

## **MASTER IN INNOVATION, HUMAN DEVELOPMENT AND SUSTAINABILITY – SINGLE DEGREE TRACK**

### **ENTRY REQUIREMENTS**

- **Bachelor degree** in various fields, including social and political sciences, economics, geography and environment, law, information technology, engineering and applied sciences
- Proof of proficiency in English (for non-Native speakers): valid certificates and minimum scores **TOEFL 92**, **IELTS 7.0**, or **Cambridge Advanced Certificate (CAE) 185 (B2 equivalent)**; Bachelor studies in English; or recent professional experience of 2 years minimum in an Anglophone context – ***an attestation is needed***
- Strong academic interest in, and practical experience working on the United Nations **Sustainable Development Goals (SDGs)** and in any form of **innovation** (technical, economic, cultural and social) aiming at reaching the SDGs, as well as in **intercultural/international contexts**

### **ENROLLMENT AND APPLICATION PROCESS**

**To apply for the Master program, candidates must submit their complete application file [online on the G3S website](#), with the exception of the video (see below).**

Application files must include:

1. Curriculum vitae (1 page A4)
2. Letter of motivation in English (1 page A4) explaining
  - a) why the candidate wishes to pursue this program
  - b) how the candidate is interested in the topics covered by the SDGs and processes of social, technical, economical and/or cultural innovation
  - c) which specialization (see the [study plan](#)) the candidate wishes to choose and why
3. Copies of diplomas<sup>1</sup>
4. Copies of academic transcripts<sup>2</sup>

<sup>1</sup> The copies must be “certified true copies” if the University’s country is not a signatory of the Convention on the Recognition of Qualifications concerning Higher Education in the European Region (the “Lisbon Convention”).

<sup>2</sup> ditto

5. IELTS, TOEFL or CAE test results (except for English native speakers and other exceptions – see Entry requirements above)
6. A 3-minute max. video in which the candidate showcases her/his interest beyond the letter of motivation. Creativity is strongly encouraged; the only constraint is that the candidate her/himself must appear in the video for at least half the duration.

**The video must be submitted to [mihds2023-video@unige.ch](mailto:mihds2023-video@unige.ch) using the file transfer service [swisstransfer.ch](https://swisstransfer.ch). Please set the download validity to 30 days.**

**The file name must contain your last name and first name like so: LASTNAME\_Firstname\_videomihds2023.mp4**

**The video must be in mp4 format and no larger than 60 MB. To achieve this, use a maximum resolution of 720p and/or a video compressor such as HandBrake.**

**Applications that do not follow the above procedure or are incomplete will not be considered!**

**Enrollment and admissions deadline for all candidates:  
28 February 2023 (midnight) CET**
