## CFP

### (In)Visibility: The Aesthetic Dimension of Political Participation

Proposals must contain an abstract of 300–500 words (including footnotes and appendices but excluding references) prepared for blind peer-review and, in a separate file, a brief CV of 100–200 words. Co-authored abstracts are admissible for submission.

We particularly encourage proposals that foster gender–equality and diversity, from researchers at diverse stages of their professional careers, with different geographical origins, and from underrepresented groups.

Please email proposals to [michael.raeber@philos.uzh.ch](mailto:michael.raeber@philos.uzh.ch) by **March 13, 2022**. Decisions will be communicated by March 31, 2022.
