'I have frequently been questioned, especially by women, of how I could reconcile family life with a scientific career. Well, it has not been easy.'

Marie Curie
'I am who I am today because of the choices I made yesterday.'

Eleonor Roosevelt
'I never see what has been done, only what remains to be done.'

Buddha
'We've begun to raise our daughters more like sons, but few of us have the courage to raise our sons more like our daughters.'

Gloria Steinem
'Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less.'

'It has long since come to my attention that people of accomplishment rarely sat back and let things happen to them. They went out and happened to things.'

Leonardo Da Vinci
'It is harder to crack prejudice than an atom.'

Albert Einstein
'A state who does not educate and train its women is like a man who trains only his right arm.'
