The image shows a control panel interface with several elements:

- Left sidebar:** A vertical list of source selection buttons: "PC Salle" (highlighted in yellow and enclosed in a red box), "PC VGA", "PC HDMI", "Régie Centrale", and "Microphones".
- Top center:** A red button labeled "FIN DE COURS".
- Top right:** Status indicators: "Status de l'enregistrement:" and "Enregistrement en cours" with a black square icon.
- Right sidebar:** A vertical list of lighting control buttons: "Lumières", "I/O" (highlighted in yellow), "Niveau 1", "Niveau 2", "Niveau 3", "Cinéma", "Contrôle", and "Aide".
- Center:** A large white box with a red border containing the text: "②", "ENREGISTREMENT AUTOMATIQUE", "08h00-22h00", and the URL "https://mediaserver-tmp.unige.ch/".
- Bottom:** A row of control buttons: "Mute", a downward arrow, a green and black volume bar, an upward arrow, and "Microphones".
