THE CHINESE UNIVERSITY OF HONG KONG

As the second oldest university in Hong Kong, CUHK is a comprehensive research university with a global vision and mission to combine tradition with modernity, and to bring together China and the West. CUHK's firmly rooted Chinese culture, multiculturalism and its unique college system set itself apart from other universities in Hong Kong and in the region.

Hong Kong is a relatively small city conveniently connected by a subway and train system which is always on time. Situated in Shatin with its own train station, CUHK is just minutes away from one of the city's largest shopping malls, 25 minutes from the central business district on Hong Kong Island and 20 minutes from the Lo Wu border. The campus, which overlooks the scenic Tolo Harbour and is surrounded by greenery, has grown over the years to become the city's largest, greenest, and most sustainably designed campus.

HONG KONG ASIA'S WORLD CITY, CITY OF LIFE

Hong Kong is not just another metropolitan city, it is the hub of Asia; a city that never sleeps with non-stop intensity. It is a perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.
