

Declaration on the use of generative artificial intelligence in the context of internship reports, academic thesis and internship-based thesis

Adopted by the Scientific Committee of the Master in Innovation, Human Development and Sustainability on 26 March 2025

"I declare that I am the author of this text and confirm that all ideas, citations, or information not stemming from my personal reflection are correctly attributed to their sources, with text passages reproduced verbatim clearly identified in quotation marks.

- ☐ I confirm that I have not used a generative artificial intelligence tool in the writing of this text.
- ☐ I confirm that I have used one or more generative artificial intelligence tools in the writing of this text, in accordance with the rules established in the Faculty of Social Sciences' principles and guidelines on plagiarism.¹ I acknowledge that I am required to keep a record of the prompts, texts, and documents used throughout the entire course in question, and to attach my conversations with an AI tool."

Student name:

Student registration number:

Signature:

The signed Declaration must be submitted to the academic supervisor prior to the defense, along with the final version of the manuscript.

After the successful defense, the student submits the Declaration to the MIHDS Secretariat (secretariat-mihds@unige.ch), together with the final manuscript and the UNIGE Open Archive Authorization form.
