COURS-SÉMINAIRE

The corporate finance section of the course introduces students to the main concepts and tools used in corporate finance. It provides a market-oriented framework for analyzing investment decisions, capital budgeting principles, and the financial decisions of firms. Throughout the course, students will solve exercises and problems to enhance the understanding of the covered topics.

Registration form to courses and exams

- Finalization and **SUBMIT** the form

Student request

Request for registration for courses/exams

Finalize and submit the form

Please note :

This form is not intended for regular students.

You are about to submit a final registration form. Please note that if the request is accepted, these registrations cannot be modified once the form has been submitted.

If you are not sure about your registration, please wait a few more days to submit a definitive application.

The deadline for submission is always 4 weeks after the first day of class.

Consult the [detailed academic calendar](#).

Bachelor's students are not allowed to take Master's courses and the Master's courses in Commodity Trading and the mandatory Master's courses in Business Analytics are closed to exchange students.

Personal data is treated in a strictly confidential manner in compliance with applicable data protection legislation. For more informations, refer to [UNIGE's Personal Data Protection Policy](#).

Check the box to confirm:

- I understand that communications will be sent to my UNIGE e-mail address and I agree to consult it.
- I agree to immediately contact Student Services by email (service-etudiants-gsem@unige.ch) if I do not receive an acknowledgement email within 10 minutes of submitting my form.
- I have read the disclaimers and certify that the information on this form is accurate.

Registration form to courses and exams

- ! Not yet opened - **Available in October**
- To be submitted by the following deadline : **14 October 2024**
- **! For courses from Faculty of Humanities (*Faculté des Lettres*):**

Fill out the form on GSEM website + Registration to Student services of the related Faculty/School

For classes of [Maison des langues](#) : contact them directly

Note:

Registration to courses = Registration to exams

Once submitted, the registration is final and cannot be modified.

How to register to courses and exams?

Be careful, in practice:

1. You will fill in the form **online to submit your registration**
2. You will receive, by **email**, acknowledgement of receipt.
3. When your application has been **processed** by our Services, you will receive a confirmation with a link to access the decision (courses **accepted** and/or **rejected**).

Keep both emails :

- Acknowledgement of receipt = You have submitted the form
- Confirmation with a link = Courses acceptance/refusal decision

How to register for courses and exams?

- If you are a *GSEM registered student (host Faculty)* you can register for all courses with our form but **at least 50% of your courses must be included in GSEM's Study Plans.**
- If *GSEM is not your host Faculty*, please contact your host Faculty to know how to register for courses and exams at your home faculty. GSEM restrictions apply to GSEM courses.
- UNIGE regulation on Mobility states that you can only choose courses in **2 different Faculties.**

How to register for courses and exams?

- Only for students who are staying the **whole academic year** (*Fall + Spring semesters*) :
 - [Online form](#) for Fall Semester
 - Access to [GSEM Student Intranet](#) for Spring Semester

In both cases: deadlines to be observed

How to register to exams?

It is the same registration for courses and exams.

Fall Exam session: January 13 to February 1, 2025

Your **exams schedule** is available 3 weeks before the start of the exams session in the window displays at our Student Services.

Exams

- Grade at UNIGE : **0.00 to 6.00**
- The minimum grade to acquire the credits for the courses is : **4.00/6.00**
As soon as you acquire the minimum passing grade (4.00), the credits are acquired and it's not possible to retake your exam
- The grade is given at **1/4 of point** (ex. 3.25, 4.00, 5.75)
- The exams are offered in different forms : writing, speaking, MCQ or Develop answer, etc.

In case of exam failure

- Mobility students are given **two attempts to pass each course**.
- If you fail one or more of your exams during the ordinary exam sessions (January-February or May-June):
 - ✓ You can retake the exam during the extraordinary exam session in August/September, but you are not obliged to do so.
 - ✓ If you wish to return to your university with one or more courses failed on your transcript and make arrangements with them, you can do so.
 - ✓ We do not expect a minimum of successful credits. For us, both successful and failed credits appear on the transcript.

In case of exam failure

- ✓ However, **if you want to exercise your second attempt**, you can do so but :
- You are not automatically signed up to retake the exam during the extraordinary exam session in **August/September**.
- To sign up, you must complete the online form on GSEM website by the stated deadline (**21 July 2025**).

! At the University of Geneva, you can only take exams at the set place, time and date !

You cannot take exams remotely or at another time or date, and no exceptions to this rule can be made.

This applies to all three exam sessions.
