation neuropsychologique dans les troubles psychotiques”. Co-

requerants Amandine Decombe, Kerstin Brinkmann, Stéphane Raffard (€ 25'340).

2025 Grant from the "Société Accadémique de Genève" for the acquisition of an ICG monitor (PhysioFlow) (CHF 2'000).

External Training:

August - September 1994 Summer School of the European Association of Experimental Social Psychology (EAESP) in Serock (Polen)

August - October 1998 Post Doc at the University of Kansas at Lawrence, KS, USA
Host: Prof. Jack W. Brehm, PhD

Organization of Symposia and Congresses:

October 2001 "New approaches to cardiovascular activity in motivation and emotion" Symposium at the 41st Annual Meeting of the Society for Psychophysiological Research (SPR) at Montreal, Québec, CDN. (Chair: G.H.E Gendolla & R.A. Wright)

October 2004 "Affective sources of motivational intensity: Recent developments in theory and research" Symposium at the 9th International Conference on Motivation (ICM) at Lisbon, P. (Chair: G.H.E Gendolla & R.A. Wright)

June 2005 "Geneva Affective Science Week: Personality and Emotion" in Geneva, Switzerland. (Organization committee: Profs. M. Eid, G.H.E. Gendolla, S. Kaiser, K. Scherer, M. van der Linden)

September 2005 "Approaches to Emotion: 9th Congress of the Swiss Psychological Society" in Geneva, Switzerland. (Organization committee: Profs. M. Eid, U. Frauenfelder, G.H.E. Gendolla [head of committee], S. Kaiser)

September 2006 "Psychophysiologie der Motivation und Emotion: Grundlagen und Anwendungen". Arbeitsgruppe at the 45. Kongress der deutschen Gesellschaft für Psychologie (DGPs) in Nürnberg, D. (Chair: G.H.E. Gendolla)

October 2007 „Personality, affect, and cardiovascular response: Evidence for motivational gains and deficits "Symposium at the 47th Annual Meeting of the Society for Psychophysiological Research (SPR) at Savannah, GA, USA. (Chair: G.H.E. Gendolla)

May 2008 "Le temps d'une découverte – émotion-football". Symposium at the Interdisciplinary Center for Affective Sciences of the University of Geneva (Chair: G.H.E. Gendolla).

May 2008 "1st Conference of the Society for the Study of Motivation" in Chicago, IL, USA. (Program chairs Rex A. Wright & G.H.E. Gendolla)

May 2008 "Wild at heart: Motivational influences on cardiovascular reactivity." Symposium at the 20th Annual Convention of the Association for Psychological Science (APS) at Chicago. IL, USA. (Chair: G.H.E. Gendolla)

July 2008	"Perspectives in motivational intensity: Psychophysiological processes." Symposium at the 24 th International Congress of Psychology (ICP), Berlin, D. (Chair: G.H.E. Gendolla)
September 2008	"14 th World Congress of Psychophysiology – The Olympics of the Brain". St. Petersburg, Russia. (Member of the Scientific Committee)
May 2009	"2 nd Conference of the Society for the Study of Motivation" in San Francisco, CA, USA. (Program chairs G.H.E. Gendolla & R.A. Wright)
May 2009	"The Psychobiology of Motivation and Affect: New Perspectives." Symposium at the 21 th Annual Convention of the Association for Psychological Science (APS) at San Francisco, CA, USA. (Chairs: G.H.E. Gendolla & J. van Honk)
July 2009	"Journées thématiques de L'Association pour la Diffusion de la Recherche Internationale en Psychologie Sociale (ADRIPS): Emotions en Psychologie Sociale" in Paris, F. (Member of the Scientific Committee)
August 2009	"11 th Congress of the Swiss Psychological Society" in Neuchâtel. (Member of the Scientific Committee)
October 2009	"The affect-motivation link: Central and peripheral nervous system processes." Symposium at the 49 th Annual Meeting of the Society for Psychophysiological Research (SPR) at Berlin, D (Chairs: G.H.E. Gendolla & D. Sander)
November 2009	"CEM 09: International Congress on Cognition, Emotion, and Motivation" in Hammamet, TN. (Member of the Scientific Committee)
May 2010	"3 rd Conference of the Society for the Study of Motivation" in Boston, MA, USA. (Program chairs G.H.E. Gendolla & Rex A. Wright)
May 2010	"Implicit Affect and Motivation: Effects on Brains and Bodies." Symposium at the 22 nd Annual Convention of the Association for Psychological Science (APS) at Boston, MA, USA. (Chair: G.H.E. Gendolla)
June 2010	"Motivation, self-regulation, and gender: Perspectives and applications" in Gdansk, Poland. (Member of the Scientific Committee)
May 2011	"On neurons, hearts, and social behavior: Advances in implicit motivation." Symposium at the 23 rd Annual Convention of the Association for Psychological Science (APS) at Washington, DC, USA. (Chair: G.H.E. Gendolla)
May 2011	"4 th Conference of the Society for the Study of Motivation" in Washington, DC, USA. (Program chairs G.H.E. Gendolla & S.L. Crites)
September 2011	"Building bridges in the study of motivation: Basic and applied research: Part I & II." Symposium at the 12 th Congress of the Swiss Psychological Society (SSP/SGP) in Fribourg, CH. (Chairs: V. Brandstätter & G.H.E. Gendolla)
November 2011	"Robert Wicklund: How the science of social psychology is

	promoted best?" Workshop and Symposium at New York University, NY, USA. (Chairs: P.M. Gollwitzer, G.H.E. Gendolla, G. Oettingen, R.A. Wright)
May 2012	"How cognitive is cognitive control? Motivational foundations of executive functions" Symposium at the 5th Annual Meeting of the Society for the Study of Motivation (SSM) at Chicago, IL, USA. (Chairs: G.H.E. Gendolla & S. Koole)
May 2012	"Self-regulation of effort: Adaptive and non-adaptive processes." Symposium at the 24 th Annual Convention of the Association for Psychological Science (APS) at Chicago, IL, USA. (Chairs: S. Koole & G.H.E. Gendolla)
September 2012	"16 th World Congress of the International Organization of Psychophysiology (IOP)" Pisa, I. (Member of the Scientific Committee)
September 2012	"The how and why of trying harder: New perspectives on the psychophysiology of effort." Symposium at the 16 th World Congress of the International Organization of Psychophysiology (IOP)". Pisa, I. (Chair: G.H.E. Gendolla)
October 2012	"Reasons for and effects of trying harder: New perspectives on striving in social circumstances." Symposium at the Annual Meeting of the Society of Experimental Social Psychology (SESP) at Austin, TX, USA. (Chairs: R.A. Wright & G.H.E. Gendolla)
May 2013	"Reasons for and effects of trying harder: Some news about effort" Symposium at the 24 th Annual Convention of the Association for Psychological Science (APS) in Washington, DC, USA. (Chairs: G.H.E. Gendolla & S. Koole)
September 2013	"The how and why of trying harder: New perspectives on the psychophysiology of effort." Symposium at the 53 rd Annual Meeting of the Society for Psychophysiological Research (SPR) at Florence, I (Chairs: G.H.E. Gendolla & R.A. Wright)
September 2014	"17 th World Congress of the International Organization of Psychophysiology (IOP)". Hiroshima, J (Member of the Scientific Committee)
March 2015	"Effort and performance: New perspectives and challenges to old ideas." Symposium at the inaugural International Convention of Psychological Science (ICPS) at Amsterdam, NL (Chairs: M. Richter & G.H.E. Gendolla)
May 2015	"Non-hedonic sources of effort." Symposium at the 8th Annual Meeting of the Society for the Study of Motivation (SSM) at New York, NY, USA (Chairs: R. Custers & G.H.E. Gendolla)
May 2015	"Automaticity in action: New perspectives on implicit self-regulation" Symposium at the 27 th Annual Convention of the Association for Psychological Science (APS) in New York, NY, USA (Chairs: G.H.E. Gendolla & R. Custers)
November 2015	"CEM 15: International Congress on Cognition, Emotion, and Motivation" in Hammamet, TN (Member of the Scientific Committee)
September 2015	"14 th Congress of the Swiss Psychological Society" in Geneva. (Member of the Scientific Committee)

September 2016	“18 th World Congress of the International Organization of Psychophysiology (IOP)“. Havana, CU (Member of the Scientific Committee)
September 2016	“New perspectives on affective-motivational processes and cardiovascular response“. Symposium at the “18 th World Congress of the International Organization of Psychophysiology (IOP)“. Havana, CU (Chair: G.H.E. Gendolla).
September 2016	“Understanding effort-related cardiovascular response in terms of motivational intensity theory: New perspectives after 40 years of research“ Symposium at the “18 th World Congress of the International Organization of Psychophysiology (IOP)“. Havana, CU (Chair: G.H.E. Gendolla).
March 2017	“Understanding the implicit foundation of behavior: Integrating implicit motives and implicit affect“ Symposium at the International Convention of Psychological Science (ICPS). Vienna, A (Chairs: N. Silvestrini, G.H.E. Gendolla)
May 2017	“Goals, needs, and incentives: New perspectives on motivation science’s core variables“. Symposium at the 29 th Annual Convention of the Association for Psychological Science (APS) in Boston, MA, USA (Chair: G.H.E. Gendolla)
July 2017	“General Meeting of the European Association of Social Psychology“ Granada, E (Member of the Review Panel)
May 2018	“Hidden motivators: New insights in implicit processes in goal pursuit“. Symposium at the 30 th Annual Convention of the Association for Psychological Science (APS) in San Francisco, CA, USA (Chair: G.H.E. Gendolla)
June 2018	Congress of the “Société Française de Psychologie du Sport (SFPS)“ Lausanne, CH (Member of the Scientific Committee)
September 2018	“19 th World Congress of the International Organization of Psychophysiology (IOP)“. Lucca, I (Member of the Scientific Committee)
September 2018	“The psychophysiology of effort: New perspectives.“ Symposium at the 19 th World Congress of the International Organization of Psychophysiology (IOP)“. Lucca, I (Chair: G.H.E. Gendolla).
October 2018	“Body and brain in action: New perspectives on the psychophysiology of motivation“. Symposium at the 58 th Annual Meeting of the Society for Psychophysiological Research (SPR) at Quebec City, CDN (Chair: G.H.E. Gendolla).
March 2019	“Affective moderators of self-regulation: Implicit and explicit processes“. Symposium at the 2019 International Convention of Psychological Science (ICPS), Paris, F (Chair: G.H.E. Gendolla)
May 2019	“Brain and body in cognitive effort“. Symposium at the 31 st Annual Convention of the Association for Psychological Science (APS) in Washington, DC, USA (Chair: G.H.E. Gendolla)
July 2019	“Emotion and Effort“. Symposium at the 2019 International Society for Research on Emotion (ISRE) in Amsterdam, NL (Chairs: H. van Steenbergen, G.H.E. Gendolla).

September 2020	“20 th World Congress of the International Organization of Psychophysiology (IOP)“. Chengdu, CHN (Member of the Scientific Committee – the conference was postponed to 2021 because of the COVID pandemic)
September 2021	“The psychophysiology of effort: Recent advances in cardiovascular reactivity research“. Symposium at the 20 th World Congress of the International Organization of Psychophysiology (IOP)“. Held Virtually (Chairs: N. Silvestrini, G.H.E. Gendolla).
May 2022	“Multiple perspectives on effort and exhaustion“. Symposium at the 14 th Annual Conference of the Society for Science of Motivation (SSM) in Chicago, IL, USA (Chairs: A. Freund, G.H.E. Gendolla)
May 2022	“Making goal striving more efficient: New perspectives on volition“. Symposium at the 2022 Annual Convention of the Association for Psychological Science (APS) in Chicago, IL, USA (Chair: G.H.E. Gendolla)
March 2023	“Flexibility in action control: Contributions of learning, action Shielding, and individual differences“. Symposium at the 2023 International Convention of Psychological Science (ICPS), Brussels, B (Chair: G.H.E. Gendolla)
May 2023	“Effort and exhaustion: New insights from a multi-method perspective“. Symposium at the 2023 Annual Convention of the Association for Psychological Science (APS) in Chicago, IL, USA (Chairs: G.H.E. Gendolla, A. Freund)
June 2023	“IOP2023: 21 st World Congress of the International Organization of Psychophysiology (IOP)“. Geneva, Switzerland (Congress Chair and Organizer: G.H.E. Gendolla)
June 2023	“The psychophysiology of effort: Cardiovascular and pupillary correlates of effortful processing“. Symposium at IOP2023: 21 st World Congress of the International Organization of Psychophysiology (IOP)“, Geneva (Chairs: M. Richter, G.H.E. Gendolla)
September 2023	“The heart does not lie: News about effort intensity“. Symposium at SPR 2023 - the Annual Meeting of the Society for Psychophysiological Research (SPR) at New Orleans, LA (Chair: G.H.E. Gendolla).
March 2024	“The intensity of mental effort: Hot news from the body“. Symposium at TeaP 2024 – 66. Tagung experimentell arbeitender Psychologen at Regensburg, D (Chair: G.H.E. Gendolla).
May 2024	“Action Control: New Perspectives on Goal Pursuit“ Symposium at the 2024 Annual Convention of the Association for Psychological Science (APS) in San Francisco, CA, USA (Chairs: Y.S. Bouzidi, G.H.E. Gendolla)
October 2024	“Affective influences on body and brain in human motivation“. Symposium at SPR 2024 - the Annual Meeting of the Society for Psychophysiological Research (SPR) at Prague, CZ (Chair: G.H.E. Gendolla).
May 2025	“Effort intensity: Three decades of research“. Symposium at the 2025 Annual Convention of the Association for Psychological Science (APS) in Washington, DC, USA (Chair: G.H.E. Gendolla)

2009	Guest Editor <i>Social Psychology</i>
Since 2009	Consulting Editor <i>Social Psychology</i>
2011 - 2016	Editorial Board, Action Editor <i>International Journal of Psychophysiology</i>
Since 2012	Editorial Board <i>Journal of Experimental Social Psychology</i>
Since 2013	Editorial Board <i>Journal of Neurology and Psychology</i>
2014 - 2016	Editorial Board <i>Motivation Science</i>
2015 - 2017	Editorial Board <i>International Journal of Psychology and Behavior Analysis</i>
Since 2016	Associate Editor <i>International Journal of Psychophysiology</i>
2016	Guest Editor <i>International Journal of Psychophysiology</i> (special issue on the psychophysiology of motivation)
2016 - 2027	Co-editor in Chief <i>Motivation Science</i>
Since 2021	Editorial Board <i>Biological Psychology</i>
2023	Guest Editor <i>International Journal of Psychophysiology</i> (special issue: Proceedings of IOP2023 - The 21 st World Congress of Psychophysiology)

Administration / Management Responsibilities

University of Erlangen-Nürnberg:

1996 - 2003	Computer and software administrator of the Chair for Social Psychology.
1996 - 2003	Responsible for the laboratory space of the Chair for Social Psychology.
1998 - 2002	Responsible for the course schedule and the classroom organization in the psychology department.
2002	Member of the faculty committee for student admission.

