mathilde.bourrier@unige.ch

Academic positions

- Oct. 2006 - present: *Professeure Ordinaire*, Full Professor, Department & Institute of sociological Research, Geneva School of Social Sciences, University of Geneva.
- Sept. 2005 - Sept. 2006 : *Professeure des Universités*, Dpt of Urban Systems, Uni. of Technology, Compiègne, France.
- Sept. 1997 - Sept. 2005: *Assist. Prof.*, Dpt of Human Sciences, Uni. of Technology, Compiègne, France.
- Jan. 1992 - Dec. 1995: PhD candidate (Centre de Sociologie des Organisations, C.N.R.S, Paris and Department of Political Science/Institute of Governmental Studies, University of California at Berkeley).

Education and degrees

- Habilitation, University of Technology, Compiègne, France, *Title: The Organizational Risk: Challenges for our Knowledge in Sociology*, 12.12.2004.
- PhD in Sociology, Institut d'Etudes Politiques de Paris (SciencesPo), *Title: Building Organizational Reliability, A comparison at four Nuclear Power Plants, France/US. Highest honors*, 12.12.1996.
- Master in Sociology of Organizations, Institut d'Etudes Politiques de Paris (SciencesPo), *Highest honors*, Oct. 1991.
- Magistère and Master of Sociology, Sorbonne, Paris René Descartes (Paris V), *Highest honors*, June 1990.
- Bachelor in History, Sorbonne (Paris IV) June 1987.

Visiting abroad

- March 2025-February 2029: Honorary Visiting Professor affiliated with SHARE – Centre for Resilience in Healthcare, Department of Quality and Health Technology at the Faculty of Health Sciences (Univ. of Stavanger, Norway)
- Sept. 2016-August 2024: Visiting professor (Prof. II), Faculty of Social Sciences, at SHARE (Center for Resilience in Healthcare), Dpt of Health Studies, Uni. of Stavanger, Norway.
- March 2019-February 2020: Research leave
 - August-Dec 2019: Visiting scholar at the Institute of Governmental Studies, University of California at Berkeley.
 - May-June 2019: Visiting scholar at SHARE (Center for Resilience in Healthcare), Uni. of Stavanger, Norway.
- August-December 2003: Visiting Professor at the Institute of European Studies, University of California at Berkeley (research leave fall semester 2003).
- 1992-1995: Visiting Scholar, High Reliability Organizations Project (Dir: Todd La Porte), Institute of Governmental Studies, University of California at Berkeley.

Research grants (from 2007 only)

Secrétariat d'Etat à la Formation, la Recherche et l'Innovation (SEFRI)

[2022-2026]. STAYING ON BOARD : Exploration du rôle de la formation professionnelle en entreprise dans la rétention des apprentis ASSC au sein de l'entreprise formatrice. PI: Nathalie Delobbe (FAPSE, UNIGE), Co-PI: M. Bourrier, Award number: 1315002504, (420'936.-CHF) (01.09.2022-31.08.2026).

Swiss National Science Foundation

[2022-2023]. AGORA – "The constant flows: Experiences and stories of the COVID-19 pandemic". PI: Claudine Burton-Jeangros (UNIGE), Co PI: M. Bourrier, Award number: CRAG-1_208385/1, (190'133.-CHF). (01.05.2022-30.04.2023).

Co-curator with Claudine Burton-Jeangros: Public Exhibition "Pandémie : Les Echos du Covid" (Geneva, Feb 13-April 30, 2023)/ <https://www.unige.ch/cite/evenements/exposition/seu/expositions-passees/echos-pandemie>

The Research Council of Norway

[2020-2022]. COVID-19 Emergency Call

Project: PAN-FIGHT - Fighting pandemics with enhanced risk communication: Messages, compliance and vulnerability during the COVID-19 outbreak (PI: K. Scharffscher, SEROS, Faculty of Science and Engineering). M. Bourrier: Lead of Work Package 1. (Budget UNIGE: 70'000. -CHF). (01.08. 2020 – 01.08.2022).

Research Council Norway & Fripro ToppForsk, Uni. of Stavanger, NTNU Gjøvik, The Norwegian Air Ambulance Foundation

[2018-2023]. Partner of the "Resilience in Health Care" project (PI: Prof. K. Aase), based at SHARE (Faculty of Social Sciences, Department of Health Studies, University of Stavanger, Norway). *Project no.:* 275367, M. Bourrier: Co-lead of Work Package 5. (01.08.2018 – 01.08.2023).

Service cantonal du développement durable et Genève 2050 (République et Canton de Genève)

[Mai 2020-Sept. 2020]. Research mandate "Construire des éléments de résilience post-Covid- 19 : premières pistes/Building elements of resilience post-Covid: early leads".

