

Master in Economics Master Dissertation

The topic of the Master's dissertation must be chosen by the student during Semester 2 (deadline 1st May) or Semester 3 (deadline 15th November) and approved by the Scientific Committee.

In order to defend a Master dissertation, the student must have obtained at least 54 credits towards the completion of the program. The Master dissertation defense should take place by semester 5 at the very latest, but ideally by semester 3 with the consent of the dissertation supervisor.

With the approval of the Scientific Committee, the dissertation may be linked to an internship outside the University.
