Executive MBA

Need a boost in your career? Think EMBA! **Our EMBA will enhance your performance as a leader in today's complex business environment**

PRESENTATION

Established in 1992, the University of Geneva's Executive MBA (EMBA) is Geneva region's most prestigious general management program. The Geneva EMBA enables aspiring midcareer professionals to advance their careers and personal skills without interrupting their career. The program's demanding curriculum includes courses on the foundations of general management as well as specialized courses, some of which are unique for the Geneva EMBA. Selected thought leaders and senior executives complement our world-class yet accessible faculty. Thanks to our unique blend of innovative teaching methods and strong alumni network, the participants gain highly relevant knowledge and expertise to cope with future management challenges. The Geneva EMBA is an ambitious but also rewarding once-in-a-lifetime learning experience!

TESTIMONIAL

"The University of Geneva EMBA program is an exceptional learning experience. It has broadened my mind, gave me the confidence needed to pursue higher professional goals and made me crave new challenges. It is simply an enriching intellectual and emotional journey"

Christine Boustany Arab, Executive MBA, 2016 alumnus

AUDIENCE

Our EMBA participants are hand-picked professionals from diverse industry backgrounds – including the public and private sectors – with an average of 7-10 years of work experience. Our EMBA is fully accredited by the Association of MBAs and the admission process is highly selective. Applicants undergo a rigorous pre-enrollment review process, including a formal interview with a member of our alumni.

OBJECTIVES

- Prepare for the contemporary senior management challenges and responsibilities
- Become successful and responsible leaders through a real-world learning experience
- Learn to develop & implement efficient operational solutions, while simultaneously ensuring the strategic renewal of their organizations
- Reflect on professional and personal development to identify one's full potential
- Develop social & communication skills
