

Keynote speaker

Dr Helene Barroy

Senior Health Financing Specialist, Health Financing unit, Department of Health Systems Governance and Financing, WHO Geneva

Public financing and Universal Health Coverage

Dr Helene Barroy is a Senior Health Financing Specialist at WHO, Geneva. She leads the WHO global work on public finance, budgeting and fiscal space for health issues. She has more than 15 years of experience in supporting low and middle income countries on health systems and financing policies. Her latest WHO publications include: *Budget matters for health: key formulation and classification issues (2018)*; *Towards UHC: Thinking public (2017)*; *Budgeting for health (2017)*; *Public financing for health in Africa (2016)*; and *Assessing fiscal space for health in LMICs: a review of evidence (2016)*. Her initial training is in public finance and economics (Sciences Po), and she has a MSc in public policy for health (LSHTM) and a PhD in health economics (CERDI).
