Master of Advanced Studies in European and International Governance

- A unique learning experience combining European and international affairs
- A programme designed for graduates and professionals working or wishing to work in public or private sectors dealing with governance issues
- An interdisciplinary excellence at the University of Geneva in cooperation with the United Nations Office at Geneva
Objectives

▶ Provide a deep understanding of the political, economic, social and legal aspects of European and International Governance

▶ Acquire extended knowledge on the functioning of the United Nations, the EU institutions and the specialised organisations based in Geneva

▶ Develop competencies to take over executive functions in national, European or international careers

Principal Themes

Duration

8 modules over 6 months | 3 days a week | followed by 3 months for either an internship, a professional project or a Master’s thesis