University of Geneva:

Since 2003	Member of the "Commission Equivalences et mobilité" of the Section of psychology.
2003 – 2005	Member of the project group "Laboratoires" of the Section of Psychology.
2004 – 2010	Contact person of the Section of Psychology for the "Centre Uni-Emploi".
2004	Member of the project group "Tests".
2004	Member of the committee for hiring a scientific collaborator for the section of psychology.
2004 - 2005	Member of the project group "Adaptation du plan du développement de la faculté".
2004 - 2005	Member (supplementary) of the commission "Renouvellement des mandats des maîtres d'enseignement et recherche".
2005	Member of the "Comité scientifique du DEA en psychologie".
2005	Member of the project group "Assistants" of the Section on psychology.
2005 - 2006	Member of the commission "Renouvellement des mandats des maîtres d'enseignement et recherche" of the Section of psychology.
2005 - 2007	Member of the commission "Oppositions LME" (FPSE).
2005 - 2007	Vice-president of the Section of Psychology.
2005 - 2007	Coordinator of the project group "Locaux et laboratoires" of the Section of psychology.
2005 – 2008	Member of the project group "Ecole doctorale" of the Section of psychology.
Since 2005	Member of the program committee "Psychologie affective" for the Master of Science in Psychology.
2005 - 2009	Member of the "Conseil de la faculté" (FPSE).

2005 – 2007	Member of the commission “Renouvellement des mandats des maîtres d’enseignement et recherche” of the TECFA.
2005 – 2012	Member of the commission “Gestion” of the section of psychology.
2006	Member of the project group “Assistants” of the University of Geneva (rectorat).
2006	Coordinator of the “Jury de délibération de la Section de psychologie”.
2007	Member of the “Commission de nomination pour un poste de professeur ordinaire en Psychologie des émotions” (FPSE).
2007	Coordinator of the “Commission de structure pour l’ouverture d’un poste de professeur-e assistant-e avec pr�titularisation conditionnelle dans le domaine de la psychologie affective”.
2007	Member of the “Commission de structure li�e au d�part � la retraite de deux professeurs dans le domaine de la m�thodologie”.
2007 - 2008	President of the “Commission �thique de la facult�” (FPSE).
2007 - 2010	Member of the project group “Locaux et laboratoires” of the Section of psychology.
Since 2007	Member of the “Commission de renouvellement pour les mandats des collaborateurs de l’enseignement et de la recherche CCER” of the Section of psychology.
Since 2007	Member of the “Commission de rel�ve: Corps professoral » of the Section of psychology.
Since 2007	Program chair of the Master in Psychology program “Psychologie affective”.
Since 2007	Member of the “Commission des plans d’�tudes” of the Section of psychology.
2008	Coordinator of the “Commission de nomination pour un poste de professeur-e assistant-e avec pr�titularisation conditionnelle dans le domaine de la psychologie affective” (FPSE).
Since 2008	Member of the program committee “Psychologie appliqu�” for the Master of Science in Psychology.
2008 - 2015	Member of the “Commission �thique de la facult�” (FPSE).
2008	President of the “Commission �thique de la facult�” (FPSE).
2009 - 2021	Member of the “Conseil participatif” (FPSE).
2009	Member of the “Commission de nomination pour un poste de Charg� de Cours dans le domaine de la psychologie clinique” (FPSE).
2009 - 2010	Member of the “Commission de nomination pour un poste de Professeur associ� dans le domaine de la psychologie sociale” (FPSE).

2009	Member of the "Commission de nomination pour un poste de Professeur associé en psychologie sociale" (FPSE).
2010	Member of the "Commission de nomination pour un poste de Maitre assistant en psychologie clinique".
2010	Member of the "Commission de nomination pour un poste de professeur ordinaire ou associé en psychologie appliquée" (FPSE).
2010	Member of the "Commission de nomination pour un poste de Professeur ordinaire ou associé en psychologie du développement social et affectif".
2010	Member of the "Comité d'autoévaluation de la maîtrise en psychologie".
Since 2011	Member of the "Commission de renouvellement des premiers mandats professoraux".
2011	Member of the "Commission de nomination pour un poste de Maitre assistant en psychologie clinique".
Since 2012	Member of the "Groupe de planification académique" (GPA) of the Section of Psychology".
2012	Rapporteur de la "Commission chargée d'examiner la titularisation de Didier Grandjean dans le contexte du poste de professeur assistant avec pré titularisation conditionnelle (PAPC) dans le domaine Neuropsychologie et Neurosciences Affectives".
2013	Member of the "Groupe de planification académique "PAS/PAST en Statistique".
2013	Rapporteur de la "Commission chargée d'examiner la promotion de professeur associé à professeur ordinaire de David Sander dans le domaine Psychologie des Emotions".
2013	Member of the "Groupe de travail sur la restructuration de la psychologie clinique".
2013 - 2016	Président of the Psychology Section.
Since 2013	Member of the "Commission de renouvellement des mandats professoraux".
2013 – 2016	Rapporteur du "Groupe de planification académique" (GPA) of the Section of psychology.
2014	Rapporteur de la "Commission chargée de la nomination d'un conseiller des études en charge des stages".
2014	Member of the "Commission chargée d'étudier la nomination de la docteure Alessandra Canuto à la fonction de professeure assistante", Faculté de Médecine.
2015	Member of the "Groupe de travail du Conseil Décanal sur le fonctionnement de la Commission d'éthique de la Faculté".

2017 - 2018	Member of the "Groupe de travail sur la professionnalisation de la Section de psychologie".
2018	Member of the "Commission chargée d'examiner l'opportunité de nomination d'une chargée d'enseignement (10%) dans le domaine de la psychologie clinique".
2018	Member of the "Commission chargée d'examiner la titularisation de Tobias Brosch dans le contexte du poste de professeur assistant avec pré titularisation conditionnelle (PAPC) dans le domaine « Efficience énergétique : affect, décision et comportement ».
2018	Rapporteur de la "Commission chargée d'examiner la promotion de professeur associé à professeur ordinaire de Didier Grandjean dans le domaine Neuropsychologie et neurosciences affectives".
2019 - 2020	Member of the "Groupe de travail de la Section de psychologie sur la professionnalisation".
2019	Member of the "Commission chargée d'examiner l'opportunité de nomination d'une chargée d'enseignement (10%) dans le domaine de la psychologie affective".
2020	Member of the "Groupe de travail de la Section de psychologie sur l'attribution des recherches des Master".
2020	Member of the "Commission de nomination pour un poste de professeur-e assistant-e avec pré titularisation conditionnelle dans le domaine de la psychologie sociale".
2022	Member of the "Commission de nomination sur appel au poste de professeur titulaire de M. Ralph Schmidt dans le domaine de la psychologie clinique".
2022	Member of the "Groupe de travail renouvellements des mandats professoraux" de la FPSE.
2024	Member of the « Commission chargée d'examiner la titularisation de Gaelle Molinari dans le contexte du poste de professeure assistante avec pré titularisation conditionnelle (PAPC) dans le domaine Usage des technologies numériques et innovation en éducation-formation ».
2024	Member of the « Groupe de travail évaluation des encadrements des mémoires de Master » of the Section of psychology.
2024	Member of the « Groupe de travail psychologie des organisation ».
2024	Rapporteur de la « Commission de nomination de M. Nicolas Silvestrini en tant que chargée des cours ».
2024	Member of the "Commission de nomination pour un poste de professeur-e associé-e ou assistant-e avec pré titularisation conditionnelle dans le domaine « psychologie des organisations ».
Since 2024	Member of the « Bureau doctoral » of the Section of psychology.

External Administration Tasks

2005	Member of the scientific evaluation committee of the “DFG Forschergruppe Emotion und Verhalten: Reflexive und impulsive Prozesse” (Würzburg, Germany).
2005 - 2009	Member of the National Center of Competence in Research (NCCR) Affective Sciences.
2008 - 2011	Elected Council Member of the Society for the Study of Motivation (SSM).
2009	Member of the scientific committee of the international research program “Franco – Allemand” of the ANR and DFG.
2009	Membre of the “Commission de nomination pour un poste de Maître de conférence dans le domaine de la psychologie sociale” (Université de Savoie, Chambéry, France).
2009	Member of the “Commission de nomination pour un poste de Professeur ordinaire en psychologie cognitive” (Université de Lausanne).
Since 2009	Associate member of the National Center of Competence in Research (NCCR) Affective Sciences.
2010 - 2011	Member of the Society for Psychophysiological Research (SPR) nominations committee for the year 2010-2011.
2011	Member of the AERES evaluation committee of the “Laboratoire de la Psychologie Sociale Cognitive” (Clermont-Ferrand, France).
2015	Member of the “Awards Task Force” of the Society for the Study of Motivation (SSM).
2015 – 2017	President of the Conference of the Swiss University Departments of Psychology (KDIPS).
2015	Member of a German Research Foundation (DFG) evaluation committee of a research pool on “Feedback Processing” (Würzburg, Germany).
2016	Member of the scientific committee of the international research program “Franco – Allemand” of the ANR and DFG.
2016 – 2029	Member of the Board of Directors of the International Organization for Psychophysiology (IOP).
2018	Member of the Society for Psychophysiological Research (SPR) poster award committee.
Since 2018	Member of the European Science Foundation (ESF) College of Expert Reviewers.
2019	Member of a German Research Foundation (DFG) evaluation committee of a research pool on “Riskdynamics” (Konstanz, Germany).
2023	Member of the scientific committee of the international research program “Franco – Allemand” of the ANR and DFG.

Moreover, I was anonymous external expert for several nomination committees for professorships, promotion and tenure committees, and habilitation committees.

Teaching
(continuously evaluated)

University of Bielefeld:

Tutorium "Grundkompetenzen der Verhaltenstherapie" [Tutorial in basic competencies in behavior therapy] (summer semester 1993).

"Experimentalpsychologisches Praktikum" [Experimental research methods and practice] (winter semester 1994, in collaboration with Dr. Gisela Steins).

Friedrich-Alexander University Erlangen-Nürnberg:

"Vorlesung Sozialpsychologie I: Individuenzentrierte Ansätze" [Lecture in social psychology I: Approaches to individuals] (winter semesters 1996/1997 and 2001/2002).

"Vorlesung Sozialpsychologie II: Gruppenzentrierte Ansätze" [Lecture in social psychology II: Approaches to groups] (summer semesters 1997, 2002).

"Vorlesung Emotionspsychologie". [Lecture in the psychology of emotions] (summer semester 2003).

Vorlesung "Einführung in die Psychologie" [Lecture in introduction to psychology] (winter semester 2001/2002).

Übung "Lektürekurs Sozialpsychologie I: Individuenzentrierte Ansätze" [Course in social psychology I: Approaches to individuals] (Each winter semester 1996-2002).

Übung "Lektürekurs Sozialpsychologie II: Gruppenzentrierte Ansätze" [Course in social psychology II: Approaches to groups] (each summer semester 1997-2003).

"Experimentalpsychologisches Praktikum" [Experimental research methods and practice] (winter semesters 1998/1999 and 2000/2001).

Hauptseminar "Soziale Motivation" [Advanced course on "Social motivation"] (summer semester 1998).

Hauptseminar "Das Selbst" [Advanced course on "The self"] (winter semester 1997/1998).

Hauptseminar "Emotionspsychologie" [Advanced course on "The psychology of emotions"] (summer semester 1999).

Hauptseminar "Stress und Gesundheit" [Advanced course on "Stress and health"] (winter semester 1999/2000).

Hauptseminar "Prosoziales Verhalten und Aggression" [Advanced course on "Prosocial behavior and aggression"] (winter semester 2000/2001).

Hauptseminar "Das Selbst: Effekte auf Denken, Fühlen, Handeln" [Advanced course on "The self: Effects on thinking, feeling, action"] (summer semester 2001).

Hauptseminar "Motiviertes Denken" [Advanced course on "Motivated reasoning"] (summer semester 2003).

Arbeitsgruppe "Stimmung und Emotion" [Advanced project group on "Mood and emotion"] (winter semester 1999/2000, summer semester 2000, winter semester 2000/2001, in collaboration with Prof. Dr. Andrea Abele-Brehm).

University of Geneva:

Cours "Motivation et apprentissage: Introduction" [Lecture on "Motivation and learning: Introduction"] (each academic year since 2003, autumn and spring semester).

Cours "Les bases motivationnelles du self" [Lecture on "The motivational bases of the self "] (autumn semester 2003/2004).

Cours "Aspects affectives de la motivation et du comportement" [Lecture on "Affective aspects of motivation and behavior"] (spring semesters 2004).

