

Nonlinear optical spectroscopy and microscopy seminar

Co-organized by
Department of Physical Chemistry
&
Department of Applied Physics

“Quantitative Photometrics in Time-Resolved Optical Spectroscopy”

Dr. Bernhard Lang
Department of Physical Chemistry
University of Geneva

13:30, November 7 (Thu), 2024

EP234, École de physique

Due to the difficulty of finding a room, the only room available this semester has the capacity of 30. Please RSVP at Takuji.Adachi@unige.ch to make sure you have seats. The next seminar is planned in the January-February 2025. Stay tuned.
