In order to support particularly qualified scientists in the field of

**Medical Research**

the Foundation Prof Dr Max Cloëtta funds

## Research Positions

Applications must be submitted by 31 May 2018 at the latest. The earliest possible beginning of the financing of the positions by our foundation is July 1, 2019.

Well-recognised researchers with experience in clinical or experimental medicine who have already made a name for themselves are eligible as applicants. Generally, they should not be more than 40 years old and work at a Swiss University Hospital or at a Swiss University Institute.

Those interested can obtain more detailed information at [www.cloetta-stiftung.ch](http://www.cloetta-stiftung.ch) or at the office of the Foundation Prof Dr Max Cloëtta, Schaffhauserstrasse 43, P. O. Box 321, 8042 Zurich; tel. 044 350 44 35 or by email at cloetta@stiftung.ch.