Cours "Le soi, la personnalité et la motivation: Perspectives appliquées" [Lecture on "The self, personality and motivation: Applied perspectives"] (Each autumn semester 2004 - 2017).

Cours "Les bases affectives de la motivation" [Lecture on "The affective bases of motivation"] (Each spring semester since 2004).

Seminaire "Nouvelles tendances en psychologie de la motivation et de la personnalité" [Advanced cours on "New tendencies in the psychology of motivation and personality"] (Each year 2003 – 2006, autumn and spring semester).

Seminaire "Perspectives novatrices en sciences affectives" [Advanced cours on "New tendencies in affective science"] (together with Profs. Michael Eid, Susanne Kaiser, Klaus Scherer, Martial van der Linden; 2003-2006, autumn and spring semester).

Seminaire "La psychophysiology de la motivation" [Advanced cours on "The psychophysiology of motivation"] (together with Dr. Michael Richter, Each year 2006 – 2008, autumn and spring semester).

Seminaire "Motivation, affect et personnalité Recherches actuelles" [Advanced cours on "Motivation, personality, and affect"] (Each autumn semester since 2006).

Seminaire "Colloque de recherché en psychologie affective" [Research colloquium "Affect psychology"] (together with the scientific committee of the Master program "Affect psychologie", Each spring semester since 2006/2007).

Seminaire "Champs d'application et vieillissement" [Advanced course on "Applied Psychology and Aging"] (together with Prof. Gabriel Mugny, Each autumn semester since 2008/2009).

Cours "Autorégulation: le self en action" [Lecture on « Self-regulation : the self in action »] (Each autumn semester since 2018/2019).

University of Fribourg:

Vorlesung "Sozialpsychologie I" [Lecture on "social psychology I"] (winter semester 2003/2004, autumn semester 2004/2005).

Vorlesung "Sozialpsychologie II" [Lecture in "social psychology II"] (spring semester 2004).

University of Lausanne:

Cours "Théories de l'action et de la motivation" [Lecture on Theories of action and motivation] in the program of the Diploma of Advanced Study (DASD) in Sports Psychology (winter 2017).

Doctoral Students / Dissertations:

Michael Richter	Ph.D. in 2003, Title of dissertation: "Anstrengungsmobilisierung bei unklarer Handlungsschwierigkeit" [Effort mobilization under unclear task difficulty].
Ralph Schmidt	Ph.D. in 2005, Title of dissertation: "Des effets de la suppression de pensée sur les contenus mentaux à l'endormissement" [Thought suppression effects on mental content at sleep onset].
Kerstin Brinkmann	Ph.D. in 2008, Title of dissertation: "Depression and motivation: The influence of dysphoria and task characteristics on cardiovascular measures of motivational intensity"
Nicolas Silvestrini	Ph.D. in 2008, Title of dissertation: "De la justification de l'effort par la motivation de régulation des humeurs" [About effort justification by the motivation for mood regulation].
Joana de Burgo	Ph.D. in 2009, Title of dissertation: "Mood and mental effort: Informational mood impact on cardiovascular reactivity and the context-dependency of moods".
Sylvia Kreibig	Ph.D. in 2009, Title of dissertation: "A psychophysiological analysis of differential emotion elicitation in the context of achievement motivation". (co-direction with Klaus Scherer).
Laure Freydefont	Ph.D. in 2012, Title of dissertation: "The influence of implicit anger primes on effort mobilization".
Ruta Lasauskaite	Ph.D. in 2013, Title of dissertation: "How implicit sadness and happiness influence effort mobilization: Investigating mechanisms".
Fabienne Esposito	Ph.D. in 2013, Title of dissertation: "Une approche multifactorielle de l'apathie: Exploration dans le vieillissement et la schizophrénie" [A multifactorial approach to apathy: Exploration in aging and schizophrenia] (co-direction with Prof. Martial Van der Linden).
Jessica Franzen	Ph.D. in 2016, Title of dissertation: "Réactivité cardiovasculaire et musculaire durant l'anticipation et la consommation de récompense et des punitions dans la dépression" [Cardiovascular and muscular reactivity during the anticipation and consumption of rewards and punishments in depression] (co-direction with Dr. Kerstin Brinkmann)
Mathieu Chatelain	Ph.D. in 2016, Title of dissertation: "The role of implicit fear in the process of mental effort mobilization"
Joséphine Stanek	Ph.D. in 2016, Title of dissertation: "A journey to the centre of motivational intensity theory: Studies on the theory's energy-related predictions" (co-direction with Dr. Michael Richter)
Athina Zafeiriou	Ph.D. in 2018, Title of dissertation: "The influence of the implicit aging stereotype on mental effort assessed as cardiovascular reactivity"
David Framorando	Ph.D. in 2019, Title of dissertation: "Prime visibility and prime awareness as moderators of affect primes' effect of effort mobilization"
Florence Mazères	Ph.D. in 2022, Title of dissertation: "Atteindre l'excellence sans gaspiller des ressources: Une interaction complexe entre la force du motif d'accomplissement et la difficulté de la tâche" [Attaining excellence without wasting resources: A complex interaction between

the force of the achievement motive and task difficulty] (co-direction with Dr. Kerstin Brinkmann & Dr. Michael Richter)

Tamara Cancela

Ph.D. in 2022, Title of dissertation: "Impact de la douleur physique sur l'effort cognitif mesuré par la réactivité cardiovasculaire" [Impact of physical pain on cognitive effort assessed as cardiovascular response] (co-direction with Dr. Nicolas Silvestrini)

Yann Bouzidi

Ph.D. in 2023, Title of dissertation: "On the effortfulness of cognitive conflict and the shielding effects of volitional processes"

Johanna Falk

Ph.D. in 2023, Title of dissertation: "Affective influences on effort and the crucial role of personal choice"

Current doctoral students:

Dana Benyair
Silvio Laloli (co-direction avec Kerstin Brinkmann)

Conference Presentations and Invited Talks
(in reversed temporal order)

- Gendolla, G.H.E. (2025). *Affective influences on effort-related cardiovascular response: Processes and limits*. Talk at IOP2025 – The 22nd World Congress of Psychophysiology, Krakow, PL, 8-11 July 2025.
- Gendolla, G.H.E. (2025). *The importance of theory-based psychophysiological research*. Talk at IOP2025 – The 22nd World Congress of Psychophysiology, Krakow, PL, 8-11 July 2025.
- Framorando, D., Gendolla, G.H.E., & Gable, P.A. (2025). *Effects of HD-tDCS over frontal hemisphere on effort-related cardiovascular responses*. Talk at IOP2025 – The 22nd World Congress of Psychophysiology, Krakow, PL, 8-11 July 2025.
- Benyair, D., & Gendolla, G.H.E. (2025). *Effort intensity in pro-environmental decision-making: Effects on cardiac response*. Poster at IOP2025 – The 22nd World Congress of Psychophysiology, Krakow, PL, 8-11 July 2025.
- Bouzidi, Y., & Gendolla, G.H.E. (2025). *The heart responds to failure: First insight for the combined effect of task identity-relevance and individuals' mindset*. Poster at IOP2025 – The 22nd World Congress of Psychophysiology, Krakow, PL, 8-11 July 2025.
- Gendolla, G.H.E. (2025). *Motivation and self-regulation: How to accomplish one's goals?* Invited talk at the Geneva Longevity Summit 2025. Genève, CH, 14 June 2025.
- Gendolla, G.H.E. (2025). *Affective influences on effort-related cardiovascular response: Processes and limits*. Talk at the 2025 Annual Convention of the Association for Psychological Science (APS). Washington, DC, 22-25 May 2025.
- Gendolla, G.H.E. (2025). *Disengagement: The roles of affect and success importance*. Invited keynote at the Disengagement Pre-Conference at the 16th Annual Meeting of the Society for the Science of Motivation (SSM). Washington, DC, 21 May 2025.
- Gendolla, G.H.E. (2025). *La motivation humaine : Des perspectives psychologiques*. Invited talk at « La semaine du cerveau 2025 » Université de Genève, CH, 10 March 2025.
- Gendolla, G.H.E. (2025). *La motivation et l'auto-régulation ou « comment réaliser ses buts ? »*. Invited talk at the Gymnase de Nyon, CH, 11 February 2025.
- Gendolla, G.H.E., Falk, J.R., Gollwitzer, P.M., & Oettingen, G. (2024). *Personal task choice shields against noise effects on effort intensity: Studies on cardiac response*. Talk at SPR 2024, the Annual Meeting of the Society for Psychophysiological Research (SPR). Prague, CZ, 23-26 October 2024.
- Falk, J.R., Framorando, D., Gendolla, G.H.E., Gollwitzer, P.M., & Oettingen, G. (2024). *Affective influences on effort and the action shielding effect in a "do your best" context*. Poster at SPR 2024, the Annual Meeting of the Society for Psychophysiological Research (SPR). Prague, CZ, 23-26 October 2024.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2024). *Cognitive conflict is not always effortful: Insights from the cardiovascular system*. Poster at SPR 2024, the Annual Meeting of the Society for Psychophysiological Research (SPR). Prague, CZ, 23-26 October 2024.
- Gendolla, G.H.E. (2024). *„Action Shielding“: Persönliche Kontrolleffekte auf Anstrengung*. Talk at 43rd Motivationspsychologisches Kolloquium (MPK 2024). München, D, 9-11 October 2024.

- Gendolla, G.H.E. (2024). *The power of personal control: Task choice shields against affective influences on effort*. Position paper talk at the 53rd Congress of the Deutsche Gesellschaft für Psychologie (DGPs). Vienna, A, 16-19 September 2024.
- Gendolla, G.H.E. (2024). *Action control and goal pursuit: Discussion*. Talk at the 2024 Annual Convention of the Association for Psychological Science (APS). San Francisco, CA, 23-27 May 2024.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2024). *On the shielding effect of volitional processes against cognitive conflict's impact on effort*. Talk at the 2024 Annual Convention of the Association for Psychological Science (APS). San Francisco, CA, 23-27 May 2024.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2024). *Cognitive conflict is not always effortful!* Poster at the 16th Annual Meeting of the Society for the Science of Motivation (SSM). San Francisco, CA, 23 May 2024.
- Gendolla, G.H.E., Framorando, D., Falk, J.D., Gollwitzer, P.M., & Oettingen, G. (2024). *Personal task choice can shield against implicit affective influences on effort*. Talk at the 66th Tagung Experimentell Arbeitender Psychologen (TeaP). Regensburg, D, 17-20 March 2024.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2024). *Conflict primes and effort: The shielding effects of volitional processes*. Talk at the 66th Tagung Experimentell Arbeitender Psychologen (TeaP). Regensburg, D, 17-20 March 2024.
- Gendolla, G.H.E., Framorando, D., Falk, J.D., Gollwitzer, P.M., & Oettingen, G. (2023). *Task choice shields against implicit affective influences on effort-related cardiac response*. Talk at SPR 2023, the Annual Meeting of the Society for Psychophysiological Research (SPR). New Orleans, LA, 27 September – 1 October 2023.
- Falk, J.D., Gendolla, G.H.E., Oettingen, G., & Gollwitzer, P.M., & (2023). *Dysphoria effects on effort-related cardiovascular responses and the shielding power of personal choice*. Poster at SPR 2023, the Annual Meeting of the Society for Psychophysiological Research (SPR). New Orleans, LA, 27 September – 1 October 2023.
- Gendolla, G.H.E. (2023). *Mut zur Tat: Was im Körper geschieht, wenn wir Mut fassen*. Invited Talk at Volkshochschule Zürich. Zürich, CH, 20 September 2023.
- Gendolla, G.H.E. (2023). *Discussion: Effort - listen to your heart (and more)*. Talk at IOP2023: The 21st World Congress of Psychophysiology. Geneva, CH, 26-29 June 2023.
- Gendolla, G.H.E., Falk, J.R., Framorando, D., Gollwitzer, P.M., & Oettingen, G. (2023). *Action choice shields against explicit and implicit affective influences on effort-related cardiac response*. Talk at IOP2023: The 21st World Congress of Psychophysiology. Geneva, CH, 26-29 June 2023.
- Falk, J.R., Gendolla, G.H.E., Gollwitzer, P.M., & Oettingen, G. (2023). *Choice, noise, and effort: Personal choice shields against noise effects on effort-related cardiovascular response*. Talk at IOP2023: The 21st World Congress of Psychophysiology. Geneva, CH, 26-29 June 2023.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2023). *Is implicit cognitive conflict really effortful? Insights from studies on effort-related cardiac response*. Talk at IOP2023: The 21st World Congress of Psychophysiology. Geneva, CH, 26-29 June 2023.
- Gendolla, G.H.E., & Bouzidi, Y.S., Framorando, D., & Falk, J.R. (2023). *Task choice shields against implicit affective impact on effort*. Talk at the 2023 Annual Convention of the Association for Psychological Science (APS), Washington, DC, 25-28 May 2023.

