

The Faculty of Science at the University of Geneva, Switzerland, has an opening for a position as

**TENURE-TRACK ASSISTANT PROFESSOR
IN THE DEPARTMENT OF BIOCHEMISTRY**

The Department of Biochemistry has an opening for a tenure-track Assistant Professor in a highly dynamic and stimulating research environment, recognized for its excellence in interdisciplinary research of fundamental biological processes at all scales of life.

PROFILE: Candidates pursuing internationally recognized research in quantitative biology and biochemistry are encouraged to apply, including candidates using chemistry or physics approaches. We are seeking for candidates who will bring new expertise, complementary approaches to synergize with the groups of the Department. The search is not limited to a specific field. The successful candidate is expected to develop an innovative research program at the highest international level and secure external funding.

Duties include teaching in Biochemistry at the Bachelor, Master and Doctoral levels both in French and English, as well as management and organizational responsibilities within the Department and the Faculty.

FORMAL REQUIREMENTS:

PhD degree or equivalent.

STARTING DATE: 1st February 2024 or as agreed.

Applications must include the following documents: Cover letter, detailed CV with list of publications, copy of highest degrees/diploma, research and teaching statements, description of research project (3 pages), list of referees who can later be contacted directly by the search committee. Recommendation letters are not requested for now.

Applications should be submitted exclusively on-line to the following address :

https://jobs.unige.ch/www/wd_portal.show_job?p_web_site_id=1&p_web_page_id=59226

before April 15th, 2023 (0:00 Geneva time). APPLICATIONS SENT BY EMAIL WILL NOT BE ACCEPTED.

Applications from women are particularly welcome.

Complementary information may be obtained at the following e-mail address : aurelien.roux@unige.ch
