### *Current position*

---

- Senior Lecturer, University of Geneva, Faculty of Psychology and Educational Sciences (since 2006)
- Team leader of the Language and cognition unit

### *Education*

---

- PhD in Psychological Sciences (May 2000), Catholic University of Louvain
- Master in Psychology and Educational Sciences (June 1995), Catholic University of Louvain
- Bachelor in Linguistics (June 1993), Catholic University of Louvain

### *Professional experience*

---

- 2006- Senior Lecturer, University of Geneva
- 2002-2006 Research and Teaching Fellow, University of Geneva
- 2000-2002 Postdoctoral Researcher, University of Geneva
- 1996-2000 Doctoral Researcher, FNS, Université catholique de Louvain
- 1995-1997 Honorary Research Assistant, University College London

### *Research grants*

---

- Asylum, Migration and Integration Fund (AMIF), EU (2024-2026) : *ACT and connect for INtegration: language learning & cultural awareness*, Associated partner
- Swiss NSF (2022): *Learning the language of the host country: A plurilingual approach* (Scientific exchange in Thessaloniki, 12.500 CHF)
- Swiss NSF - Lead Agency Slovenia ARRS (2020-2023): *Beyond agreement: How speakers assign syntactic features in real time* (co-PIs: P. Stateva and A. Stepanov, 381.237 CHF total, 61.629 CHF Swiss contribution)
- Innovating Training Networks, EU 765556 (2018-2021): *The Multilingual Mind* (co-PI: D. Saddy, 265.226 €)
- Réseau thématique Langage et Communication, University of Geneva (2016-2019): *Complexity, Variation and Frequency in natural languages: The interfaces between linguistic theory, experimental psycholinguistics and computational linguistics* (PI, 205.385 CHF)
- Swiss NSF, International Short Visit at New York University (February-May 2014): *Interference in*

*language comprehension: Bridging research domains* (PI, 10.000 CHF)

- Swiss NSF (2013-2014): Word order and movement: An acquisition study (PI, 24.000 CHF)
- Swiss NSF (2010-2013): Word order and movement: An acquisition study (PI, 329.690 CHF)
- Swiss NSF (2005-2008): Representation and processing of morphosyntactic features: An interdisciplinary approach (co-PI U. Frauenfelder, 218.927 CHF)
- Swiss NSF (2002-2005): The psycholinguistics of gender production: Levels of representation and processes of encoding (co-PI U. Frauenfelder, 379.858 CHF)
- Belgian NSF, Post-doctoral mobility grant (2001)
- Belgian NSF, PhD grant (1998-2000 ; 2000-2002)

## ***Governing activities***

---

- Creation and coordination of a new interdisciplinary course on forced migration, headed by the Global Studies Institute (2020 - ) <https://www.unige.ch/gsi/fr/actualites/2020/regard-interdisciplinaire-sur-la-migration-forcee-cours-interfacultaire-semester-dautomne/>
- Vice-president of the commission of the French National Research Agency (ANR, Cognition, Education, Formation) (2021 - 2022)
- Member of the commission of the French National Research Agency (ANR, Cognition, Education, Formation) (2019 - 2021)
- Member of the editorial board of *Glossa Psycholinguistics* (2021 - )
- Academic Editor at *Plos One* (2018 - )
- Associate Editor at *Frontiers in Psychology* (2017 - )
- Member of the Program committee for the Bachelor in Psychology (2018 - )
- Member of the Program committee for the Master in Cognitive Psychology (2015 - )
- Member of the Program committee for the Master in Speech and Language Therapy (2006 - )
- Collaborator on the ProLanguage project (The protective role of language in global migration and mobility: language policies and practices in refugee settings), U. Reading (2017-2018)
- Ethics Independent Advisor for the EU funded research: Advancing The European Multilingual Experience (2014-2019)
- Reviewer for research agencies : National Science Foundation (USA), Leverhulme Trust (UK), Agence Nationale de la Recherche (France), Emergences de la Mairie de Paris (France), Programme Franco-Allemand en sciences humaines et sociales (France), Open Research Area in Europe for the Social Sciences (France), Fonds National de la Recherche Scientifique (Belgium)