- Bouzidi, Y.S., & Gendolla, G.H.E. (2023). *Action-state orientation: A moderator of cognitive conflict and task difficulty effects on effort-related cardiac response*. Poster at the 2023 Annual Convention of the Association for Psychological Science (APS), Washington, DC, 25-28 May 2023.
- Falk, J.R., Gendolla, G.H.E., Oettingen, G., & Gollwitzer, P.M. (2023). *Personal choice attenuates noise effects on effort-related cardiovascular response*. Poster at the 2023 Annual Convention of the Association for Psychological Science (APS), Washington, DC, 25-28 May 2023.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2023). *When action-state orientation acts as a moderator of cognitive conflict and task difficulty effects on effort-related cardiac response*. Poster at the 15th Annual Meeting of the Society for the Science of Motivation (SSM), Washington, DC, 25 May 2023.
- Framorando, D., Falk, J.R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G.H.E. (2023). *Affect prime effects on effort and the critical role of personal choice*. Poster at the 15th Annual Meeting of the Society for the Science of Motivation (SSM), Washington, DC, 25 May 2023.
- Falk, J.R., Gendolla, G.H.E., Oettingen, G., & Gollwitzer, P.M. (2023). *Noise in volition: The immunizing effect of personal choice against noise effects on effort*. Talk at the Dutch Social Psychology Conference (ASPO). Utrecht, NL, 21 April 2023.
- Gendolla, G.H.E., & Bouzidi, Y.S. (2023). *Primed cognitive conflict, shielding, and effort-related cardiac response*. Talk at the International Convention of Psychological Science (ICPS), Brussels, B, 9-11 March 2023.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2023). *Action-state orientation: A moderator of task difficulty and cognitive conflict effects on effort-related cardiac response*. Poster at the International Convention of Psychological Science (ICPS), Brussels, B, 9-11 March 2023.
- Falk, J.R., Gendolla, G.H.E., Oettingen, G., & Gollwitzer, P.M. (2023). *Noise annoys – but personal choice shields against noise effects on effort-related cardiac response*. Poster at the International Convention of Psychological Science (ICPS), Brussels, B, 9-11 March 2023.
- Gendolla, G.H.E. (2023). *Warum strengen wir uns an?* Invited science workshop at the Institut für Selbstmanagement und Motivation Zürich (ISMZ), Zürich, 21 January 2023.
- Gendolla, G.H.E. (2022). *Cardiovascular measures of effort – with a special focus on the roles of affect and autonomy*. Invited talk at the University of Bordeaux, F, 10 November 2022.
- Gendolla, G.H.E. (2022). *Effort: About trying harder and disengaging with a special focus on the impact of affect and choice*. Invited talk at the “Mental Fatigue and Self-Control, Motivation, and Addicton” Small Group Meeting, University of Poitiers, F, 14 October 2022.
- Falk, J. R., Gendolla, G.H.E., Oettingen, G., & Gollwitzer, P.M. (2022). *Personal choice shields against noise effects on effort-related cardiovascular response*. Poster at the 62nd Annual Meeting of the Society for Psychophysiological Research (SPR), Vancouver, CAN, 28 September – 2 October 2022.
- Falk, J. R., Gendolla, G.H.E., Oettingen, G., & Gollwitzer, P.M. (2022). *Personal choice immunizes against incidental affective influences on effort*. Talk at the 17th Conference of the Swiss Psychological Society (SSP), Zürich, 4-6 September 2022.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2022). *Is cognitive effort really effortful? Insights from studies on effort-related cardiac response*. Talk at the 17th Conference of the Swiss Psychological Society (SSP), Zürich, 4-6 September 2022.
- Gendolla, G.H.E. (2022). *Cardiovascular measures of effort—with a special focus on the role of affect*. Invited keynote at the 4th European Association for Learning and Instruction (EARLI) EFG Meeting, Padova, I, 9-10 June 2022.

- Falk, J.R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G.H.E. (2022). *Personal action choice shields against incidental affective influences on effort*. Talk at the 8th Consortium of European Research on Emotions (CERE). Granada, E, 10-11 June 2022.
- Falk, J.R., Gendolla, G.H.E., Gollwitzer, P.M., & Oettingen, G. (2022). *An implemental mindset protects against mood influences on task persistence*. Poster at the 2022 Annual Convention of the Association for Psychological Science (APS), Chicago, IL, 26-29 May 2022.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2022). *Personal choice moderates cognitive conflict's impact on effort-related cardiac response*. Poster at the 2022 Annual Convention of the Association for Psychological Science (APS), Chicago, IL, 26-29 May 2022.
- Silvestrini, N., Cancela, T. & Gendolla, G.H.E. (2022). *Impact of pain on cognitive effort assessed as cardiovascular reactivity*. Talk at the 2022 Annual Convention of the Association for Psychological Science (APS), Chicago, IL, 26-29 May 2022.
- Gendolla, G.H.E. (2022). *Pain and effort: Is pain special?* Talk at the 2022 Annual Convention of the Association for Psychological Science (APS), Chicago, IL, 26-29 May 2022.
- Gendolla, G.H.E., Falk, J.R., Gollwitzer, P.M., & Oettingen, G. (2022). *Task choice: An immunizer against incidental affective influences on effort*. Talk at the 2022 Annual Convention of the Association for Psychological Science (APS), Chicago, IL, 26-29 May 2022.
- Falk, J.R. & Gendolla, G.H.E. (2022). *Choice of task characteristics shields against incidental affective influences in an easy task*. Poster at the 14th Annual Meeting of the Society for the Science of Motivation (SSM), Chicago, IL, 26 May 2022.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2022). *Personal choice moderates cognitive conflict's impact on effort*. Poster at the 14th Annual Meeting of the Society for the Science of Motivation (SSM), Chicago, IL, 26 May 2022.
- Gendolla, G.H.E., & Bouzidi, Y.S. (2022). *The power of choice: Effects on effort intensity and effortful cognitive conflict*. Talk at the 14th Annual Meeting of the Society for the Science of Motivation (SSM), Chicago, IL, 26 May 2022.
- Gendolla, G.H.E., Bouzidi, Y.S., Falk, J.R., Gollwitzer, P.M., & Oettingen, G. (2022). *Personal task choice immunizes against incidental affective influences on effort*. Talk at the 64th Tagung Experimentell Arbeitender Psycholog:innen (TeaP). University of Cologne (online), 20-23 March 2022.
- Falk, J.R., Oettingen, G., Gollwitzer, P.M., & Gendolla, G.H.E. (2022). *Choice of task characteristics shields against music and noise stimulation effects on effort*. Talk at the 64th Tagung Experimentell Arbeitender Psycholog:innen (TeaP). University of Cologne, D, (online), 20-23 March 2022.
- Falk, J.R., Gollwitzer, P.M., Oettingen, G., & Gendolla, G.H.E. (2022). *The way how we engage in action matters: Task choice shields against incidental affective influences on volition*. Poster at the Society for Personality and Social Psychology Annual Convention (SPSP). San Francisco, CA (online), 16-19 February 2022.
- Falk, J.R., & Gendolla, G.H.E. (2022). *Choice, affect, and effort: The shielding effect of personal choice*. Talk at the 1st CISA Researchers Retreat. Geneva, 18-19 November 2021.
- Gendolla, G.H.E., Bouzidi, Y.S., & Falk, J.R. (2021). *Task choice immunizes against affective influences on volition*. Talk at the Motivationspsychologisches Kolloquium (MPK), University of Zürich, 28-30 October 2021.
- Cancela, T., Silvestrini, N., & Gendolla, G.H.E. (2021). *Incentives moderate pain's impact on mental effort*. Poster at the Motivationspsychologisches Kolloquium (MPK), University of Zürich, 28-30 October 2021.

- Bouzidi, Y.S., & Gendolla, G.H.E. (2021). *The moderating role of action-state orientation on latent cognitive conflict's effect on effort-related cardiac response*. Poster at the Motivationspsychologisches Kolloquium (MPK), University of Zürich, 28-30 October 2021.
- Falk, J.R., & Gendolla, G.H.E. (2021). *Task choice protects against incidental affective influences on effort-related cardiovascular response*. Poster at the Motivationspsychologisches Kolloquium (MPK), University of Zürich, 28-30 October 2021.
- Gendolla, G.H.E., Bouzidi, Y.S., & Falk, J.R. (2021). *Task choice moderates affective influences on effort-related cardiovascular response*. Talk at the 20th World Congress of the International Organization of Psychophysiology (IOP), Virtual Congress, 7-11 September 2021.
- Falk, J.R., Gendolla, G.H.E., Gollwitzer, P.M., & Oettingen, G. (2021). *How we engage in action matters: Task choice immunizes against incidental affective influences on effort-related cardiovascular response*. Talk at the 10th Workshop General Psychology – “How to create and convey science”. University of Würzburg, D, 16-18 July 2021.
- Falk, J.R., & Gendolla, G.H.E. (2021). *Choice, affect, and effort: Task choice shields against incidental affective influences in a difficult task*. Poster presented at the 13th Annual Meeting of the Society for the Science of Motivation (SSM), Virtual Conference, 13-14 May 2021.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2021). *Impact of latent cognitive conflict on effort-related cardiac response and moderating role of action-state orientation*. Poster presented at the 13th Annual Meeting of the Society for the Science of Motivation (SSM), Virtual Conference, 13-14 May 2021.
- Falk, J.R., & Gendolla, G.H.E. (2021). *Affect in volition: The immunizing effect of task choice against incidental affective influences in a highly demanding task*. Poster presented at the Association for Psychological Science (APS) Virtual Convention, 26-27 May 2021.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2021). *Latent cognitive conflict's impact on effort-related cardiac response: First evidence*. Poster presented at the Association for Psychological Science (APS) Virtual Convention, 26-27 May 2021.
- Gendolla, G.H.E. (2021). *Effort mobilization: Some lessons from the heart*. Invited online talk at Striving and Doing: A Workshop on effort and action, University of Neuchâtel, 21-23 April 2021.
- Gendolla, G.H.E. (2021). *Motivation: Psychological contributions to oral health*. Invited online talk at the 3rd International Gerodontology Symposium. Bern, 09-10 April 2021
- Gendolla, G.H.E. (2021). *Priming the heart: How implicit affect influences mental effort*. Invited webinar of the International Organization of Psychophysiology (IOP), 12 Mars 2021.
- Gendolla, G.H.E. (2020). *Implicit affect and cognitive effort: Simple effects, moderators, and boundary conditions of automaticity*. Invited online talk at University of Zurich, 24 November 2020.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2020). *Stimulus color choice increases cognitive control in a Flanker task*. Poster presented at the Virtual Poster Showcase of the 32nd Annual Convention of the Association for Psychological Science (APS), 21-24 May 2020.
- Bouzidi, Y.S., & Gendolla, G.H.E. (2020). *Intention formation shields against mood effects on effort mobilization*. Poster presented at the 12th Annual Meeting of the Society for the Science of Motivation (SSM), Virtual Conference, 21 May 2021.
- Gendolla, G.H.E. (2020). *Positive affect and cognitive effort*. Invited talk at the Lorenz Center Workshop on « Positive Affect: Nature, Neurochemistry, and Function », Leiden University, NL, 2-6 March 2020.
- Gendolla, G.H.E. (2020). *Implicit affect and cognitive effort: Simple effects, moderators, and boundary*

- conditions of automaticity*. Invited talk at Ghent University, B, 13 February 2020.
- Gendolla, G.H.E. (2020). *La motivation, l'autorégulation et l'effort*. Invited talk at the company Move Up, Gland. 21 January 2020.
- Gendolla, G.H.E. (2019). *Motivation ! Geneva Motivation Lab : L'autorégulation de l'effort*. Invited talk at the Geneva Creativity Center (GCC). 16 October 2019.
- Gendolla, G.H.E., & Framorando, D. (2019). *Implicit affect and effort: Boundary conditions of automaticity*. Talk at the Motivationspsychologisches Kolloquium (MPK) in Berlin, D, 10-13 September 2019.
- Gendolla, G.H.E., & Framorando, D. (2019). *Prime awareness and task context moderate implicit affective influences on effort mobilization*. Talk at the 21st Conference of the European Society for Cognitive Psychology (ESCP) in Tenerife, 25-28 September 2019.
- Bouzidi, Y.S., Gendolla, G.H.E., Silvestrini, N., Gollwitzer, P.M., Oettingen, G. (2019). *Intention formation shields against mood effects on effort mobilization*. Poster presented at the 16th Congress of the Swiss Society of Psychology in Bern, 9-11 September 2019.
- Gendolla, G.H.E., & Framorando, D. (2019). *Implicit affect and effort: Prime awareness and task context effects*. Talk at the 16th Congress of the Swiss Psychological Society (SPS) in Bern, 9-11 September 2019.
- Gendolla, G.H.E. (2019). *How to publish in motivation science*. Invited talk at the Konstanz International School on Motivation Science (kismos) in Konstanz, D, 22 August 2019.
- Gendolla, G.H.E., & Framorando, D. (2019). *Implicit affect and cognitive effort: Boundary conditions*. Talk at the 2019 International Society of Research on Emotion (ISRE) conference in Amsterdam, NL, 10-13 July, 2019.
- Gendolla, G.H.E. (2019). *Grenzbedingungen automatischer Anstrengungsmobilisierung*. Invited talk at Technical University Munich, Munich, D, 25 June 2019.
- Gendolla, G.H.E., & Framorando, D. (2019). *Task context effects on effort mobilization: The case of implicit affect*. Talk at the 31st Annual Convention of the Association for Psychological Science (APS) in Washington, DC, 23-26 May 2019.
- Framorando, D., & Gendolla, G.H.E. (2019). *Implicit affect primes' effect on effort is context-dependent*. Poster at the 31st Annual Convention of the Association for Psychological Science (APS) in Washington, DC, 23-26 May 2019.
- Framorando, D., & Gendolla, G.H.E. (2019). *Boundary conditions of implicit affective influences on effort mobilization*. Poster at the 12th Annual Meeting of the Society for the Study of Motivation (SSM) in Washington, DC, 23 May 2019.
- Gendolla, G.H.E. (2019). *Implicit affect and cognitive effort: A motivational intensity perspective*. Invited talk at Vita-Salute San Raffaele University, Milano, I, 9 May 2019.
- Gendolla, G.H.E., & Framorando, D. (2019). *Implicit affect and effort: The role of prime awareness*. Talk at the International Convention of Psychological Science (ICPS), Paris, F, 7-9 March 2019.
- Framorando, D., & Gendolla, G.H.E. (2019). *Implicit affect primes' effect on effort is context-dependent*. Poster at the Annual Convention of the Society for Personality and Social Psychology (SPSP) in Portland, OR, 7-9 February 2019.
- Gendolla, G.H.E. (2019). *Measuring effort: Some lessons from the heart*. Invited talk at the Motivation Science Preconference of the Annual Convention of the Society for Personality and Social Psychology (SPSP) in Portland, OR, 7 February 2019.