Département de la Sécurité et de l'Economie (République et Canton de Genève)

[2016-2017]. PI of the research mandate on the new organization at the cantonal police department. RA: L. Kimber and 1st year sociology master's students. (01.10 .2016 – 31. 07. 2017).

Fondation pour une Culture de Sécurité Industrielle (Toulouse, France)

[2016-2018]. Co-PI of the project: FOResilience with Prof. M. Durand and G. Poizat (Unige, FAPSE): Towards learning propositions *to* and *with* resilience. (01.09.2016 – 31.08.2018).

The Brocher Foundation (Hermance, Switzerland)

[2015]. Principal recipient of the grant dedicated to the organization of an international workshop (Nov. 8-10, 2016): "Unraveling lessons learned from the A(H1N1) pandemic to the 2014 Ebola Epidemic" (Co-PI: C. Burton-Jeangros, Unige and N. Brender, Hesse).

Swiss National Science Foundation (FNS)

[Sept. 2013-Feb. 2017]. PI of the research project "Organizing, Communicating, Costing in Risk Governance: Lessons learned from H1N1 pandemic" (co-principals: C. Burton-Jeangros; dpt of Sociology, Unige & N. Brender, Hesse). Award Number: FNS 100017_146546. (415' 000.- CHF)(01.09.2013 – 31.01.2017).

[April 2009-April 2012]. Co-investigator of the research project "Effectiveness of different strategies to improve hand hygiene and reduce healthcare-associated infections: a cluster randomised controlled trial" (Main applicants: Dr. D. Pittet, Dr. H. Sax). Award Number: FNS 3200B0_122324. (01.04.2009– 01.04.2012).

American National Science Foundation (USA)

[Jan. 2009-Dec. 2011]. Partner for the project "Global Infectious Disease Response Project" (Principal investigator: C. Ansell, A. Keller, A. Reingold, University of California, Berkeley). Award Number: SES_0826995.

World Health Organization (WHO, Geneva)

[May-Sept. 2011]. PI, research mandate given by Global Influenza Program on "Literature Review on Risk Communication & Mapping of Risk Communication Research Networks and Institutions".

Département de la solidarité et de l'emploi (République et Canton de Genève)

[Sept. 2011-Sept. 2012]. PI, research mandate on "The institutional environment of guardianship services for adults in Geneva Canton"; RAs : C. Barrelet & A. Pillonel and 1st year master students. (01.11.2011 – 01.10.2012).

Research Mandates from Geneva Canton Hospital (Switzerland)

[Sept. 2008-Sept. 2009]. PI project "Transformation of professional identity of assist. nurses in Anaesthesia", co-funded by « Fonds Qualité » & Dpt of Anesthesiology. RA: S. Coll & 1st year master students.

[Sept. 2007-Sept. 2008]. PI project "Learning in front of witnesses: creating a sociology of skills: a case study at a dpt of anesthesiology in a large university hospital", co-funded by « Fonds Qualité HUG » and Dpt of Anesthesiology. RA: S. Coll and 1st year master students.

Teaching (UNIGE, current)

<https://www.unige.ch/sciences-societe/socio/fr/mathildebourrier/enseignement/>

Bachelor

T 205000, Sociology of Organizations (Fall semester), 6 credits ECTS
T 205036, Risk, Technology and Organizations (Spring semester), 6 credits ECTS (alternate)
T 200002, Qualitative and Visual Methods (Fall semester), co-teaching, 1/3 of the sessions, 6 credits ECTS
T105001, Introduction to Sociology (Fall semester), co-teaching, 4 hours, 6 credits ECTS

Master

T 405041, Organizations (Fall semester), 6 credits ECTS
T 405032, Sociology of Organizations Meets Sustainability Issues (Spring semester), 6 credits ECTS
T 405022, Master level Research Workshop (rotating, given in 2026), 6 credits ECTS
T 405050, Master level Research Workshop (rotating, given in 2007-08; 2008-09; 2011-12; 2016-17; 2020-21), 18 credits ECTS
T 405239, Forum (public lectures): "Crisis: A risk to take", spring 2010; "The Future of Organizations", spring 2015; "Digital worlds" (with N. Nova, HEAD), spring 2021 6 credits ECTS

Institutional and academic services & student's supervision: visit <https://www.unige.ch/sciences-societe/socio/fr/mathildebourrier/>

Head of the sociology department (DEPSO): (2010-2013) & (2020-2024)

Keynotes, lectures and invited conferences (Selection and recent)

