Dear Sir or Madam:

BayTSP, Inc. ("BayTSP") swears under penalty of perjury that Paramount Pictures Corporation ("Paramount") has authorized BayTSP to act as its non-exclusive agent for copyright infringement notification. BayTSP's search of the protocol listed below has detected infringements of Paramount's copyright interests on your IP addresses as detailed in the attached report.

BayTSP has reasonable good faith belief that use of the material in the manner complained of in the attached report is not authorized by Paramount, its agents, or the law. The information provided herein is accurate to the best of our knowledge. Therefore, this letter is an official notification to effect removal of the detected infringement listed in the attached report. The Berne Convention for the Protection of Literary and Artistic Works, the Universal Copyright Convention, as well as bilateral treaties with other countries allow for protection of client's copyrighted work even beyond U.S. borders. The attached documentation specifies the exact location of the infringement.

We hereby request that you immediately remove or block access to the infringing material, as specified in the copyright laws, and insure the user refrains from using or sharing with others unauthorized Paramount's materials in the future (see, 17 U.S.C. 512).

Further, we believe that the entire Internet community benefits when these matters are resolved cooperatively. We urge you to take immediate action to stop this infringing activity and inform us of the results of your actions. We appreciate your efforts toward this common goal.

Please respond indicating the actions you have taken to resolve this matter.

Nothing in this letter shall serve as a waiver of any rights or remedies of Paramount with respect to the alleged infringement, all of which are expressly reserved. Should you need to contact me, I may be reached at the following address:
