A second event associated with the workshop

Seminar on the works of Mikkel Gerken: There will be another event associated with the workshop on Tuesday 25th March. In the seminar The Normative Significance of Knowledge, we will be discussing the work of Mikkel Gerken (Edinburgh) on epistemic norms of action and assertion with the author.

Time and Venue: 14-16h, Institut Européen de L'Université De Genève, Rue Jean-Daniel-Colladon 2, first floor.

The seminar presupposes a reading of some articles. Please contact the organizers if you are interested in participating and/or want to receive a copy of the readings.