- [2025]. Communication « The coziness of the Silo », paper presented at the 38th NetWork seminar, Annual workshop, "Enough of working in silos: How do leaders, regulators, investigators, and practitioners work together", Janv. 30-feb. 1st, Abbaye de Royaumont, France.
- [2024]. Talk "Embarquement, éthique et intéressement", with Alexandrine Dupras & Leah Kimber, XXII International congress of French speaking sociologists (July 8-12, Ottawa, Canada).
- [2024]. Talk « Quelle production de savoirs lorsque les sens sont entravés : voyage au coeur de nouvelles pratiques savantes » with Leah Kimber, XXII International congress of French speaking sociologists (July 8-12, Ottawa, Canada).
- [2024]. Talk "Studying Culture at a Distance: a new Eldorado?" Faculty of Health Sciences, Univ. of Stavanger, Norway, Feb. 7th.
- [2024]. Co-organisation with Eric Marsden (Fondation pour une Culture de Sécurité Industrielle, France) of the workshop (NeTWork/FonCSI), "Decommissioning Aging Installations and Declining Technologies : Burden or Inspiration ?" NetWork Annual workshop, Jan. 29-31, Abbaye de Royaumont, France
- [2023]. Talk "(Too) fine line between Resilience and Degraded Mode? Who would know?", SHARE center (Center for Resilience in Health Care), Univ. of Stavanger, Norway, Feb. 1st.

- [2022]. Keynote: *What type of organization is the hospital?* Dans le cadre de la conférence "Hospital Inside out", Institut Suisse de Rome et Museo di Storia della Medicina, Roma, Nov. 25th.
- [2022]. Special Issue Launch *Socio-anthropologie* "Enquêter à distance: nouvel eldorado?" / "Studying at a distance : New eldorado ?", Cuzin Library (Sorbonne) with Leah Kimber, Paris, Oct. 6.
- [2022]. Special Issue Launch *Socio-anthropologie*, "Enquêter à distance: nouvel eldorado? / »Studying at a distance : New Eldorado ? " (45), Maison de la recherche INALCO (Paris), with Leah Kimber, Paris, Oct.
- [2020]. "Modes dégradés, Assurer l'essentiel quoiqu'il arrive", *Afterwork tout simplement*, organisé par le Master en Management des Ressources Humaines et des Carrières, Nov. 19th. Online. <https://blog.mrhc.ch/2020/11/11/prochain-after-work-tout-simplement-modes-degrades/>
- [2019]. "Managing the Global Health Response to Epidemics: Social Science Perspectives: A journey into Global Health" Book Launch@Institute of Governmental Studies (University of California at Berkeley), Nov. 18th.
- [2019]. "Safety Regime in High-Risk Industries", SEROS & SHARE, University of Stavanger, Norway, June. 5th.
- [2019]. "Managing the Global Health Response to Epidemics: Social Science Perspectives: A journey into Global Health" Book Launch@SHARE Center (Faculty of Health Sciences, University of Stavanger, Norway). May 13th.
- [2018]. "Le face à face entre OMS et MSF : L'ère de l'OMSF", Maison des Sciences de l'Homme de Lyon et Saint-Etienne, France, Sept. 20th.
- [2017]. "Access, Methods and Knowledge: Lessons from the past for the Future – the methodological legacy of Barry Turner", 9th Int. conference on the prevention of accidents at work, Prague (Czech Republic), Oct. 3-6th.
- [2017]. "What help can the sociology of organizations provide to the resilience concept and vice versa?", University of Stavanger, SHARE – Resilience in Healthcare Project launch, Faculty of Health Sciences (Norway), Sept. 12th.
- [2017]. "Dealing wisely with methods: Keys for sounds and reasonable research strategies in high-risk industries", University of Stavanger, SEROS and Dept. of Health Sciences (Norway), Feb. 1st.
- [2017]. "Toujours plus de procéduralisation : Pourquoi ? Et pour quoi faire ?", Institut de Radioprotection et de Sécurité Nucléaire (France), Jan. 19th.
- [2016]. "L'Organisation Mondiale de la Santé face à Médecins Sans Frontières : un duopole aux prises avec ses pratiques d'intervention dans la gestion de l'épidémie Ebola en Afrique de l'Ouest", Association Internationale des Sociologues de Langue Française, GT Corps, Techniques, Société, Montréal (Canada), July 7th.
- [2015]. «From A (H1N1) to Ebola: an attempt at a comparative organizational analysis», SEROS (Societal Safety Research Center), University of Stavanger, Norway, Nov. 6th.
- [2015]. « Organizational Reliability & Safety Culture: An Overview » at the 4th Mini symposium on "Risk Reduction and Safety Promotion in the Process Industries", Nagoya University and Chiba Institute, Tokyo (Japan), Feb. 26th.