## ***Supervised PhD and Master theses***

---

- Direction of more than 50 Master's theses in psycholinguistics and cognitive psychology
- Supervision of Phd students from the University of Geneva: A. Brunellière, I. Rotondi, R. Lassotta, S. Villata, F. Mirdamadi, S. Schmid, D. Gyorgy, A. Cambon
- Supervision of Phd students from other universities: G. Smith (U. Connecticut), F. Chevaux (U. Lyon 2), K. Spalek (U. Radboud)
- PhD juries: C. Marino (U. Paris Descartes), C. Paolazzi (University College London), E. Cauvet (U. Poitiers), C. Lusson (U. Nice), R. Riveland (U. Geneva)

## ***Teaching activities***

---

- Interdisciplinary perspective on forced migration (Bachelor/Master) (3 ECTS, 2020- )
- Language (Master) (3 ECTS, 2016- )

- Introduction to language acquisition (Bachelor) (3 ECTS, 2006- )
- Experimental approaches to language (Bachelor) (3 ECTS, 2006- )
- Descriptive approaches to spoken language (Bachelor) (3 ECTS, 2006-2020)
- Language and cognition (Master) (3 ECTS, 2006-2016)
- Co-responsible for the research colloquium in Speech and Language therapy (2006-2019)

### ***Other Academic Activities***

---

- Regular reviewer for: *Advances in Speech-Language Pathology*, *Applied Psycholinguistics*, *Cognition*, *Cognitive science*, *Developmental Science*, *European Journal of Cognitive Psychology*, *Journal of Language Learning and Development*, *Journal of Language and Cognitive Processes*, *Journal of Memory and Language*, *Journal of Neurolinguistics*, *QJEP:LMC*, *Language*, *Language Cognition and Neuroscience*, *Lingua*, *Morphology*, *Perceptual and Motor Skills*, *Linguistics*, *The Linguistic Review*, *Psychologie Française*
- Reviewer of international conferences (Cuny, BU, AMLaP)
- Organization of formations continues for speech therapists, University of Geneva

### ***Organization of conferences***

---

- Development and coordination of a cycle of public conferences on forced migration <https://www.unige.ch/fapse/actualites/archives/2020/conferences-migration/> (November 2020- )
- Development and coordination (with L. Fillietaz) of the *Regards croisés sur la petite enfance: Cycle d'ateliers interdisciplinaires* (2014- , 3 workshops per year)
- First Regional, Unnational, and serendipitously Intercontinental Psycholinguistics Workshop of Sommières (May 29-31 2016, co-organizer: W. Tabor, University of Connecticut)
- Negation Workshop (May 27 2016, co-organizer: J. Moeschler, University of Geneva)
- Current and future challenges in psycholinguistics: Workshop in honor of Uli Frauenfelder (June 24-25 2016, co-organizers: M. Laganaro and P. Zesiger, University of Geneva)
- Geneva Passives Workshop (January 9-13 2017, co-organizers: W. Tabor and W. Snyder, University of Connecticut)

### ***Service to the city***

---

- Development of a flipped classroom pedagogy for bachelor and master courses <https://www.unige.ch/innovations-pedagogiques/innovations/classe-inversee>
- Development and coordination of the program *Uni-R* (headed by the Global Studies Institute) between migrants and students from the University of Geneva (since February 2018) <https://www.unige.ch/gsi/fr/presentation/centres-de-recherche-affilies/projet-uni-r/>
- Development, coordination and presidency of the association of the University of Geneva *Cafés Solidaires* (since March 2017) <https://www.unige.ch/fapse/cite/cafes-solidaires/>
- Radio show *Tribu* (Radio Télévision Suisse Romande) on bilingualism (14 June 2016)
- Occasional animation about language acquisition in *La semaine du Cerveau*, University of Geneva (since 2006)
- Occasional animation about psycholinguistics at the *Journée des collégiens*, University of Geneva (since 2004)
