Hong Kong

Asia's World City, City of Life

Hong Kong is not just an ordinary metropolitan city. It is the hub of Asia. A city that never sleeps with non-stop intensity. A perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

Experience life in an international cosmopolitan

About 8% of Hong Kong's population of 7.41 million are from foreign countries, creating multicultural lifestyles that are unique to the city.

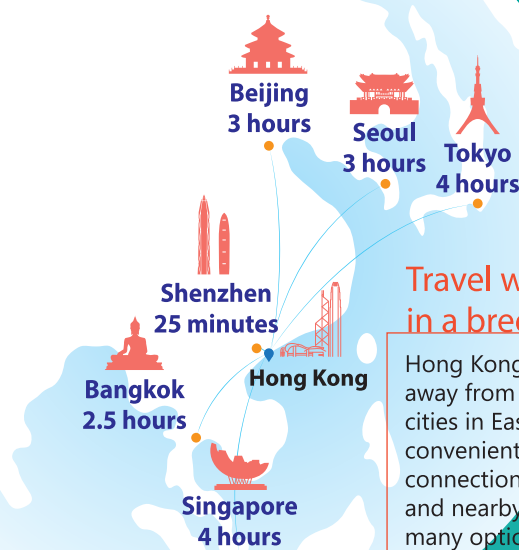

Follow traces of Chinese and Western cultures

Traditional Chinese values such as loyalty to friends and family, and respect for the elderly are well preserved while its history as a former British colony has left a legacy of western ways.

Explore the outdoors

Escape the bustling city life and enjoy the wide variety of outdoor activities available, just minutes away from the urban centre.

Travel within East Asia in a breeze

Hong Kong is less than 5 hours away from most of the major cities in East Asia. With convenient and extensive connections to mainland China and nearby countries, there are many options for a quick study break over the weekends.

The Chinese University of Hong Kong

As the second oldest university in Hong Kong, CUHK is a comprehensive research university with a global vision and mission to combine tradition with modernity, and to bring together China and the West. CUHK's firmly rooted Chinese culture, multiculturalism and its unique college system set itself apart from other universities in Hong Kong and the region.

Located in Shatin, a suburban area of Hong Kong, the CUHK campus overlooks the scenic Tolo Harbour and is nestled in lush greenery. Over the years, it has evolved into the largest, greenest and most sustainably designed campus in the city. A wide range of academic, residential, sports and leisure facilities provide an all-round campus experience for anyone studying at CUHK.

CUHK International Summer School

Established in 2004, the CUHK International Summer School (ISS) has been one of the most popular undergraduate summer programmes in the region. In 2023, ISS will offer the Summer School's most popular July Session, which brings together students from Hong Kong and around the world in an exciting 5-week programme featuring a wide variety of challenging academic courses together with engaging cultural activities.

25 June to 2 August 2023*

Schedule (Tentative)	
Suggested arrival	25-26 June
Orientation	27 June
First lecture	28 June
Last lecture	28 July
Final examination & Farewell Party	31 July

** Dates are subject to changes without prior notice.*

Academics

You can take up to two academic courses at the ISS, each with 42 to 45 contact hours and worth 3 credits, taught entirely in English*.

Global Business and Management

As the financial hub of Asia, Hong Kong is home to many multinational organizations. It's status as the freest economy in the world and its pivotal role in China's ambitious Greater Bay Area initiative will bridge the world to China. By drawing on examples from local, national and international case studies, students will be able to explore in depth the knowledge delivered in our Global Business and Management courses.

Understanding China

China has experienced rapid economic and social growth since 1978, with more than 800 million people lifted out of poverty. Learn about how this change has impacted the country, its people, and its engagement with the rest of the world through multiple lenses including business, social, cultural, and political.

Chinese Language

One of the world's most spoken language is Chinese. Nearly 1.4 billion people speak a variation of Chinese as their first language, including 10 varieties of dialects. Challenge yourself to Putonghua (Mandarin) and Cantonese, the dialect used in Hong Kong to connect with the Chinese people and its culture, and pave way for a vibrant career.

Environment, Science and Technology

Some of the world's most pressing challenges require solutions based from STEM and technology pervades all facets of our society and daily lives. Our courses in Environment, Science and Technology provide knowledge in a range of disciplines including engineering innovation, environmental sustainability and traditional medicine.

Society and Human Interaction

We live in a world with intricate mechanisms where people interact. The understanding of such interactions between peoples, societies and cultures help us to develop systems and influence policy that will impact our lives and improve societies. Join us in this range of courses to explore our society and the human interactions within.

* Except Chinese Language courses.

International Learning Environment

Interact with local and international students from around the world in Hong Kong at the beautiful CUHK campus

Outstanding Academics

Learn from and engage with leading academics from CUHK and prestigious overseas universities

Comprehensive Student Support

Get extensive support from a team of advisors for all your application, visa, housing, course and pastoral care needs
