

Spring School of Global Health, April 1st-5th, 2019
Institute of Global Health, University of Geneva

Welcome to the Spring School of Global Health 2019!

We look forward to seeing you all here in Geneva in a couple of weeks. In the meantime, here is some general information to help you better navigate and access Campus Biotech during your stay. How to get to Campus Biotech: <http://www.campusbiotech.ch/en/>

Access badges Campus Biotech: The reception desk opens at 8:00AM and your access badge can be picked up upon arrival at the main reception **desk on Monday, April 1st**. The access badge can be used for the week but must be returned to the reception desk at the end of the day on Friday, April 5th (20CHF replacement fee).

Classrooms: Refer to the program agenda below for the exact room numbers for the courses.

Coffee break: Coffee breaks should be taken at the scheduled time for each course. Help yourselves to the coffee and croissants, prepared for you at the Time Out Café (below the H4 conference room).

Internet Access pass: welcomecampus