- Framorando, D., & Gendolla, G.H.E. (2019). *Implicit affect primes' effect on effort is context-dependent*. Poster at the Motivation Science Preconference of the Annual Convention of the Society for Personality and Social Psychology (SPSP) in Portland, OR, 7 February 2019.
- Gendolla, G.H.E. (2019). *Les facteurs motivationnels et affectifs dans la créativité*. Invited talk at the symposium "Comment naissent les bonnes idées". Centre Hospitalier Universitaire Vaudois (CHUV). Lausanne, CH, 18 January 2019.
- Gendolla, G.H.E., & Framorando, D. (2018). *Implicit affect and effort-related cardiac response: Boundary conditions of effort automaticity*. Talk at the 58th Annual Meeting of the Society for Psychophysiological Research (SPR) in Quebec City, QC, CDN, 3-7 October 2018.
- Framorando, D., & Gendolla, G.H.E. (2018). *The effect of implicit affect, prime warning, and gender on effort-related cardiac response*. Poster at the 58th Annual Meeting of the Society for Psychophysiological Research (SPR) in Quebec City, QC, CDN, 3-7 October 2018.
- Gendolla, G.H.E., & Framorando, D. (2018). *Boundary conditions of implicit affective influences on effort-related cardiovascular response*. Talk at the 19th World Congress of Psychophysiology in Lucca, I, 4-8 September 2018.
- Framorando, D., & Gendolla, G.H.E. (2018). *The effect of affect primes' visibility on effort-related cardiovascular response is moderated by gender*. Poster at the 19th World Congress of Psychophysiology in Lucca, I, 4-8 September 2018.
- Gendolla, G.H.E., & Framorando, D. (2018). *Prime awareness: A boundary condition of affective influences on effort mobilization*. Talk at the 30th Annual Convention of the Association for Psychological Science (APS) in San Francisco, CA, 24-27 May 2018.
- Framorando, D., & Gendolla, G.H.E. (2018). *The effect of affect primes' visibility on effort-related cardiovascular response is moderated by gender*. Poster at the 30th Annual Convention of the Association for Psychological Science (APS) in San Francisco, CA, 24-27 May 2018.
- Framorando, D., & Gendolla, G.H.E. (2018). *Prime warning moderates implicit affects' effect on effort-related cardiac response—especially in men*. Poster at the 11th Annual Meeting of the Society for the Study of Motivation (SSM) in San Francisco, CA, 24 May 2018.
- Gendolla, G.H.E. (2018). *On implicit affect and cognitive effort*. Invited talk at Université Grenoble Alpes, Grenoble, F, 9 February 2018.
- Gendolla, G.H.E., & Brinkmann, K. (2018). *Depression vulnerability, appraisal biases, and effort mobilization*. Talk at the Kick-Off Meeting of the EU project "Assessing and Enhancing Emotional Competence for Well-Being (ECoWeB) in the Young", Munich, D, 15-17 January 2018.
- Gendolla, G.H.E. (2017). *Implizite Furcht, implizites Altern und die Selbstregulation von Anstrengung*. Talk at the 37. Motivationspsychologisches Kolloquium (MPK), Trier, D, 8-10 October 2017.
- Gendolla, G.H.E. (2017). *Implicit fear, implicit aging, and the self-regulation of cognitive effort*. Talk at the 15th Congress of the Swiss Society for Psychology (SSP) in Lausanne, CH, 4-5 September 2017.
- Framorando, D., & Gendolla, G.H.E. (2017). *Prime visibility: A boundary condition of implicit affect' impact on effort mobilization*. Poster at the 15th Congress of the Swiss Society for Psychology (SSP) in Lausanne, CH, 4-5 September 2017.
- Gendolla, G.H.E. (2017). *Anstrengungsmobilisierung: Theorie, Messung und zentrale Ergebnisse*. Invited talk at the Technische Universität München, D, 13 June 2017.
- Gendolla, G.H.E. (2017). *Motivational intensity theory and the heart: Insights from 40 years of research*. Talk at the 29th Annual Convention of the Association for Psychological Science (APS) in Boston, MA, 26-29 May 2017.

- Gendolla, G.H.E. (2017). *Monetary incentive moderates automaticity effects in effort mobilization*. Talk at the 29th Annual Convention of the Association for Psychological Science (APS) in Boston, MA, 26-29 May 2017.
- Framorando, D., & Gendolla, G.H.E. (2017). *The effect of affect prime visibility on effort-related cardiovascular response*. Poster at the 29th Annual Convention of the Association for Psychological Science (APS) in Boston, MA, 26-29 May 2017.
- Gendolla, G.H.E., & Wright, R.A. (2017). *Aims and visions for Motivation Science*. Talk at the 10th Annual Meeting of the Society for the Study of Motivation (SSM) at Boston, MA, 25 May 2017.
- Framorando, D., & Gendolla, G.H.E. (2017). *The effect of affect prime visibility on effort-related cardiovascular response*. Poster at the 10th Annual Meeting of the Society for the Study of Motivation (SSM) at Boston, MA, 25 May 2017.
- Gendolla, G.H.E. (2017). *The psychophysiology of motivation: Some insights straight from the heart*. Talk at the International Convention of Psychological Science (ICPS), Vienna, A, 23-25 March 2017.
- Gendolla, G.H.E. (2017). *Implicit fear and effort-related cardiac response: Simple effects and moderators*. Talk at the International Convention of Psychological Science (ICPS), Vienna, A, 23-25 March 2017.
- Framorando, D., & Gendolla, G.H.E. (2017). *The effect of affect prime visibility on effort-related cardiovascular response*. Poster at the International Convention of Psychological Science (ICPS), Vienna, A, 23-25 March 2017.
- Gendolla, G.H.E. (2017). *Automatic effort mobilization: The role of implicit affect*. Invited talk at John Moores University Liverpool, UK, 1 February 2017.
- Gendolla, G.H.E. (2016). *What we have learned about effort mobilization – with a special focus on affective processes*. Invited talk at New York University, NY, USA, 27 September 2016.
- Gendolla, G.H.E., & Chatelain, M. (2016). *Implicit fear and effort-related cardiac response*. Talk at the 18th World Congress of the International Organization for Psychophysiology (IOP), Havana, Cuba, 31 August – 4 September 2016.
- Gendolla, G.H.E. (2016). *Motivational intensity theory and effort-related cardiovascular response: An overview*. Talk at the 18th World Congress of the International Organization for Psychophysiology (IOP), Havana, Cuba, 31 August – 4 September 2016.
- Gendolla, G.H.E. (2016). *Implicitly perceived emotional faces and the intensity of motivation*. Invited keynote at the Conference on Motivation and Social Perception, sponsored by the Society for the Study of Motivation (SSM), Gdansk, PL, July 19-22, 2016
- Zafeiriou, A. & Gendolla, G.H.E. (2016). *Mathematical equations seem to be more difficult when the aging concept is activated*. Poster presented at the Annual Research Forum of the NCCR Affective Sciences, Geneva, CH, 3 March 2016.
- Gendolla, G.H.E. (2016). *The Geneva Motivation Lab: The psychology of effort*. Talk at the 1st Geneva Behavioral Insights Meeting. University of Geneva, CH, 8 February 2016.
- Gendolla, G.H.E. (2016). *Gefühle und Wahrnehmung (Feelings and perception)*. Invited talk at the Volkshochschule Zürich, Zürich, CH, 13 January 2016.
- Brinkmann, K., Franzen, J., Gendolla, G.H.E., & Silvestrini, N. (2015). *Le visage ne mente pas*. Workshop at “Remue-méninges à la FPSE. Journée portes ouvertes.” University of Geneva, Geneva, CH, 31 October 2015.

- Gendolla, G.H.E. & Chatelein, M. (2015). *Implicit fear, effort, and the heart*. Talk at the 14th conference of the Swiss Society for Psychology (SSP), Geneva, CH, 8-9 September 2015.
- Gendolla, G.H.E. (2015). *On implicit affect and trying harder: New insights*. Talk at the 2015 Conference of the International Society for Research on Emotions (ISRE), Geneva, CH, 8-10 July 2015.
- Gendolla, G.H.E. (2015). *Implicit affective cues make you try harder*. Invited talk at New York University, New York, NY, USA, 26 May 2015.
- Gendolla, G.H.E. (2015). *Sadness, effort, and the heart*. Talk at the 27th Annual Convention of the Association for Psychological Science (APS) in New York, NY, USA, 21-24 May 2015.
- Gendolla, G.H.E. & Chatelein, M. (2015). *Implicit fear and the intensity of motivation*. Talk at the 8th Annual Meeting of the Society for the Study of Motivation (SSM) at New York, NY, USA, 21 May 2015.
- Gendolla, G.H.E. & Chatelein, M. (2015). *Implicit fear and the intensity of motivation*. Talk at the inaugural International Convention of Psychological Science (ICPS), Amsterdam, NL, 12-14 March 2015.
- Chatelein, M., & Gendolla, G.H.E. (2015). *Implicit fear and effort-related cardiac response*. Poster at the inaugural International Convention of Psychological Science (ICPS), Amsterdam, NL, 12-14 March 2015.
- Zafeiriou, A., & Gendolla, G.H.E. (2014). *Implicit aging influences mental effort*. Poster at the inaugural International Convention of Psychological Science (ICPS), Amsterdam, NL, 12-14 March 2015.
- Gendolla, G.H.E. (2014). *Impliziter Affekt und Anstrengungsmobilisierung*. Vortrag auf dem 49. Kongress der Deutschen Gesellschaft für Psychologie (DGPs), Bochum, Germany, 21-25 September 2014.
- Gendolla, G.H.E. (2014). *Implicit affect can make you try harder: New Insights*. Invited talk the International Summer School in Affective Science: Emotion Meets Action. Château de Bossey, CH, 6-14 July 2014.
- Gendolla, G.H.E. (2014). *Implicit affect and the intensity of motivation: New Insights*. Talk at the 17th General Meeting of the European Association of Social Psychology (EASP), Amsterdam, NL, 9-12 July 2014.
- Gendolla, G.H.E. (2014). *Implicit affective cues can make you trying harder: New insights*. Invited talk at University College London, London, UK, 10 June 2014.
- Gendolla, G.H.E. (2014). *Implicit sadness, effort, and the heart*. Talk at the 26th Annual Convention of the Association for Psychological Science (APS), San Francisco, CA, USA, 22-25 May 2014.
- Chatelein, M., & Gendolla, G.H.E. (2014). *Implicit fear and effort-related cardiac response*. Poster at the 26th Annual Convention of the Association for Psychological Science (APS), San Francisco, CA, USA, 22-25 May 2014.
- Zafeiriou, A., & Gendolla, G.H.E. (2014). *Implicit aging influences effort-related cardiac response*. Poster at the 26th Annual Convention of the Association for Psychological Science (APS), San Francisco, CA, USA, 22-25 May 2014.
- Gendolla, G.H.E. (2014). *The effects of implicit affect on trying harder: New insights*. Talk at the 7th Annual Meeting of the Society for the Study of Motivation (SSM). San Francisco, CA, USA, 22 May 2014.
- Chatelein, M., & Gendolla, G.H.E. (2014). *The impact of implicit fearful faces on effort-related cardiac response*. Poster at the 7th Annual Meeting of the Society for the Study of Motivation (SSM). San Francisco, CA, USA, 22 May 2014.

- Zafeiriou, A. & Gendolla, G.H.E. (2014). *Implicit aging influences effort-related cardiac response*. Poster at the 7th Annual Meeting of the Society for the Study of Motivation (SSM). San Francisco, CA, USA, 22 May 2014.
- Chatelain, M., & Gendolla, G. H. E. (2014). *Implicit fear, anger, and happiness effects on effort-related cardiac response*. Poster presented at the Annual Research Forum of the NCCR Affective Sciences, Geneva, Switzerland, 13-14 February 2014.
- Zafeiriou, A. & Gendolla, G.H.E. (2014). *Implicit aging concept activation influences effort-related cardiac reactivity during a cognitive task*. Poster presented at the Annual Research Forum of the NCCR Affective Sciences, Geneva, Switzerland, 13-14 February 2014.
- Gendolla, G.H.E. (2013). *Implizite Traurigkeit und Anstrengungsmobilisierung*. Invited talk at the University of Bern, Switzerland, 14 November 2013.
- Chatelain, M., & Gendolla, G. H. E. (2013). *L'effet de la peur implicite sur l'effort mental*. Talk at the Programme doctoral romand en psychologie, Lausanne, Switzerland, 29 November 2013.
- Zafeiriou, A. & Gendolla, G.H.E. (2013). *Implicit aging concept activation influences effort-related cardiac reactivity during a cognitive task*. Poster presented at the Programme doctoral romand en psychologie, Lausanne, Switzerland, 29 November 2013.
- Gendolla, G.H.E. (2013). *Resource conservation moderates automatic effort mobilization. Effects on cardiac response*. Talk at the 53rd Annual Meeting of the Society for Psychophysiological Research (SPR). Florence, Italy, 2-6 October 2013.
- Brinkmann, K., Franzen, J., Rossier, C., & Gendolla, G.H.E. (2013). *Attenuated effort-related cardiovascular reactivity during reward anticipation in sub-clinical depression*. Talk at the 53rd Annual Meeting of the Society for Psychophysiological Research (SPR). Florence, Italy, 2-6 October 2013.
- Silvestrini, N., & Gendolla, G. H. E. (2013). *Implicit affect and effort-related cardiac response*. Talk at the 22nd World Congress on Psychosomatic Medicine. Lisbon, Portugal, 12-14 September 2013.
- Gendolla, G.H.E. (2013). *Implicit affect and the intensity of motivation: New insights*. Talk at the 13th Conference of the Swiss Psychological Society (SSP/SGP). Basel, Switzerland, 11-12 September 2013.
- Gendolla, G.H.E. (2013). *Implicit affect and the intensity of motivation: New insights*. Talk at the 25th Annual Convention of the Association for Psychological Science (APS), Washington, DC, USA, 23-26 May 2013.
- Brinkmann, K., Rossier, C., & Gendolla, G.H.E. (2013). *I don't care about others' approval: Insensitivity to social rewards in dysphoria*. Poster at the 25th Annual Convention of the Association for Psychological Science (APS), Washington, DC, USA, 23-26 May 2013.
- Gendolla, G.H.E., & Freydefont, L. (2013). *Beyond valence: The impact of implicit sadness vs. anger on motivational intensity*. Talk at the 6th Annual Meeting of the Society for the Study of Motivation (SSM). Washington, DC, USA, 23 May 2013.
- Brinkmann, K., Rossier, C., & Gendolla, G.H.E. (2013). *Social rewards fail to elicit high effort mobilization in dysphoric individuals*. Poster at the 6th Annual Meeting of the Society for the Study of Motivation (SSM). Washington, DC, USA, 23 May 2013.
- Gendolla, G.H.E. (2013). *Resource conservation meets automaticity: A drama in four parts*. Invited talk at the Kurt-Lewin-Institute workshop on "Self-Regulation of Effort: Physiological and Cognitive Processes". Free University of Amsterdam, NL, 25-26 April 2013.

