

The ESHMS 2016 prizes

1) The ESHMS paper prize 2016

The ESHMS offers financial support to 1 PhD student or postdoctoral researcher with a maximum of three years of postdoctoral experience (starting from the date of the doctoral dissertation defence) who will present a paper at the Geneva ESHMS congress 2016.

Eligibility

All early career scholars as defined above are welcome to submit a full paper by June 1st 2016.

Submission

The paper should be unpublished. Size should range between 5'000-7'000 words (main text only; tables and references excluded).

Send your paper, accompanied by 1 page curriculum vitae, to Sakari Karvonen:

Sakari.Karvonen@thl.fi

Prize

The winner will be awarded a € 400 grant.

The winner will be notified at the closing session of the conference on Wednesday, June 29.

2) The ESHMS poster prize 2016

The ESHMS offers financial support to the best poster at the Geneva ESHMS congress 2016.

Eligibility

All participants with accepted posters who are present at the Geneva ESHMS congress 2016.

Prize

The winner – single author, or the first author in case of multiple authorship – will be awarded a € 200 grant.

The winner will be notified at the closing session of the conference on Wednesday, June 29.
