SPTN

In the next Newsletter (December 2022), we would like to include a special section dedicated to those who have earned a PhD in Political Theory / Philosophy this year.

We'd like to ask recent PhDs or their advisors who are part of this network to send us basic information (name, title of thesis, university, and a link to repository, if you want) so we can include it in the next issue.

Members who wish to share some news regarding their activities (e.g., publications, new professional appointments, job opportunities) may write an email to sptn@unige.ch.
