

## ERC Continuous Reporting

### **Summary for publication - Achievements of the Project**

The summary for publication should be written as a "stand-alone" text, in a language easily understandable by a broader public and must not contain any confidential data

**Summary of the context and overall objectives of the project (For the final period, include the conclusions of the action)**

This section should include information on:

- What is the problem/issue being addressed?
- Why is it important for society?
- What are the overall objectives?

[PLEASE COMPLETE ONLINE (PARTICIPANT PORTAL)]

**Work performed from the beginning of the project to the end of the period covered by the report and main results achieved so far:**

This information will be made available to the public. Please make sure that there is no confidential data and that the content/language is appropriate for a large audience of non-specialists. The text in this section can be shorter as long as the main achievements/results so far are duly explained.

[PLEASE COMPLETE ONLINE]

**Progress beyond the state of the art and expected results until the end of the project:**

This information will be made available to the public. Please make sure that there is no confidential data and that the content/language is appropriate for a large audience of non-specialists. The text in this section can be shorter as long as the state of the art and *expected* results are duly explained.
