UNIVERSITÉ
DE GENÈVE

LEADERSHIP FOR SUSTAINABILITY TRANSITION

- Boost your sustainability and resilience skillset with a 10-days intensive experience.
- Understand the role played by cities, infrastructure and nature-based solutions within a 2021 Post-Pandemic Recovery Scenario.
- Learn cutting-edge solutions for designing, implementing and monitoring sustainability transitions.
- Improve or bootstrap your sustainability data management skills from collection to disclosure.
- Enjoy focused knowledge packages provided by guest experts from UN and non UN International Organisation, State and City of Geneva
- Network with International Organisations, professionals and experts.