- Gendolla, G.H.E. (2013). *Effort: Basic processes ... and the role of implicit affect*. Invited talk at the Kurt-Lewin-Institute workshop on "Self-Regulation of Effort: Physiological and Cognitive Processes". Free University of Amsterdam, NL, 25-26 April 2013.
- Gendolla, G.H.E. (2013). *Implicit affect influences effort-related cardiac response: Anger vs. sadness*. Invited talk at Utrecht University, NL, 24 April 2013.
- Gendolla, G.H.E., & Silvestrini, N. (2012). *"Go!" Putting the automaticity of effort mobilization into context*. Talk at the Annual Meeting of the Society for Experimental Social Psychology (SESP), Austin, TX, USA, 25-27 October 2012.
- Gendolla, G.H.E., & Silvestrini, N. (2012). *"Los!" – Direkte Anstrengungsmobilisierung durch das implizite Handlungskonzept*. Talk at the 48. Kongress der Deutschen Gesellschaft für Psychologie (DGPs), Bielefeld, Germany, 23-27 September 2012.
- Brinkmann, K., Rossier, C., & Gendolla, G.H.E. (2012). *Attenuated effort mobilization to a social reward in dysphoria: Evidence from cardiovascular response*. Poster at the 52nd Annual Meeting of the Society for Psychophysiological Research (SPR), New Orleans, LA, USA, 19-23 September 2012.
- Gendolla, G.H.E. (2012). *Implicit affect influences effort-related cardiac response: Sadness vs. anger*. Talk at the 16th World Congress of Psychophysiology, Pisa, Italy, 13-17 September 2012.
- Gendolla, G.H.E. (2012). *Impliziter Affekt und motivationale Intensität: Studien zu kardiovaskulärer Reaktivität*. Invited talk at the Universitätsspital Basel, Basel, 28 August, 2012.
- Gendolla, G.H.E. (2012). *Neue Entwicklungen in der Motivationsforschung unter Berücksichtigung emotionaler Prozesse*. Invited talk at the Psychiatrische Klinik Zugersee, Zug, 9 July 2012.
- Gendolla, G.H.E. (2012). *Impliziter Affekt und Anstrengungsmobilisierung*. Invited talk at Technical University Munich, München, Germany, 12 June 2012.
- Gendolla, G.H.E., & Freydefont, L. (2012). *Beyond valence: Implicit sadness vs. anger cues and the self-regulation of effort*. Talk at the 24th Annual Convention of the Association for Psychological Science (APS), Chicago, IL, USA, 24-27 May 2012.
- Freydefont, L., & Gendolla, G.H.E. (2012). *Anger versus sadness primes, monetary incentive, and effort-related cardiac response*. Poster at the 24th Annual Convention of the Association for Psychological Science (APS), Chicago, IL, USA, 24-27 May 2012.
- Lasauskaite, R., & Gendolla, G.H.E. (2012). *The implicit links between happiness and ease versus sadness and difficulty*. Poster at the 24th Annual Convention of the Association for Psychological Science (APS), Chicago, IL, USA, 24-27 May 2012.
- Gendolla, G.H.E., & Silvestrini, N. (2012). *Integrating motivational and cognitive influences on mental effort*. Talk at the 5th Conference of the Society for the Study of Motivation (SSM) in Chicago, IL, USA, 24 May 2012.
- Freydefont, L., & Gendolla, G.H.E. (2012). *Implicit affect primes and monetary incentive: Impact on effort-related cardiac response*. Poster at the 5th Conference of the Society for the Study of Motivation (SSM) in Chicago, IL, USA, 24 May 2012.
- Lasauskaite, R., & Gendolla, G.H.E. (2012). *Implicit sadness-difficulty and happiness-ease associations*. Poster at the 5th Conference of the Society for the Study of Motivation (SSM) in Chicago, IL, USA, 24 May 2012.
- Gendolla, G.H.E. (2012). *Motivation: Was und wie?* Invited talk at the 3. Züricher Dysphagietagung. University Hospital Zürich, 27-28 January 2012.
- Gendolla, G.H.E. (2011). *How implicit affect influences (mental) effort*. Invited talk at Bangor University, Wales, UK, 28 September 2011.

- Gendolla, G.H.E., & Silvestrini, N. (2011). *Direct implicit influences on the intensity of mental effort*. Talk at the 12th Conference of the Swiss Psychological Society (SSP/SGP), in Fribourg, 12-13 September 2011.
- Brinkmann, K., & Gendolla, G.H.E. (2011). *Depression from a motivational perspective of mood influences on effort mobilization*. Talk at the 12th Conference of the Swiss Psychological Society (SSP/SGP), in Fribourg, 12-13 September 2011.
- Lasauskaite, R., Gendolla, G.H.E., & Silvestrini, N. (2011). *Informational weight of affective primes on mental effort*. Poster at the 12th Conference of the Swiss Psychological Society (SSP/SGP), in Fribourg, 12-13 September 2011.
- Freydefont, L., Gendolla, G.H.E., & Silvestrini, N. (2011). *The joint effect of affect priming and task difficulty on effort-related cardiac activity: The facilitating effect of anger*. Poster at the 12th Conference of the Swiss Psychological Society (SSP/SGP), in Fribourg, 12-13 September 2011.
- Brinkmann, K., & Gendolla, G.H.E. (2011). *The joint effect of dysphoria and task framing on effort-related cardiovascular response*. Poster at the 51st Annual Meeting of the Society for Psychophysiological Research (SPR) in Boston, MA, USA, 14 – 18 September, 2011.
- Gendolla, G.H.E., & Silvestrini, N. (2011). *Zur direkten Mobilisierung von Anstrengung*. Talk at the 31. Motivationspsychologischen Kolloquium, München, Germany, 24-26 July 2011.
- Lasauskaite, R., Gendolla, G.H.E., & Silvestrini, N. (2011). *Maskierte affektive Stimuli und mentale Anstrengung – zur Rolle der Gefühle*. Poster at the 31. Motivationspsychologisches Kolloquium, München, Germany, 24-26 July 2011.
- Brinkmann, K., & Gendolla, G.H.E. (2011). *Wann soll ich aufhören? Aufgabenpersistenz und Leistung in Abhängigkeit von Kontext und depressiven Symptomen*. Poster at the 31. Motivationspsychologischen Kolloquium, München, Germany, 24-26 July 2011.
- Gendolla, G.H.E. (2011). *Implicit affect effects on the intensity of motivation*. Talk at the 16th General Meeting of the European Association of Experimental Social Psychology (EAESP) in Stockholm, Sweden, 12-16 July, 2011.
- Lasauskaite, R., Gendolla, G.H.E., & Silvestrini, N. (2011). *Masked affective stimuli and mental effort: Effects due to induced affect?* Poster at the 12th European Congress of Psychology in Istanbul, Turkey, 4-8 July, 2011.
- Gendolla, G.H.E., & Silvestrini, N. (2011). *Priming the heart: Direct influences on the intensity of mental effort*. Talk at the 23rd Annual Convention of the Association for Psychological Science (APS), Washington, DC, USA, 26-29 May 2011.
- Brinkmann, K., & Gendolla, G.H.E. (2011). *Depressive symptoms and task persistence: Does task context matter?* Poster at the 23rd Annual Convention of the Association for Psychological Science (APS), Washington, DC, USA, 26-29 May 2011.
- Freydefont, L., Gendolla, G.H.E., & Silvestrini, N. (2011). *Anger primes, task difficulty, and effort-related cardiac response*. Poster at the 23rd Annual Convention of the Association for Psychological Science (APS), Washington, DC, USA, 26-29 May 2011.
- Lasauskaite, R., Gendolla, G.H.E., & Silvestrini, N. (2011). *Sadness primes make me work harder, but they don't make me sad*. Poster at the 23rd Annual Convention of the Association for Psychological Science (APS), Washington, DC, USA, 26-29 May 2011.
- Silvestrini, N., & Gendolla, G.H.E. (2011). *Masked affective stimuli and effort mobilization: Too many primes kill the effect*. Poster at the 23rd Annual Convention of the Association for Psychological Science (APS), Washington, DC, USA, 26-29 May 2011.

- Brinkmann, K., & Gendolla, G.H.E. (2011). *When should I stop? Impaired task persistence in depression and the role of task context*. Poster at the 4th Conference of the Society for the Study of Motivation (SSM) in Washington, DC, USA, 26 May 2011.
- Freydefont, L., Gendolla, G.H.E., & Silvestrini, N. (2011). *Anger primes have a facilitating effect on effort-related cardiac activity*. Poster at the 4th Conference of the Society for the Study of Motivation (SSM) in Washington, DC, USA, 26 May 2011.
- Gendolla, G.H.E., & Silvestrini, N. (2011). *Masked action cues override difficulty effects on mental effort*. Poster at the 4th Conference of the Society for the Study of Motivation (SSM) in Washington, DC, USA, 26 May 2011.
- Lasauskaite, R., Gendolla, G.H.E., & Silvestrini, N. (2011). *Mental effort and affective primes: Testing if effects arise due to induced affect*. Poster at the 4th Conference of the Society for the Study of Motivation (SSM) in Washington, DC, USA, 26 May 2011.
- Silvestrini, N., & Gendolla, G.H.E. (2011). *Masked affective stimuli interact with task difficulty to determine effort intensity*. Poster at the 4th Conference of the Society for the Study of Motivation (SSM) in Washington, DC, USA, 26 May 2011.
- Gendolla, G.H.E. (2011). *On the impact of masked affective stimuli on effort intensity in cognitive tasks*. Invited talk at Leiden University, The Netherlands, 17 March 2011.
- Gendolla, G.H.E. (2011). *On the impact of implicit affect on mental effort*. Invited talk at the University of Lausanne, 11 March 2011.
- Gendolla, G.H.E. (2011). *Aktuelle Entwicklungen in der Motivationspsychologie*. Invited talk at the Kantonale Erziehungsberatung Bern. Bern, Switzerland, 2 February 2011.
- Gendolla, G.H.E., & Silvestrini, N. (2010). *Zum Einfluss unbewussten Affekts auf mentale Anstrengung*. Talk at the 47. Kongress der Deutschen Gesellschaft für Psychologie (DGPs), Bremen, Germany, 26-30 September 2010.
- Freydefont, L., Gendolla, G.H.E., & Silvestrini, N. (2010). *Anger primes, sadness primes, and effort-related cardiac reactivity*. Poster at the 50th Annual Meeting of the Society for Psychophysiological Research (SPR) in Portland, OR, USA, 29 September – 3 October, 2010.
- Lasauskaite, R., Silvestrini, N., & Gendolla, G.H.E. (2010). *Informational impact of masked affective stimuli on mental effort intensity*. Poster at the 50th Annual Meeting of the Society for Psychophysiological Research (SPR) in Portland, OR, USA, 29 September – 3 October, 2010.
- Gendolla, G.H.E., & Silvestrini, N. (2010). *Priming effort-related cardiovascular response: The impact of masked stimuli*. Invited talk at the Conference on Motivation, Self- Regulation, and Gender: Perspectives and Applications, Gdansk, Poland, 3-5 June 2010.
- Gendolla, G.H.E., & Silvestrini, N. (2010). *Unconscious effort: The effect of subliminal cues on cardiovascular response*. Talk at the 22nd Annual Convention of the Association for Psychological Science (APS), Boston, MA, USA, 28-30 May 2010.
- Brinkmann, K., Grept, J., & Gendolla, G.H.E. (2010). *Are dysphorics able to discount the impact of mood on effort mobilization?* Poster at the 22nd Annual Convention of the Association for Psychological Science (APS), Boston, MA, USA, 28-30 May 2010.
- Silvestrini, N., & Gendolla, G.H.E. (2010). *Priming effort directly: Effects on cardiac activity and task performance*. Poster at the 22nd Annual Convention of the Association for Psychological Science (APS), Boston, MA, USA, 28-30 May 2010.
- Gendolla, G.H.E., & Silvestrini, N. (2010). *Priming the heart: Effects of masked stimuli on effort-related cardiovascular response*. Talk at the 3rd Conference of the Society for the Study of Motivation (SSM) in Boston, MA, USA, 27 May 2010.

