

The Geneva Global History Seminar – 2022-2023

This research seminar is organized by and for historians in the faculties and doctoral programs of the University of Geneva and the Graduate Institute of International and Development Studies. It is open to all who are interested in historical questions in a global perspective. The papers that form the basis of a speaker's presentation will be available a week in advance of his or her talk and can be downloaded from the website below.
