

Welcome to apply!

The Bo and Kerstin Hjelt Diabetes Foundation

The application period for next year's research grants is 20 October to 15 December. Research grants are awarded to applicants at the Medical Faculties of Lund University, Sweden and Geneva University, Switzerland. Read more and apply at www.hjeltfoundations.org , Diabetes Foundation, Research Grants.

The Bo & Kerstin Hjelt Diabetes Foundation was established in 2008 and is based in Switzerland. Its long-term goal is to fund research to prevent and cure type 2 diabetes.

The Bo and Kerstin Hjelt Diabetes Foundation support researchers at Geneva and Lund Universities.

Welcome to join us in the fight to find a cure for type 2 diabetes, one of the fastest growing diseases in the world.