- Kreibig, S.D., Gendolla, G.H.E., & Scherer, K.S. (2010). *Motivation-based appraisals determine emotion: Psychophysiological effects of self-relevant success and failure*. Talk at the 3rd Conference of the Society for the Study of Motivation (SSM) in Boston, MA, USA, 27 May 2010.
- Brinkmann, K., Grept, J., & Gendolla, G.H.E. (2010). *Discounting the negative mood impact in dysphoria is possible: Evidence from cardiovascular reactivity*. Poster at the 3rd Conference of the Society for the Study of Motivation (SSM) in Boston, MA, USA, 27 May 2010.
- Silvestrini, N., & Gendolla, G.H.E. (2010). *Masked action cues directly mobilize mental effort*. Poster at the 3rd Conference of the Society for the Study of Motivation (SSM) in Boston, MA, USA, 27 May 2010.

- De Burgo, J., & Gendolla, G.H.E. (2007). *Mood and Effort Mobilization: Informational Mood Impact from the Mood-Behavior-Model Perspective*. Poster presented at the Alpine Brain Imaging Meeting 2007 (ABIM 07), Champéry, France, January 14-18, 2007.
- Gendolla, G.H.E., & Silvestrini, N. (2007). *Mood effects on resource mobilization for affect regulation: Effects on cardiovascular response*. Poster presented at the 8th Annual Meeting of the Society of Personality and Social Psychology (SPSP) in Memphis, TN, USA, 25 – 27 January 2007.
- Gendolla, G.H.E., & Brinkmann, K. (2007). Do dysphoric individuals mobilize less effort? On the joint influence of dysphoria and task difficulty on effort mobilization. Poster presented at the Pre-Conference of the International Society of Research in Emotions (ISRE) at the 8th Annual Meeting of the Society of Personality and Social Psychology (SPSP) in Memphis, TN, USA, 24 – 25 January 2007.
- Gendolla, G.H.E. (2006). *L'humeur, la dépressivité et l'auto-régulation de l'effort mental*. Invited talk at the Hôpital Cantonal de Genève, 7 December 2006.
- Gendolla, G.H.E. (2006). *Stimmung und mentale Anstrengung: Effekte auf kardiovaskuläre Reaktivität*. Invited talk at the University of Bielefeld, Germany, 29 November 2006.
- Richter, M., & Gendolla, G.H.E. (2006). *Kardiovaskuläre Reaktivität bei unklarer Aufgabenschwierigkeit*. Talk at the 45. Kongress der deutschen Gesellschaft für Psychologie (DGPs). Universität Erlangen-Nürnberg, 17-21 September 2006.
- Brinkmann, K., & Gendolla, G.H.E. (2006). *Haben depressive Personen ein motivationales Defizit im Sinne anstrengungsbezogener kardiovaskulärer Reaktivität?* Talk at the 45. Kongress der deutschen Gesellschaft für Psychologie (DGPs). Universität Erlangen-Nürnberg, 17-21 September 2006.
- Gendolla, G.H.E., & Richter, M. (2006). *Motivationale Intensität bei sozialer Beobachtung: Effekte auf kardiovaskuläre Reaktivität*. Talk at the 45. Kongress der deutschen Gesellschaft für Psychologie (DGPs). Universität Erlangen-Nürnberg, 17-21 September 2006.
- Schmidt, R.E., & Gendolla, G.H.E. (2006) *Die Wiederkehr des Verdrängten an der Schwelle zum Schlaf*. Talk at the 45. Kongress der Deutschen Gesellschaft für Psychologie (DGPs). Universität Erlangen-Nürnberg, 17-21 September 2006.
- Gendolla, G.H.E. (2006). *Motivationale Intensität bei Ich-Involvierung*. Invited Talk at the University of Erlangen-Nürnberg, Germany, 26 July 2006.
- Kreibig, S. D., Gendolla, G. H. E., & Scherer, K. R. (2006). *Motivational appraisal processes in emotion elicitation: What emotion research can learn from motivation theory*. Poster presented at the Consortium of European Research on Emotion (CERE). Bertinoro Emotions Workshop, Bertinoro, Italy, 8 – 11 June, 2006.
- Richter, M., & Gendolla, G.H.E. (2006). *Cardiovascular reactivity in active coping under conditions of unclear task difficulty: Moderating effects of reward*. Poster presented at the 6th Congress of the Federation of European Psychophysiology Societies (FEPS) at Budapest, Hungary. 31 May – 3 June 2006.
- Schmidt, R.E., & Gendolla, G.H.E. (2006). *Hypnagogic upheaval: The return of a suppressed thought at sleep-onset*. Talk at the 18th Annual Convention of the Association for Psychological Science (APS) (Symposium on "When thoughts run out of control: The vicissitudes of falling asleep"). New York, NY, 25-28 May 2006.
- Gendolla, G.H.E. (2006). *Difficulty appraisals, self-relevance, and motivational intensity*. Invited Talk at the Centre Interdisciplinaire des Sciences Affectives. Université de Genève, 18 May 2006.

- Gendolla, G.H.E. (2006). *Mood and mental effort: Effects on cardiovascular reactivity*. Invited Talk at the Max-Planck-Institute for Cognitive and Brain Science and the Ludwig-Maximilians- University Munich, 10 May 2006.
- Silvia, P.J., Gendolla, G.H.E., McCord, D., Drath, W., & Richter, M. (2006). *Self-focused attention and effort during self-regulation*. Talk at the Meeting of the Midwestern Psychological Association (Symposium on "Motivation and self-regulation"). Chicago, IL, USA, May 2006.
- Richter, M., & Gendolla, G.H.E. (2006). *Kardiovaskuläre Reaktivität bei unklarer Aufgabenschwierigkeit: Moderierende Effekte der Anreizhöhe*. Talk at the „48. Tagung experimentell arbeitender Psychologen (TeaP)“. Johannes-Gutenberg Universität Mainz, 26-29 March 2006.
- Schubö, A., Gendolla, G.H.E., Meineke, C., Abele, A.E. (2006). *Are faces special? Detecting faces and features in visual search*. Talk at the „48. Tagung experimentell arbeitender Psychologen (TeaP)“. Johannes-Gutenberg Universität Mainz, 26-29 March 2006.
- Brinkmann, K., & Gendolla, G.H.E. (2006). *Zum Einfluss von Depressivität und Aufgabenschwierigkeit auf anstrengungsbezogene kardiovaskuläre Reaktivität*. Talk at the „48. Tagung experimentell arbeitender Psychologen (TeaP)“. Johannes-Gutenberg Universität Mainz, 26-29 March 2006.
- Gendolla, G.H.E., & Richter, M. (2006). *Motivational intensity under social observation: Effects on cardiovascular reactivity*. Poster presented at the 7th Annual Meeting of the Society of Personality and Social Psychology (SPSP) in Palm Springs, CA, USA, 26 – 28 January 2006.
- Brinkmann, K., & Gendolla, G.H.E. (2006). *Depression and mental effort: Effects on cardiovascular reactivity*. Poster presented at the Pre-Conference of the International Society of Research in Emotions (ISRE) at the 7th Annual Meeting of the Society of Personality and Social Psychology (SPSP) in Palm Springs, CA, USA, 25-26 January 2006.
- Brinkmann, K., & Gendolla, G.H.E. (2006). *Depression and mobilization of mental effort*. Invited talk at the University of Kansas, USA, 23 January 2006.
- Silvia, P.J., Gendolla, G.H.E., & Richter, M. (2005). *Try harder: Self-awareness and the self-regulation of effort*. Talk at the Meeting of the Society of Southeastern Social Psychologists (Symposium on "Motivated social cognition: Great goals, efforts, and expectations"). Atlantic Beach, FL, USA, November 2005.
- Gendolla, G.H.E., Abele, A.E., Andrei, A., Spurk, D., & Richter, M. (2005). *The joint impact of negative mood and self-focus on symptom perception*. Poster presented at the 9th Congress of the Swiss Society of Psychology (SSP). University of Geneva, 29-30 September 2005.
- Brinkmann, K., & Gendolla, G.H.E. (2005). *Depression and mobilization of mental effort: Vulnerability for depression on cardiovascular reactivity*. Talk at the 9th Congress of the Swiss Society of Psychology (SSP). University of Geneva, 29-30 September 2005.
- Richter, M., & Gendolla, G.H.E. (2005). *Joint effects of mood and clarity of task difficulty on effort mobilization*. Talk at the 9th Congress of the Swiss Society of Psychology (SSP). University of Geneva, 29-30 September 2005.
- Gendolla, G.H.E. (2005). *Informational mood impact on mental effort*. Talk at the 9th Congress of the Swiss Society of Psychology (SSP). University of Geneva, 29-30 September 2005.
- Gendolla, G.H.E., & Richter, M. (2005). *The intensity of motivation when the self is involved: Theory and research on effort-related cardiovascular response*. Talk at the 9th Congress of the Swiss Society of Psychology (SSP). University of Geneva, 29-30 September 2005.
- Schmidt, R.E., & Gendolla, G.H.E. (2005). *Dreaming of white bears: The return of the repressed at sleep-onset*. Talk at the 9th Congress of the Swiss Society of Psychology (SSP). University of Geneva, 29-30 September 2005.

- Richter, M., & Gendolla, G.H.E. (2005). *Cardiovascular reactivity in active coping under conditions of unclear difficulty*. Poster presented at the 45th Annual Meeting of the Society for Psychophysiological Research (SPR). Lisbon, Portugal, 21-24 September 2005.
- Brinkmann, K. & Gendolla, G.H.E. (2005). *Impact of vulnerability for depression on cardiovascular reactivity in active coping*. Poster presented at the 45th Annual Meeting of the Society for Psychophysiological Research (SPR). Lisbon, Portugal, 21-24 September 2005.
- Gendolla, G.H.E., Richter, M., & Silvia, P.J. (2005). *Self-focused attention and cardiovascular response in active coping*. Poster presented at the 45th Annual Meeting of the Society for Psychophysiological Research (SPR). Lisbon, Portugal, 21-24 September 2005.
- Wright, R.A., & Gendolla, G.H.E. (2005). *Ability appraisal analysis of fatigue influence on effort-related cardiovascular response*. Talk at the 45th Annual Meeting of the Society for Psychophysiological Research (SPR). Lisbon, Portugal, 21-24 September 2005.
- Gendolla, G.H.E. (2005). *The self-regulation of mental effort: The role of mood states and self-involvement*. Talk at the Geneva Affective Science Week. University of Geneva, 15-19 June 2005.
- Gendolla, G.H.E., Abele, A.E., Andrei, A., Spurk, D., & Richter, M. (2005). *The joint impact of negative mood and self-focused attention on symptom experience*. Poster presented at the Geneva Affective Science Week. University of Geneva, 15-19 June 2005.
- Richter, M. & Gendolla, G.H.E. (2005). *Mood, clarity of task difficulty, and cardiovascular reactivity*. Poster presented at the Geneva Affective Science Week. University of Geneva, 15-19 June 2005.
- Schmidt, R.E. & Gendolla, G.H.E. (2005). *Dreaming of white bears: The return of the suppressed at sleep-onset*. Poster presented at the Geneva Affective Science Week. University of Geneva, 15-19 June 2005.
- Brinkmann, K. & Gendolla, G.H.E. (2005). *Motivational effects of depression: Do depressives mobilize more mental effort?* Poster presented at the Geneva Affective Science Week. University of Geneva, 15-19 June 2005.
- Brinkmann, K., & Gendolla, G.H.E. (2005). *Zur Rolle von Depressivität bei der Mobilisierung mentaler Anstrengung*. Talk at the 47. Tagung experimentell arbeitender Psychologen (TeaP). Universität Regensburg, 4-6 April 2005.
- Richter, M., & Gendolla, G.H.E. (2005). *Anreizeffekte auf die Mobilisierung von Anstrengung bei unklarer Aufgabenschwierigkeit*. Talk at the 47. Tagung experimentell arbeitender Psychologen (TeaP). Universität Regensburg, 4-6 April 2005.
- Gendolla, G.H.E. (2005). *The self-regulation of mental effort : The roles of mood states and self-involvement*. Invited talk at the Université de Fribourg, 4 April 2005.
- Gendolla, G.H.E. (2005). *Mental effort when the self is involved: Studies on cardiovascular response*. Invited talk at the Department of Psychology at the University of Kansas at Lawrence, USA, 25 January 2005.
- Silvia, P.J., Gendolla, G.H.E., & Richter, M. (2005). *Self-awareness and effort during self-regulation: Insights from Brehm's theory of motivational intensity*. Talk at the 6th Annual Meeting of the Society of Personality and Social Psychology (SPSP) (Symposium on "Issues in social motivation: Building on Jack Brehm's contributions to psychology"). New-Orleans, LO, USA, 20 – 22 January 2005.
- Gendolla, G.H.E., Abele, A.E., Andrei, A., Spurk, D., & Richter, M. (2005). *The joint impact of negative mood and self-focused attention on symptom experience*. Poster presented at the 6th Annual Meeting of the Society of Personality and Social Psychology (SPSP) in New-Orleans, LO, USA, 20 – 22 January 2005.

