

Campus Guide

Here for you
in your first year,
from start to finish

Charter for mentees

As a mentee, you can benefit from the support of a Campus Guide **during your first year at UNIGE**. They will help you strengthen both your **social and academic integration**.

Your responsibilities

- * Understand the Campus Guide programme and how it works
- * Take part in the Welcome Days week, especially in your faculty-specific's Campus Guide meeting
- * Understand the role of your guide in order to avoid requests that go beyond their responsibilities

Guides are neither tutors nor psychologists!

- * Be proactive (express your needs, ask questions)
- * Keep in touch with your guide and suggest meetings
Provide feedback to your guide
- * **Inform your guide and the programme coordinators if you wish to withdraw from the programme**

As a mentee, you can contact the programme coordinators at any time for any questions or difficulties: campus-guide@unige.ch

Activities

**Sept. 7th
& 8th**

Welcome Days faculty-specific Campus Guide meetings

You will get more information about these meetings on your student email address!

Two satisfaction surveys, mid-year and end-of-year

Registration

Register on the Campus Guide online platform.

You can register as a mentee **from July 13th to October 2nd, 2026.**

You need your student email address in order to register (name.familyname@etu.unige.ch)!

By registering, you confirm that you:

- * have read the Campus Guide charter and accept the missions and obligations it entails,
- * agree that your contact details may be shared with other guides for networking, training, or programme-related activities, as well as with the student unions of your faculty,
- * agree that images (photos/videos) taken during programme events may be used for promotional or illustrative purposes on the website, social media, and in the activity report.
