URGENT! English native speaker wanted!

We have an immediate opening for a **UK-English native speaker** to complete an internship (full or part-time) in our translation agency near Nyon.

The candidate must be able to translate from German (and possibly French and/or Italian) into English. Experience of CAT tools would be a bonus.

Applicants should ideally have a Master's degree in German, translation or another language-related subject, must have a good command of written German and preferably have already spent time in a German-speaking country.

The duration of the internship can be between 4 and 6 months depending on the candidate's availability, and could lead to a permanent contract.

Please send your CV and cover letter to us at jobs@local-ize.ch