- Gendolla, G.H.E. (2004). *Informational mood impact on motivational intensity: A theory and research on effort-related cardiovascular response*. Talk at the 9th International Conference on Motivation (ICM) (Symposium on "Affective sources of motivational intensity: Recent developments in theory and research"). Lisbon, Portugal, 30 September - 2 October 2004.
- Gendolla, G.H.E. & Richter, M. (2004). *Die Rolle des Selbst im Motivationsprozess: Fähigkeitsbewertung, Selbstaufmerksamkeit und anstrengungsbezogene kardiovaskuläre Reaktivität*. Positionreferat at the 44. Kongress der Deutschen Gesellschaft für Psychologie (DGPs). Universität Göttingen, 26-30 September 2004.
- Gendolla, G.H.E. (2004). *Informational mood impact on mental effort: A theory and research on effort-related cardiovascular response*. Invited talk at the Università Vita-Salute San Raffaele, Milano, Italy, 18 May 2004.
- Gendolla, G.H.E. (2004). *L'humeur, l'effort mental et le système cardiovasculaire*. Invited talk at the Semaine Internationale du Cerveau. Université de Genève, 15-20 March 2004.
- Gendolla, G.H.E. (2004). *Apprentissage et motivation: Des concepts de base aux applications*. Invited talk at the 2^e Journée d'Etude FPSE – SMP – Guidance. Université de Genève, 27 February 2004.
- Gendolla, G.H.E. (2003). *Mood states and resource mobilization: Studies on cardiovascular response*. Invited talk at the Hôpital Cantonal de Genève, 8 December 2003.
- Richter, M., & Gendolla, G.H.E. (2003). *Cardiovascular reactivity in active coping under conditions of self-involvement*. Poster presented at the 43rd Annual Meeting of the Society for Psychophysiological Research (SPR) in Chicago, IL, USA, 29 October - 2 November 2003.
- Wright, R.A., & Gendolla, G.H.E. (2003). *Motivation in social settings: Effort-related cardiovascular responses*. Talk at the 6th Sydney Symposium of Social Psychology, Coogee Bay, Australia, 18-20 March 2003.
- Gendolla, G.H.E. (2003). *The role of mood in motivation: An integrative theory and empirical evidence*. Invited talk at the University of Geneva, 20 January 2003.
- Gendolla, G.H.E. (2002). *Zum informationalen Stimmungseinfluss auf mentale Anstrengung: Studien zu kardiovaskulärer Reaktivität*. Invited talk at the Johannes-Gutenberg-Universität Mainz, 29 October 2002.
- Richter, M. & Gendolla, G.H.E. (2002). *Anstrengungsbezogene kardiovaskuläre Reaktivität unter Ich-Involvierung*. Talk at the 43. Kongress der Deutschen Gesellschaft für Psychologie (DGPs). Humboldt Universität zu Berlin, 22-26 September 2002.
- Gendolla, G.H.E. (2002). *Stimmungseffekte auf anstrengungsbezogene kardiovaskuläre Reaktivität: Hilft gute Laune „Energiesparen“?* Talk at the 43. Kongress der Deutschen Gesellschaft für Psychologie (DGPs). Humboldt Universität zu Berlin, 22-26 September 2002.
- Gendolla, G.H.E. (2002). *Informationaler Stimmungseinfluss auf kognitive Anstrengung: Studien zu kardiovaskulärer Reaktivität*. Invited talk at the Freie Universität Berlin, 17 July 2002.
- Richter, M. & Gendolla, G.H.E. (2002). *Gemeinsamer Effekt von Stimmung und Urteilkontext auf anstrengungsbezogene kardiovaskuläre Reaktivität*. Talk at the 44. Tagung experimentell arbeitender Psychologen (TeaP). Technische Universität Chemnitz, 24-27 March 2002.
- Gendolla, G.H.E. & Richter, M. (2002). *Ich-Involvierung und anstrengungsbezogene kardiovaskuläre Reaktivität*. Talk at the 44. Tagung experimentell arbeitender Psychologen (TeaP). Technische Universität Chemnitz, 24-27 March 2002.

- Gendolla, G.H.E. (2002). *Der informationale Einfluss von Stimmungen auf kognitive Anstrengung: Studien zu kardiovaskulärer Reaktivität*. Invited talk at the Technische Universität Dresden, 31 January 2001.
- Gendolla, G.H.E. (2001). *Der informationale Einfluss von Stimmungen auf anstrengungsbezogene kardiovaskuläre Reaktivität*. Invited talk at the Heinrich-Heine Universität Düsseldorf, 30 November 2001.
- Gendolla, G.H.E. (2001). *Gut gelaunt und denkfaul? Der Einfluss von Stimmung auf Anstrengungsmobilisierung (kardiovaskuläre Reaktivität)*. Invited talk at the Technische Universität Chemnitz, 6 November 2001.
- Gendolla, G.H.E., & Krüsken, J. (2001). *The informational impact of mood states on cardiovascular response in active coping*. Talk at the 41st Annual Meeting of the Society for Psychophysiological Research (SPR) at Montreal, Quebec, Canada. (Symposium on "New approaches to cardiovascular activity in motivation and emotion"), 10-14 October 2001.
- Gendolla, G.H.E. (2001). *The joint impact of mood and self-focused attention on the experience of physical symptoms*. Invited talk at the University of Kansas at Lawrence, USA, 8 October 2001.
- Gendolla, G.H.E., & Krüsken, J. (2001). *Effort mobilization for mood regulation: Effects on cardiovascular response*. Poster presented at the 8. Tagung der Fachgruppe Sozialpsychologie der DGPs. Universität Würzburg, 23-26 September 2001.
- Gendolla, G.H.E. (2001). *Macht gute Laune tatsächlich (denk-)faul? Einige Antworten aus dem autonomen Nervensystem*. Talk at the „8. Tagung der Fachgruppe Sozialpsychologie der DGPs“. Universität Würzburg, 23-26 September 2001.
- Gendolla, G.H.E., & Krüsken, J. (2001). *Diagnostizität von Stimmung und Anstrengungsmobilisierung (kardiovaskuläre Reaktivität)*. Talk at the „43. Tagung experimentell arbeitender Psychologen (TeaP)“. Universität Regensburg, 8-11 April 2001.
- Gendolla, G.H.E., & Krüsken, J. (2001). *Effort mobilization for mood regulation: Effects on cardiovascular response*. Poster presented at the 2nd Annual Meeting of the Society of Personality and Social Psychology (SPSP) in San Antonio, TX, USA, 1-3 February 2001.
- Gendolla, G.H.E. (2000). *Stimmungseffekte auf die Anstrengungsmobilisierung beim Lernen: Theorie und experimentelle Befunde*. Invited talk at the symposium "Die emotionale Dimension schulischen Lernens". Pädagogische Hochschule Ludwigsburg, 9 Dezember 2000.
- Gendolla, G.H.E. (2000). *Stimmungseinflüsse auf den Motivationsprozeß - Effekte auf die Mobilisierung von Anstrengung (kardiovaskuläre Reaktivität)*. Talk at the 42. Kongreß der Deutschen Gesellschaft für Psychologie (DGPs). Universität Jena, 24-28 September 2000.
- Gendolla, G.H.E., & Krüsken, J. (2000). *Informational and directive mood impacts on effort mobilization assessed as cardiovascular response*. Talk at the 11th. Conference of the Society of Research on Emotions (ISRE) (Symposium on "Psychophysiological approaches to the study of task engagement: Studying the links between emotion and motivation"). Québec City, Canada, 16-20 August 2000.
- Gendolla, G.H.E. (2000). *Informationale Stimmungseinflüsse auf kardiovaskuläre Reaktivität bei aktiver Streßbewältigung*. Invited talk at the Johann-Wolfgang-von-Goethe Universität Frankfurt a.M., 23 May 2000.
- Gendolla, G.H.E., & Krüsken, J. (2000). *Anstrengungsregulation (kardiovaskuläre Reaktivität) für die Stimmungseinstellung: Informationale und direkte Stimmungseinflüsse*. Talk at the 42. Tagung experimentell arbeitender Psychologen (TeaP). Universität Braunschweig, 3-6 April 2000.
- Gendolla, G.H.E. (2000). *Mood and motivation: The case of effort*. Invited talk at the University of Kansas at Lawrence, KS, USA, 7 February 2000.

- Gendolla, G.H.E., & Krüsken, J. (2000). *Mood, task difficulty, and cardiovascular response reflecting effort*. Poster presented at the 1st Annual Meeting of the Society of Personality and Social Psychology (SPSP) in Nashville, TN, USA, 3-5 February 2000.
- Gendolla, G.H.E., & Krüsken, J. (2000). *Mood impacts on effort mobilization assessed as cardiovascular response*. Talk at the 1st Annual Meeting of the Society of Personality and Social Psychology (SPSP) in Nashville, TN, USA, 3-5 February 2000.
- Gendolla, G.H.E., & Krüsken, J. (1999). *Mood, task difficulty, and cardiovascular response reflecting effort*. Poster presented at the 39th Annual Meeting of the Society for Psychophysiological Research (SPR) in Granada, Spain, 6-10 October 1999.
- Gendolla, G.H.E., & Krüsken, J. (1999). *Stimmung, Aufgabenschwierigkeit und Anstrengung (kardiovaskuläre Reaktivität)*. Talk at the 7. Tagung der Fachgruppe Sozialpsychologie der DGPs. Universität Gesamthochschule Kassel, 10-13 June 1999.
- Gendolla, G.H.E., Abele, A.E., & Krüsken, J. (1999). *Stimmung und Energetisierung: Effekte auf das autonome Nervensystem*. Talk at the 41. Tagung experimentell arbeitender Psychologen (TeaP). Universität Leipzig, 28 March - 1 April 1999.
- Gendolla, G.H.E., Abele, A.E., & Krüsken, J. (1998). *Mood and the energization process*. Poster presented at the 38th Annual Meeting of the Society for Psychophysiological Research (SPR) in Denver, Colorado, USA, 23-27 September 1998.
- Gendolla, G.H.E. (1998). *Autonomic arousal, task engagement, and the orientation to dominant social information after failure*. Talk at the Small Group Meeting of the European Association for Experimental Social Psychology (EAESP) on "Implicit and explicit processes in social cognition" at Mirano, Italy, 10-14 June 1998.
- Gendolla, G.H.E. (1998). *Vom Handeln zum Denken: Motivationale Erregung und Orientierung auf dominante soziale Information*. Talk at the 40. Tagung experimentell arbeitender Psychologen (TeaP). Philipps-Universität Marburg, 6-9 April 1998.
- Gendolla, G.H.E. (1998). *Die Wirkung der Bewältigung von selbst- und identitätsrelevanten Anforderungen auf kardiovaskuläre Reaktivität*. Talk at the 14. Hamburger Symposium zur Methodologie der Sozialpsychologie. Universität Hamburg, 9-10 January 1998.
- Gendolla, G.H.E., & Wright, R.A. (1997). *The motivational impact of tasks' self-relevance: Effects on cardiovascular responses*. Poster presented at the Annual Meeting of the Society of Experimental Social Psychology (SESP) Meeting in Toronto, Ontario, Canada, 24-26 October 1997.
- Gendolla, G.H.E. (1998). *Mood effects on behavior: An integrative view*. Informal presentation at the Annual Meeting of the Society of Experimental Social Psychology (SESP) in Lexington, KY, USA, 22-25 October 1997.
- Gendolla, G.H.E. (1997). *Mood effects on behavior*. Invited talk at the University of Kansas at Lawrence, KS, USA. 20 October 1997.
- Gendolla, G.H.E. (1997). *Mood effects on behavior - a mood-behavior-model*. Invited talk at the Psychology Department of the University of Alabama at Birmingham, AL, USA, 14 October 1997.
- Gendolla, G.H.E. (1997). *Beschäftigung mit kompetenzbezogenen Dispositionen als Folge andauernder motivationaler Erregung nach Mißerfolg*. Talk at the 6. Tagung der Fachgruppe Sozialpsychologie der DGPs, Universität Konstanz, 20-22 June 1997.
- Gendolla, G.H.E. (1997). *Stimmungseffekte auf Verhalten - Das mood-behavior-model*. Talk at the 39. Tagung experimentell arbeitender Psychologen (TeaP). Humboldt-Universität zu Berlin, 24-27 March 1997.

- Gendolla, G.H.E. (1996). *Identitätsrelevanz und Anstrengung*. Talk at the „40. Kongreß der Deutschen Gesellschaft für Psychologie (DGPs)“. Ludwig-Maximilians-Universität München, 22-26 September 1996.
- Gendolla, G.H.E. (1996). *Effort in identity-relevant tasks*. Talk at the 11th General Meeting of the European Association for Experimental Social Psychology (EAESP) at Gmunden, Austria, 13-18 July 1996.
- Gendolla, G.H.E. (1996). *Selbstaufmerksamkeit, Egozentrismus und Perspektivenübernahme*. Talk Paper at the „38. Tagung experimentell arbeitender Psychologen (TeaP)“. Katholische Universität Eichstätt, 1-4 April 1996.
- Gendolla, G.H.E. (1995). *Anstrengung bei identitätsbezogenen Aufgaben*. Invited talk at the Universität Konstanz, 5 July 1995.
- Gendolla, G.H.E. (1995). *Identitätsrelevanz von Zielen und motivationale Erregung*. Talk at the „5. Tagung der Fachgruppe Sozialpsychologie der (DGPs)“. Universität Potsdam, 22-24 June 1995.
- Gendolla, G.H.E. (1995). *Die Wirkung von Identitätsbezug und Schwierigkeit von Aufgaben auf motivationale Erregung*. Talk at the „37. Tagung experimentell arbeitender Psychologen (TeaP)“. Ruhr-Universität Bochum, 9-13 April 1995.
- Gendolla, G.H.E. (1994). *Bewältigung von Umwelthanforderungen und soziale Kategorisierung*. Poster at the „39. Kongreß für Psychologie der Deutschen Gesellschaft für Psychologie (DGPs)“. Universität Hamburg, 25-29 September 1994.
- Gendolla, G.H.E. (1994). *Aufgabenbewältigung und soziale Kategorisierung*. Talk at the „36. Tagung experimentell arbeitender Psychologen und Psychologinnen (TeaP)“. Ludwig-Maximilians-Universität München, 28-31 March 1994.
- Gendolla, G.H.E. (1994). *Überraschung in Leistungssituationen*. Talk at the „10. Hamburger Symposium zur Methodologie der Sozialpsychologie“. Universität Hamburg, 14-15 January 1994.
