## GETTING TO THE VENUES

If you arrive to Geneva by plane, we recommend that you take bus no. 5 to get to the university (direction Thônex-Vallard). You may get a free ticket *before* leaving the baggage reclaim area. There is a ticket machine near the exit. Just press 'free ticket'.

If you arrive by train, outside the train station Gare Cornavin you find the stop of bus no. 5 (direction Thônex-Vallard). You will need a single ticket, which you may buy from the ticket machine next to the bus stop or from the ticket machine on the bus itself.

The pre-workshop reading session (18 June) takes place in 5 Rue de Candolle, room L208. The closest stop of bus no. 5 is "Place de Neuve". The workshop (19-20 June) takes place in 2 Rue Jean-Daniel Colladon, 1st floor. The closest stop of bus no. 5 is "Palais Eynard".

For the bus timetable, see <http://www.tpg.ch/html/pdf/5/10330-PV1/5Retouraero01.pdf> if you come from the airport, and <http://www.tpg.ch/html/pdf/5/10330-PV1/5Retourcvin01.pdf> if you come from the station.

## READING SESSION

The readings for the session on June 18 are two chapters from Stuart Glenan's new book manuscript. If you plan to attend and wish to get the

material beforehand, do not hesitate to contact us.

## PRE-WORKSHOP DINNER

The session is followed by a pre-workshop dinner at the Brasserie Hôtel de Ville ("chez l'père Glozû"), 39 Grand Rue. You're welcome to join us!

## WORKSHOP DINNER

The workshop dinner will take place on Friday 19 June, 20:30, restaurant l'Echalotte, Rue des Rois 17. Please let us know if you wish to attend.

## FAREWELL LUNCH

On Saturday 20 June, 13:30, we have a farewell lunch at Café du Marché à Plainpalais. You're welcome to join us!
