Digital Classrooms Everywhere

NO INTERNET, NO POWER NEEDED!

- **Beekee Box & Beekee Hub** – Portable, offline learning tools that create a digital classroom anywhere
- **Enables digital learning** in remote areas with no internet or electricity
- **Ensures training programs** can reach every learner, even in crisis zones
- **Ideal for Universities, NGOs, Aid Organizations, and Private Companies** aiming to deliver training programs in low-connectivity areas (+2.6 billion people)

BEEKEE

- **100% offline & off-grid** – No need for internet or electricity
- **Instant deployment** – Just switch it on to create a digital learning space
- **Content is stored on the Beekee Box & Hub** – allowing learners to access materials anytime
- **Supports custom content** – Including courses, quizzes, and interactive materials
