Timetables, forms, information sessions...

<https://moodle.unige.ch/course/view.php?id=4937>

**Monday, September 18th
8h30 – 12h**

A300 (+ A150 video broadcast)

Welcome session by the faculty of Science (in French only)

A100 (at the end of the faculty's session)

Welcome session by the School of Chemistry and Biochemistry for bachelor student in 1st year (exchange and master student are welcomed)

(in French only)

**Monday, September 18th
12h15 – 13h**

Sciences II, A100

**General information and welcome session for MSc students and exchange student
(in English)**

**Monday, September 18th
13h15**

All MSc courses start according to the MSc timetables (see Student's guide for details)

Conseiller académique : Dr Pierrick Berruyer, 0093B (Sc-II, rez-de-chaussée) ; réception le jeudi 9h30-13h30 et sur rendez-vous ; conseil-etu-chimie-biochimie@unige.ch
